**Broadway Bodies** Ryan Donovan, 2023 Broadway has body issues What is a Broadway Body Broadway has long preserved the ideology of the Broadway Body the hyper fit exceptionally able triple threat performer who represents how Broadway musicals favor certain kinds of bodies Casting is always a political act situated within a power structure that gives preference to the Broadway Body In Broadway Bodies author Ryan Donovan explores how ability sexuality and size intersect with gender race and ethnicity in casting and performance To understand these

intersectional relationships he poses a series of questions Why did A Chorus Line a show that sought to individuate dancers inevitably make dancers indistinguishable How does the use of fat suits in musicals like Dreamgirls and Hairspray stigmatize fatness What were the political implications of casting two straight actors as the gay couple in La Cage aux Folles in 1983 How did deaf actors change the sound of musicals in Deaf West s Broadway revivals Whose bodies does Broadway cast and whose does it cast aside In answering these questions Broadway Bodies tells a history of Broadway s inclusion of various forms of embodied difference while revealing its simultaneous ambivalence toward non conforming bodies [A Chorus Line FAQ](#) Tom Rowan,2015-09-01 FAQ The ultimate treasure trove of information A Chorus Line FAQ presents history and fun facts including the unique workshop process through which the show was developed and written the stories of its creators the record breaking Broadway run and numerous touring productions and the captivating movie version The book also features all new chapters on the Broadway revival the two London productions and notable regional productions around the country In addition to a chapter on A Chorus Line cultural history with a guide to all the pop cultural references in the show the book includes extensive photos as well as biographical information on the casts of the major productions There are also chapters on recordings previous books on the topic and the landmark show s influence on subsequent Broadway musicals and films [Media and Performance in the Musical](#) Raymond Knapp,Mitchell Morris,Stacy Wolf,2018-09-04 For the past several years the American musical has continued to thrive by reflecting and shaping cultural values and social norms and even commenting on politics whether directly and on a national scale Hamilton or somewhat more obliquely and on a more intimate scale Fun Home New stage musicals such as Come from Away and The Band s Visit open on Broadway every season challenging conventions of form and content and revivals offer audiences a different perspective on extant shows Carousel My Fair Lady Television musicals broadcast live harken back to 1950s television s affection for musical theatre and aim to attract new audiences through the accessibility of television Film musicals including Les Mis rables and Into the Woods capitalize on the medium s technical capabilities of perspective and point of view as well as visual spectacle Television has embraced the genre anew and with unexpected gusto not only devising musical episodes for countless dramatic and comedy series but also generating musical series such as Galavant and Crazy Ex Girlfriend And animated musicals such as Disney s Moana hail child and adult audiences with their dual messages vibrant visual vocabulary and hummable music The chapters gathered in this book Volume II of the reissued Oxford Handbook explore the American musical from the various media in which musicals have been created to the different components of a musical and the people who do the work to bring a musical to life [The Business of American Theatre](#) William Grange,2020-06-02 The Business of American Theatre is a research guide to the history of producing theatre in the United States Covering a wide range of subjects the book explores how traditions of investment marketing labor union contracts advertising leasing arrangements ticket scalping zoning ordinances royalties and numerous other financial transactions have influenced the art of theatre for the past three centuries

Yet the book is not a dry reiteration of hits and flops bankruptcies and bamboozles Nor does it cover everything about it that is appealing everything the traffic will allow as Irving Berlin did in the song There's No Business Like Show Business It is instead a highly readable resource for anyone interested in how money and how much money is critical to the art and artists of theatre Many of those artists make appearances in the book Richard Rodgers and his keen eye for investment Jacob Shubert and his construction of the bridge of thighs for his showgirls at the Winter Garden the significance of the Disney Souvenir Shop near the Lyceum Theatre on Broadway and the difference between a Broadway show losing millions of dollars or making billions in one night Consider this book a go to resource for readers students and scholars of the theatre business
