## **Look Back On Death:**

*Look Back on Death* Dell Shannon, 2014-07-14 Dick Tredgold has spent seven years in jail for a murder he insists he did not commit Now eligible for parole he refuses to apply because he feels that by doing so he would acknowledge his guilt His family at their wit s end appeal to Jesse Falkenstein for help Falkenstein realises the only way of getting Tredgold to leave prison is to identify the real murderer no easy task in an eight year old investigation And when Jesse re examines the case he begins to discover that not all the witnesses were as reliable as they had seemed My favourite American crime writer New York Herald Tribune      **Looking Back to the Future** Griselda Pollock, 2001 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company      Looking Back, Moving Forward Girish Daswani, 2015-02-26 How do Ghanaian Pentecostals resolve the contradictions of their own faith while remaining faithful to their religious identity Bringing together the anthropology of Christianity and the anthropology of ethics Girish Daswani s *Looking Back Moving Forward* investigates the compromises with the past that members of Ghana s Church of Pentecost make in order to remain committed Christians Even as church members embrace the break with the past that comes from being born again many are less concerned with the boundaries of Christian practice than with interpersonal questions the continuity of suffering after conversion the causes of unhealthy relationships the changes brought about by migration and how to deal with them By paying ethnographic attention to the embodied practices interpersonal relationships and moments of self reflection in the lives of members of the Church of Pentecost in Ghana and amongst the Ghanaian diaspora in London *Looking Back Moving Forward* explores ethical practice as it emerges out of the questions that church members and other Ghanaian Pentecostals ask themselves

Walking Forward, Looking Back Dinah Latham, 2014-10-28 The book tells the story of a retired district nurse and midwife reflecting on her life whilst walking with her close companion Harriet the dog It is a touchingly honest work written straight from the heart The reader will both laugh and cry as the author recounts many moving stories of patients cared for in 1960s London The writings so patently contrast care in the community then and now that it becomes impossible not to regret the passing of a time when nursing was seen as a vocation when nurses were proud to serve Divorce and single parenthood accompany her career journey while living alone escorts her into retirement It is then that fortune takes a hand or rather a paw and brings Harriet the dog into her life This may just have been the coming together of chance and good timing but destiny or happy accident it was certainly a blessing It was her need to be taken on daily walks that finds our author evoking memories randomly flicking through a lifetime of unwritten diaries Together they share their walks taking the reader through the changing seasons of the Chiltern countryside while also travelling a new pathway one with an unfamiliar landscape a one way journey into growing old This is a voyage of discovery one that promises many unexpected new experiences not the least of which is their most recent pastime shepherding      **Specter of the White Death (Salmon Run - Book 5)** J.A.
