F. Sawyer, Dalia Shah, 2007-05 Dalia Shah was a European who converted to Islam Then she met and married an Arab European Moslem At first things went well but things changed Religious differences cultural problems and her husband s depression all hurt her marriage and their children This book tells of her early life and her dissatisfaction with Christianity in her home country We share her travels abroad as a young woman including a trip to Israel where she learned about Judaism We also learn of her early studies of Buddhism It was the Islam of the Koran that caught her though Except the Islam she thought she had joined is not that of the Koran Instead it is something skewed by people for very selfish ends It is especially hurtful for women Dalia reveals the secrets of the Marriage Contract which properly done gives the spouse ensured child property and divorce rights along with freedom of travel The events of 9 11 absolutely effected her marriage Her perspectives as a Christian born European Islamic woman to the War on Terror and the terrorists themselves are another very interesting part of Married To Islam Surprises abound here This is a book from which Christians Moslems and Jews can all gain a new understanding Any persons thinking of marrying an Islamic person should absolutely read this the Marriage Contract information alone makes it utterly worthwhile It was wonderful to work with Dalia To keep such a positive spirit after all she has endured sometimes I think she has the patience of a saint M F Sawyer Coauthor Reading this book I got to where I couldn t wait to find out what was going to happen next Rebecca McDonald
