Tracking the evolution of Hurley's work from his early solo shows to his later large cast plays and featuring an introduction by Scottish theatre critic Joyce McMillan this is an exciting collection showcasing one of the UK's most exciting creators of politically engaged theatre. The plays collected are *Hitch* 2010 a previously unpublished solo show about Hurley's hitchhiking trip to the 2009 G8 meeting in L'Aquila exploring the meaning of political protest *Beats* 2012 a coming of age story exploring the aftermath of the 1994 Criminal Justice Act outlawing rave. THERE'S A BAFFLING MYSTERY IN THE VILLAGE OF STEEPLE MARTIN BUT ACTRESS AND AMATEUR SLEUTH LIBBY SARJEANT IS ON THE CASE. The characters are so likeable I would love to visit the mythical Steeple Martin. GoodReads review Libby Sarjeant former actress and artist loves life in the idyllic English countryside. She's busy with her friends preparing a play for the pretty new Oast House Theatre in Steeple Martin when there's suddenly news of a baffling mystery the murder of a cast member. Written by Libby's friend Peter the play is based on real events from his family's history and it seems that these events still cast a long shadow in Steeple Martin. From the Pink Geranium restaurant to the Manor Farm Libby risks causing a scene as she uncovers secrets hidden in the village. Can Libby with best friend Fran and Sidney the cat in tow find the culprit and get her show on the road? The first book in Lesley Cookman's bestselling series featuring amateur sleuth Libby Sarjeant this unputdownable cozy crime novel is perfect for fans of Betty Rowlands Faith Martin J R Ellis LJ Ross Miss Marple and *Midsummer Murders*.

Praise for the bestselling series Cozy village mystery with an amateur theater and links to the past. What's not to love Goodreads reviewer Absolutely

fabulous read I couldn't put it down and had to finish it reading through bath breakfast and getting dressed Goodreads review I'm surprised this is not a BBC series it's that good and I for one intend to read more of Libby's adventures Goodreads review *The Literary World*, 1883 *The Lost Ticket* Freya Sampson, 2022-08-30 One of Amazon's Best Books of September Strangers on a London bus unite to help an elderly man find his missed love connection in the heartwarming new novel from the acclaimed author of *The Last Chance Library* When Libby Nicholls arrives in London brokenhearted and with her life in tatters the first person she meets on the bus is elderly Frank He tells her about the time in 1962 that he met a girl on the number 88 bus with beautiful red hair just like hers They made plans for a date at the National Gallery art museum but Frank lost the bus ticket with her number on it For the past sixty years he's ridden the same bus trying to find her but with no luck Libby is inspired to action and with the help of an unlikely companion she papers the bus route with posters advertising their search Libby begins to open her guarded heart to new friendships and a budding romance as her tightly controlled world expands But with Frank's dementia progressing quickly their chance of finding the girl on the 88 bus is slipping away More than anything Libby wants Frank to see his lost love one more time But their quest also shows Libby just how important it is to embrace her own chances for happiness before it's too late in a beautifully uplifting novel about how a shared common experience among strangers can transform lives in the most marvelous ways **Mining Commissioner's Cases, Ontario, 1906-1910** Samuel Price, 1910 **Mining Commissioner's cases. Mining and Lands Commissioner, 1910 **Lindsay Anderson** John Izod, Karl Magee, Kathryn Hannan, Isabelle Gourdin-Sangouard, 2019-01-04 In a long and varied career Lindsay Anderson made training films documentaries searing family dramas and blistering satires including *This Sporting Life* *O Lucky Man* and *Britannia Hospital* Students of British cinema and television from the 1950s to 1990s will find this book a valuable source of information about a director whose work came to public attention with *Free Cinema* but who unlike many of his peers in that movement did not take the Hollywood route to success What emerges is a strong feeling for the character of the man as well as for a remarkable career in British cinema The book will appeal to admirers researchers and students alike Making use of hitherto unseen original materials from Anderson's extensive personal and professional records it is most valuable as a study of how the films came about the production problems involved the collaborative input of others as well as the completed films promotion and reception It also offers a finely argued take on the whole issue of film authorship and achieves the rare feat of being academically authoritative whilst also being completely accessible It prompts renewed respect for the man and the artist and a desire to watch the films all over again

The Clothier and Furnisher, 1881 **Libby's Choice** Katharine E. Matchette, 1995 Would You Rather? Chris Higgins, 2011-03-03 Flick loves to play Would you Rather with her friends Daddy or chips Boyfriend or career Snog or marry Life is all about the choices you make and all around her Flick watches her family grapple with life altering decisions When

Flick's dad discovers that he's adopted so begins a mystery that leads him to a long lost secret at the very heart of their family one that leads back to a choice that was made many years ago and once uncovered will rock Flick's world My Mocassins Mary Honeybone, 2015-02-24 They say that fact is stranger than fiction This is a story of a girl who is brought up with very strict rules but then starts to question just how binding they are She finds the courage to put them to the test and in doing so goes through the believable and unbelievable consequences She loses everything and everyone in the process She rebuilds her life She gets through only to repeat the experience again In the light of some present political and religious fanaticism this book has a lot to offer about understanding the imposing of views on others and believing that there is only one belief and one way of thinking
