

A romantic couple is shown in profile, smiling at each other. The man is on the left, wearing a plaid shirt, and the woman is on the right, with long blonde hair. They are outdoors in a park-like setting with trees and sunlight filtering through the leaves, creating a warm, golden glow. The text is overlaid on the image in a bold, white font with a black outline.

Poems of Love & Life Joseph W Svec III, Lidia Svec, 2022-03-24 True love is real. Once upon a time two youngsters Joseph and Lidia, five years apart in age, met on a bus ride to a public speaking contest. They began talking about life, goals, dreams, poetry, and more. Over time their conversations grew into a strong friendship despite their age difference. Years passed and one day they were blessed with realization that they had found their soulmates and they got engaged to be married when Joseph graduated college. At the time of their engagement they had not yet kissed or even held hands for the first time. One year later on the day of his graduation two best friends and soulmates were married and they never stopped courting. Over the years for special occasions such as birthdays, anniversaries, and Valentine's Day or to celebrate personal moments Joseph would write rhymed and metered love poems and life poems to his beautiful bride. The collection of poetry became a memoir, a window into their courtship over the years. As we approach our fiftieth wedding anniversary we have gathered this collection into this book *Poems of Love: Life Our Courtship in Rhyme* and we are happy to share it with you, the reader. If it happened to us, it can happen to you at any time and at any age.

The Burning Flame of Love Jean Maalouf, 2017-08-17 Nothing is neither fuller nor better in heaven and earth. Every authentic love story is in its essence a journey toward God and every time we truly love we unveil the face of God because God is love. 1 John 4:16. No wonder Thomas Kempis affirmed that nothing is sweeter than love, nothing stronger, nothing higher, nothing wider, nothing more pleasant, nothing fuller nor better in heaven and earth because love is born of God and cannot rest but in God above all things. But if it is so, why in the world do we find ourselves very often dissatisfied with our love life and why do we have so many dysfunctional relationships with our families, neighbors, and others? Why do we seem to love to hate each other and make enemies rather than friends, not only with individuals and groups but also with other nations as well? What is missing from our earthly love? What has happened to love? To these questions and to many more Dr. Maalouf, whose focus is one of gentle revolution in human development, as leading critics said when describing his prolific works, is suggesting here a different way of seeing the reality of love. Although it is based on psychological, sociological, philosophical, and theological principles, this adopted way conveys the message through a poetic, contemplative, and mystical method in the style of Meister Eckhart and St. John of the Cross. This is not intended to be a comprehensive study on love but a fresh awakening to the existential, deeper, and richer level of consciousness of the living love for the love of one another. John 13:34 is not just a commodity for social arrangement but the evidence of our divine origin and destiny and the critical condition for our very survival. Thus a book like this should be read meditatively, the way one listens to a great symphony or perceives a masterpiece in an art museum and comprehensively for it is not just the total sum of its paragraphs as a symphony and a painting are not the total sum of their different notes and colors. Then wonder of wonders, one will realize that there is nothing more mysterious, more magical, more life-changing than love. It is indeed the

philosophers stone that converts whatever it touches into a golden reality Then everything will start to make sense for nothingnot even all the money in the worldcan buy the strength and the happiness of a true loving heart **Through Eyes of Love** Katherine Arthur,1989 Through Eyes Of Love by Katherine Arthur released on May 25 1989 is available now for purchase *Appleton's Magazine* ,1908 *Walking the Path of Love* Joseph J. Mazzella,2010-06 Joseph Mazzella has been writing inspirational articles for newspapers and online for over 20 years He lives in the mountains of West Virginia with his daughter two sons four cats and five dogs Over the years he has worked as a busboy lumber mill worker teacher and mental health care worker His greatest joy however has been sharing the love learning experiences and wisdom that God has blessed him with over the years This book is meant to be a part of that Sharing *Sleep Walking and Moon Walking* J. Sadger,1920
