

The book cover features an abstract painting with a grid-like structure. The top section is divided into three horizontal bands: a light blue band at the top containing the title, a green band in the middle, and a red band at the bottom. The bottom half of the cover is a solid dark blue band containing the authors' names and edition information. The painting itself is composed of various shades of green, red, and blue, with some areas appearing more textured or layered than others.

Upsetting Composition Commonplaces Ian Barnard, 2014-07-15 In Upsetting Composition Commonplaces Ian Barnard argues that composition still retains the bulk of instructional practices that were used in the decades before poststructuralist theory discredited them While acknowledging that some of the foundational insights of poststructuralist theory can be difficult to translate to the classroom Barnard upends several especially intransigent tenets that continue to influence the teaching of writing and how students are encouraged to understand writing Using six major principles of writing classrooms and textbooks clarity intent voice ethnography audience and objectivity Barnard looks at the implications of poststructuralist theory for pedagogy While suggesting some evocative poststructuralist pedagogical practices the author focuses on diagnosing the fault lines of composition's refusal of poststructuralism rather than on providing solutions in the form of teaching templates Upsetting Composition Commonplaces addresses the need to more effectively engage in poststructuralist concepts in composition in an accessible and engaging voice that will advance the conversation about relations between the theory and teaching of writing

Working in the Archives Alexis E. Ramsey, Wendy B Sharer, Barbara L'Eplattenier, Lisa Mastrangelo- Do Not Use, 2009-12-14 Archival research of any magnitude can be daunting With this in mind Alexis E Ramsey Wendy B Sharer Barbara L Eplattenier and Lisa Mastrangelo have developed an indispensable volume for the first time researcher as well as the seasoned scholar Working in the Archives is a guide to the world of rhetoric and composition archives from locating an archival source and its materials to establishing one's own collection of archival materials This practical volume provides insightful information on a variety of helpful topics such as basic archival theory processes and principles the use of hidden or digital archives the intricacies of searching for and using letters and photographs strategies for addressing the dilemmas of archival organization without damaging the provenance of materials the benefits of seeking sources outside academia and the difficult yet often rewarding aspects of research on the Internet Working in the Archives moves beyond the basics to discuss the more personal and emotional aspects of archival work through the inclusion of interviews with experienced researchers such as Lyn e Lewis Gaillet Peter Mortensen Kathryn Fitzgerald Kenneth Lindblom and David Gold Each shares his or her personal stories of the joys and challenges that face today's researchers Packed with useful recommendations this volume draws on the knowledge and experiences of experts to present a well rounded guidebook to the often winding paths of academic archival investigation

These in depth yet user friendly essays provide crucial answers to the myriad questions facing both fledgling and practiced researchers making Working in the Archives an essential resource

Longman Bibliography of Composition and Rhetoric, 1984-1985 Erika Lindemann,1987

The Writer's Book of Memory Janine Rider,2013-11-05 Memory has long been ignored by rhetoricians because the written word has made memorization virtually obsolete Recently however as part of a revival of interest in classical rhetoric scholars have begun to realize that memory offers vast possibilities for today s writers Synthesizing research from rhetoric psychology philosophy and literary and composition studies this volume brings together many historical and contemporary theories of memory Yet its focus is clear memory is a generator of knowledge and a creative force which deserves attention at the beginning of and throughout the writing process This volume emphasizes the importance of recognizing memory s powers in an age in which mass media influence us all and electronic communication changes the way we think and write It also addresses the importance of the individual memory and voice in an age which promotes conformity Written in a strong lively personal manner the book covers a great deal of scholarly material It is never overbearing and the extensive bibliography offers rich vistas for further study
