## **Look To The North Star A Life Of William King:**

*Look to the North Star* Victor Ullman, 1969 More than a century ago one man with deep convictions and a country with benign ideals combined to create a place where black self emancipation black freedom could flourish The man was William King a slaveowner and Presbyterian minister educated to the stern moralities of Edinburgh The country was Canada and *Look to the North Star* is a vivid account of Buxton the community in western Ontario which the Reverend Mr King and his slaves founded in 1849 as a haven for black fugitives both slave and free in the harsh years before the Civil War Jacket

*Look to the North Star* Victor Ullman, 1994      **Fugitive Slaves and Spaces of Freedom in North America** Damian Alan Pargas, 2020-09-08 This volume introduces a new way to study the experiences of runaway slaves by defining different spaces of freedom they inhabited It also provides a groundbreaking continental view of fugitive slave migration moving beyond the usual regional or national approaches to explore locations in Canada the U S North and South Mexico and the Caribbean Using newspapers advertisements and new demographic data contributors show how events like the Revolutionary War and westward expansion shaped the slave experience Contributors investigate sites of formal freedom where slavery was abolished and refugees were legally free to determine the extent to which fugitive slaves experienced freedom in places like Canada while still being subject to racism In sites of semiformal freedom as in the northern United States fugitives claims to freedom were precarious because state abolition laws conflicted with federal fugitive slave laws Contributors show how local committees strategized to interfere with the work of slave catchers to protect refugees Sites of informal freedom were created within the slaveholding South where runaways who felt relocating to distant destinations was too risky formed maroon communities or attempted to blend in with free black populations These individuals procured false documents or changed their names to avoid detection and pass as free The essays discuss slaves motivations for choosing these destinations the social networks that supported their plans what it was like to settle in their new societies and how slave flight impacted broader debates about slavery This volume redraws the map of escape and emancipation during this period emphasizing the importance of place in defining the meaning and extent of freedom Contributors Kyle Ainsworth Mekala Audain Gordon S Barker Sylviane A Diouf Roy E Finkenbine Graham Russell Gao Hodges Jeffrey R Kerr Ritchie Viola Franziska M ller James David Nichols Damian Alan Pargas Matthew Pinsker A volume in the series Southern Dissent edited by Stanley Harrold and Randall M Miller      **The Black Atlantic Reconsidered** Winfried Siemerling, 2015-05-01 Readers are often surprised to learn that black writing in Canada is over two centuries old Ranging from letters editorials sermons and slave narratives to contemporary novels plays poetry and non fiction black Canadian writing represents a rich body of literary and cultural achievement The Black Atlantic Reconsidered is the first comprehensive work to explore black Canadian literature from its beginnings to the present in the broader context of the black Atlantic world Winfried Siemerling traces the evolution of black Canadian witnessing and writing from slave testimony in New France and the 1783 Book of Negroes

through the work of contemporary black Canadian writers including George Elliott Clarke Austin Clarke Dionne Brand David Chariandy Wayde Compton Esi Edugyan Marlene NourbeSe Philip and Lawrence Hill Arguing that black writing in Canada is deeply imbricated in a historic transnational network Siemerling explores the powerful presence of black Canadian history slavery and the Underground Railroad and the black diaspora in the work of these authors Individual chapters examine the literature that has emerged from Quebec Nova Scotia the Prairies and British Columbia with attention to writing in both English and French A major survey of black writing and cultural production *The Black Atlantic Reconsidered* brings into focus important works that shed light not only on Canada's literature and history but on the transatlantic black diaspora and modernity

**Rooted Here and They Can't Pull Us Up** Peggy Bristow, Dionne Brand, 1994-01-01 p This long overdue history will prove welcome reading for anyone interested in Black history and race relations It provides a much needed text for senior high school and university courses in Canadian history women s history and women s studies Forbidden Fruit Betty DeRamus, 2005-12-27 Heartache on the underground railroad Black Ice George Robert Fosty, Darril Fosty, 2007 The Colored Hockey League of the Maritimes was formed in 1895 in Halifax Nova Scotia Canada Comprised of the sons and the grandsons of runaway American slaves the league helped pioneer the sport of ice hockey changing this winter game from the primitive gentleman s past time of the Nineteenth Century to the to the modern fast moving game of today In an era when many believed Blacks could not endure cold possessed ankles too weak to effectively skate and lacked the intelligence for organized sport these men defied the established myths The Colored League was one of the most complex sports organizations ever created and was lead by Baptist ministers and church laymen Natural leaders and proponents of Black Pride these men represented a concept in sports never before seen Their rule book was The Bible Their game book the coded words and oral history derived from the experiences of American slavery and the Underground Railroad Their strategy the principles and teachings of American Black leader Booker T Washington the founder of the Tuskegee Institute and a believer in the concept of racial equality through racial separation Twenty five years before the Negro Baseball Leagues in the United States and twenty two years before the birth of the National Hockey League the Colored League would emerge as a premier force in Canadian hockey and supply the resilience necessary to preserve a unique culture which exists to this day Unfortunately their contributions were conveniently ignored or simply stolen as White teams and hockey officials influenced by the Black league copied elements of the Black style or sought to take self credit for Black hockey innovations Seven years of research has gone into this book This is the first book ever written on the Colored Hockey League of the Maritimes

**Schooling and Scholars in Nineteenth-century Ontario** Susan E. Houston, Alison L. Prentice, 1988-01-01 Nineteenth century educational reformers were fond of an agricultural metaphor when it came to the provision of more and better schooling even good land they argued had to be cultivated othersie noxious weeds sprang up In this study of education in Ontario from the establishment of Upper Canada to the end of Egerton Ryerson s career as chief superintendent of schools in 1876 Susan Houston and Alison Prentice explore the roots of the provincial public school system set up to instill a work ethic and moral discipline appropriate to the new society as well as the beginnings of separate schools today the Ontario school system is once again the subject of intense and often bitter debate Many of the most contentious issues have deep and complex roots that go back to this era Houston and Prentice tell the story of how Ontario came to have a universal school system of exceptional quality and shed valuable light on an area of current concern *Boundless Dominion* Denis McKim, 2017-11-30 In the twenty first century the word Presbyterian is virtually synonymous with austere and parochial These associations are by no means historically unfounded as early Canadian Presbyterians insisted on Sabbath observance

and had a penchant for inter and intra denominational disagreement However many other ideas circulated within this religious community s collective psyche Boundless Dominion delves into the elaborate worldview that galvanized nineteenth century Canadian Presbyterianism Denis McKim uncovers a vibrant print culture and Presbyterian support for such initiatives as Indigenous evangelism temperance advocacy and anti slavery activism and finds that many of the denomination s characteristics contrast sharply with its dour and quarrelsome reputation Tracing the themes of providence politics nature and history in Presbyterian communities across five provinces from Prince Edward Island Nova Scotia and New Brunswick to Lower and Upper Canada this book reveals that at the heart of this denomination lay a desire to facilitate God s dominion and to promote Protestant piety across northern North America and beyond Through an innovative approach to the study of religious ideas Boundless Dominion highlights the permeability of borders and the myriad ways in which nineteenth century Canada including its Presbyterian community shaped and was shaped by interactions with the wider world Light of Nature and the Law of God Allen P. Stouffer,1992-06-01 Allen Stouffer s analysis of Ontario s response to the freedmen reveals a virulent strain of racism that helps to explain why British North Americans were slow to join their British and American counterparts in the North Atlantic antislavery triangle After exploring the Canadian churches mixed reaction to antislavery he applies cliometrics to draw a socio economic profile of Canadian antislavery s leaders and followers Employing British American and Canadian primary sources Stouffer has written this study the first book length examination of Canadian antislavery from a British North American perspective Earlier studies concluded that Canadian anti slavery was largely the result of Canada s proximity to the United States a proximity which precluded Canada s ignoring the situation While Stouffer recognizes the importance of the American influence he shows that the leaders of Canadian anti slavery were immigrants from Britain who had been deeply involved in antislavery in their homeland Bryan Prince's Underground Railroad 2-Book Bundle Bryan Prince,2016-06-13 Award winning author Bryan Prince portrays the experiences of slaves and former slaves in these compelling histories of the Underground Railroad and American Civil War This special two book collection includes My Brother s Keeper African Canadians and the American Civil War The stirring story of African Canadians who had fled slavery and oppression in the United States but returned to enlist in the Union forces in the American Civil War One More River to Cross Accused of the attempted murder of a plantation owner in Maryland during the early 1800s Isaac Brown a slave survived harsh punishment escaped was recaptured escaped again and in the face of multiple challenges ultimately made his way to freedom in Canada This is his story **A Nation of Immigrants** Franca Iacovetta,Paula Draper,Robert Ventresca,2017-06-22 This collection brings together a wide array of writings on Canadian immigrant history including many highly regarded influential essays Though most of the chapters have been previously published the editors have also commissioned original contributions on understudied topics in the field The readings highlight the social history of immigrants their pre migration traditions as well as migration strategies and Canadian experiences their work and family

worlds and their political cultural and community lives They explore the public display of ethno religious rituals race riots and union protests the quasi private worlds of all male boarding houses and of female domestics toiling in isolated workplaces and the intrusive power that government and even well intentioned social reformers have wielded over immigrants deemed dangerous or otherwise in need of supervision Organized partly chronologically and largely by theme the topical sections will offer students a glimpse into Canada s complex immigrant past In order to facilitate classroom discussion each section contains an introduction that contextualizes the readings and raises some questions for debate A Nation of Immigrants will be useful both in specialized courses in Canadian immigration history and in courses on broader themes in Canadian history
