Look We Have Come Through 1959 2nd:

Erotic Love in Sociology, Philosophy and Literature Finn Bowering, 2019-08-22 Why is love taken for granted as a part of human experience And why is sexual or romantic love in particular so important to us This book aims to find out tracing the intellectual history of sexual love from the ancient Greeks to the modern day *Erotic Love in Sociology Philosophy and Literature* shows how discourses of love have intersected with social and cultural trends as well as with personal events and experiences Beginning with the queering of love in Greek antiquity it looks at how sexual love has been sung about fictionalized and theorized as a cornerstone of the formation of Western culture From the courtly love of twelfth century troubadours and the rise of affective individualism in the eighteenth century to the way the novel helped catalyze and crystallize the hopes and contradictions of love and marriage these are decisive episodes in the history of romantic love Lastly the book deals with how sociologists and feminist theorists have made sense of the liberalization of sexuality over the last fifty years especially given the post romantic pragmatism of commercialized dating practices Arguing against the over rationalism of intimate life *Erotic Love in Sociology Philosophy and Literature* recognizes the need to liberate love from patriarchal racist and homophobic prejudices and highlights the value of literary and sociological traditions to emphasize how they dignify the rhapsodies and the sufferings of love

A Companion to Modernist Poetry David E. Chinitz, Gail McDonald, 2014-06-23 *A COMPANION TO MODERNIST POETRY* A Companion to Modernist Poetry A Companion to Modernist Poetry presents contemporary approaches to modernist poetry in a uniquely in depth and accessible text The first section of the volume reflects the attention to historical and cultural context that has been especially fruitful in recent scholarship The second section focuses on various movements and groupings of poets placing writers in literary history and indicating the currents and countercurrents whose interaction generated the category of modernism as it is now broadly conceived The third section traces the arcs of twenty one poets careers illustrated by analyses of key works The Companion thus offers breadth in its presentation of historical and literary contexts and depth in its attention to individual poets it brings recent scholarship to bear on the subject of modernist poetry while also providing guidance on poets who are historically important and who are likely to appear on syllabi and to attract critical interest for many years to come Edited by two highly respected and notable critics in the field *A Companion to Modernist Poetry* boasts a varied list of contributors who have produced an intense focused study of modernist poetry

D. H. Lawrence In Context Andrew Harrison, 2018-11-15 This collection of original concise essays by leading international scholars draws closely on the Cambridge Edition of the Letters and Works of D H Lawrence to provide up to date insights into the key contexts to the author s life career and legacy It opens with an overview of Lawrence s life as it is explored in biographies and revealed in his letters and writing before reassessing his relationship to the contemporary literary marketplace and his response to and intervention in a range of literary cultural and social historical contexts It ends with sections on Lawrence s changing critical reception and his powerful legacy in the

work of later authors and filmmakers The essays present a detailed and nuanced picture of Lawrence as an enterprising professional author with a truly cosmopolitan outlook who engaged deeply and strongly with his contemporary culture and with currents of thought across a range of disciplines *For the Gay Stage* Drewey Wayne Gunn,2017-06-02 Previous surveys of the gay theatrical repertoire have concentrated on plays produced on Broadway or in London s West End This comprehensive guide goes well beyond these earlier studies by introducing productions from Off Broadway from regional theaters in the U S and U K and from Ireland Canada Australia New Zealand and South Africa Also included are Puerto Rican Indian and Filipino plays written in English as well as translations from other languages Well over half of the works discussed here appear for the first time in such a study

My Ancestors Horst H. Geerken,2025-07-08 Letters diaries and documents from many centuries in the past provided the details for this enthralling read but it is no ordinary collection of dry as dust facts It is a chronicle stretching back into the Middle Ages the history of a fascinating influential and many branched family with exciting life stories to relate The authors grandfather was the artist Johann Hinrich Geerken and his aunt was housekeeper to Albert Einstein This richly illustrated volume tells the tales of farmers and inventors artists and artisans but also of courageous women who had to see their families through difficult times alone Among the ancestors described are the famous master tower clock maker Johann Michael Mannhardt whose clocks continue to tell the correct time and Wilhelm Emmanuel Johann Mannhardt an academic and Mennonite whose works are still published today The book takes us to Meiji period Japan where Carl August Schenk the scientist taught at the University of Tokyo and is still honoured as the father of Japanese mineralogy to Indonesia where the author lived and worked for many years and on to Australia America and Greece where many of the family live today Many interesting historical anecdotes and illustrations make the book well worth reading not just for the family It is a document of modern and contemporary history

The Igbo and Their Niger Delta Neighbors Nnamdi J.O. Ijeaku,2009-05-20 This book is about Nigerias oil and gas rich Niger Delta region how its peoples the Igbo Ijaw Ibibio Efik Ogoni Annang etc evolved over the years with the Igbo as the main ingredient in the evolution process how ethnic and regional rivalry occasioned by petty jealousies and envy threatened their very existence in1966 1969 and led to Biafra how greed and the gross abuse of state power by Northern Nigeria controlled military dictatorship in 1966 1999 turned the once prosperous region into a living nightmare The peoples are emasculated communities villages sacked perceived freedom fighters persecuted and killed including the writer environmentalist Ken Saro Wiwa who was hanged in 1995 This book reminds Nigeria and the world of Biafra and calls for fundamental changes in respect of the Niger Delta to avoid the mistakes

that led to Biafran secession in 1967 It is also a Unity call to the East **Leading with Integrity** Michael Smith,2019-06-17
Thanks to global news and social media we are the most informed and socially conscious generation in history But what are the sources of inner inspiration that guide our daily conduct and motivations in the workplace Far from the old Machiavellian dictum that the ends justify the means the reverse is often the case the means determine the ends This book presents the stories of business leaders who have aimed to build trust in the economy and have delivered value through integrity cooperation stewardship purpose and sustainability It proposes the eight Cs of trust which can define the culture of organizations contracts covenants competences character conscience conviction courage and change The book makes the clear link between personal decision making and global outcomes and demonstrates how positive decision making can lead to change inside organizations and beyond **The British National Bibliography Cumulated Subject Catalogue** ,1955

United States of America V. Holovachka ,1962 **An Exploration of a New Poetic Expression Beyond Dichotomy**

Shin'ichiro Ishikawa,2004 This study attempts to re evaluate Lawrence s poetry which has often been read as a set of

biographical documents or supplementary notes to his novels as fully independent literary work in the light of post modern critical theory The author carefully examines how Lawrence needed to misread his precursors the nineteenth century Romantics to establish himself as one of the modern poets What separates his poetry from his precursors is his self consciousness as a modern poet His search for radical freedom in language and his meta poetic exploration of a new poetic expression make him a true pioneer of the terra incognita in English poetry *New Mexico Quarterly*,1960 *The Skipper*,1960 **East Timor at the Crossroads** Peter Carey,G. Carter Bentley,1995-09-01 In a rapidly changing post Cost War world where many age old conflicts and injustices are at last being put to rights East Timor stands out as a still unresolved tragedy In the past twenty years 1975 95 this former Portuguese colony has been under Indonesian military occupation an occupation responsible for the death of over 200 000 of its inhabitants a third of its pre 1975 population and the destruction of much of its indigenous society Yet despite enormous odds the people of East Timor continue to fight for the independence which was denied them in the mid 1970s Twenty years on there is now a very real chance for a new beginning in East Timor This book which brings together contributions by both East Timorese and Western specialists of East Timor provides a compelling account of the process by which a once isolated and traditional society has been forged into a nation with a deep sense of its own identity rooted in its unique religious cultural linguistic and historical heritage Indonesia is at last beginning to realize the cost of Third World colonialism and its Western allies are becoming less tolerant of its security state methods The last section of this book considers the new diplomatic initiatives which are currently in train under the auspices of the UN to bring about a resolution to the Timor problem without jeopardizing the integrity of the Indonesian Republic An extensive bibliography of titles on East Timor published between 1970 and 1994 will prove especially useful for scholars
