Longest Drive:

The Long-Drive Bible Sean Fister, Matthew Rudy, 2008-05-16 Sean The Beast Fister is the winner of numerous World Long Drive Championships and holds the record for the longest carry in the world finals at a whopping 393 yards Now Fister has taken all the winning tips and techniques he has learned over the years and organized them in this book so that you too can drive better and more consistently With Fister's Ten Commandments of Distance you'll bring out the beast in your golf game

Er Qazi Zia Er Qazi Zia, 2025-05-30 The Long Drive is not just a drive down highways and byways it is an existential metaphor for life itself Born of the author's regular trips along the Srinagar Jammu National Highway this introspective book draws broad comparisons between the act of driving and the shape of our lives Just as we cruise lanes take turns contend with traffic and deal with detours on the highway so too must we contend with obstacles decisions and turns in life Each chapter is matched with a phase of life echoing the ebbs and flows of aging beginning with ignition birth the high of youth the stress of ambition the slowdowns of difficulty and finally the quiet of contemplation Along the way travelers encounter fellow travelers face roadblocks stop to get fuel and find that every segment of the trip has value The book provides philosophical depth and spiritual insight reminding us that the true road is often within It invites the reader to not only move but to move with intention to not only drive but to drive consciously Whether you're just starting out or along the way somewhere The Long Drive will encourage you to look back on where you've been where you're headed and what really drives your journey forward

The Long Drive Home Stan Rogal, 2009-11-18 Gay middle aged hit men a pathological interior designer an idiot savant child and a gun toting donut shop manager are some of the disparate characters that populate Stan Rogal's first novel Beginning at vastly different points geographically and emotionally these seemingly unconnected people are woven together in the taut fabric of a story that follows the sweet sadness of the search for lost youth The characters' paths move together gradually until they ultimately converge in an explosive showdown in a sleazy road side motel parking lot in Magog Quebec
