Looking At Lovemaking Constructions Of Sexuality In Roman Art 100 Bc Ad 25:

Looking at Lovemaking John R. Clarke, 2023-09-01 What did sex mean to the ancient Romans In this lavishly illustrated study John R Clarke investigates a rich assortment of Roman erotic art to answer this question and along the way he reveals a society quite different from our own Clarke reevaluates our understanding of Roman art and society in a study informed by recent gender and cultural studies and focusing for the first time on attitudes toward the erotic among both the Roman non elite and women This splendid volume is the first study of erotic art and sexuality to set these works many newly discovered and previously unpublished in their ancient context and the first to define the differences between modern and ancient concepts of sexuality using clear visual evidence Roman artists pictured a great range of human sexual activities far beyond those mentioned in classical literature including sex between men and women men and men women and women men and boys threesomes foursomes and more Roman citizens paid artists to decorate expensive objects such as silver and cameo glass with scenes of lovemaking Erotic works were created for and sold to a broad range of consumers from the elite to the very poor during a period spanning the first century B C through the mid third century of our era This erotic art was not hidden away but was displayed proudly in homes as signs of wealth and luxury In public spaces artists often depicted outrageous sexual acrobatics to make people laugh Looking at Lovemaking depicts a sophisticated pre Christian society that placed a high value on sexual pleasure and the art that represented it Clarke shows how this culture evolved within religious social and legal frameworks that were vastly different from our own and contributes an original and controversial chapter to the history of human sexuality

The Oxford Handbook of Roman Sculpture Elise A Friedland, Melanie Grunow Sobocinski, Elaine Gazda, 2015-01-02 The study of Roman sculpture has been an essential part of the disciplines of Art History and Classics since the eighteenth century Famous works like the Laoco n the Arch of Titus and the colossal portrait of Constantine are familiar to millions Again and again scholars have returned to sculpture to answer questions about Roman art society and history Indeed the field of Roman sculptural studies encompasses not only the full chronological range of the Roman world but also its expansive geography and a variety of artistic media formats sizes and functions Exciting new theories methods and approaches have transformed the specialized literature on the subject in recent decades Rather than creating another chronological catalogue of representative examples from various periods genres and settings The Oxford Handbook of Roman Sculpture synthesizes current best practices for studying this central medium of Roman art situating it within the larger fields of Art History Classical Archaeology and Roman Studies This comprehensive volume fills the gap between introductory textbooks and highly focused professional literature The Oxford Handbook of Roman Sculpture conveniently presents new technical scientific literary and theoretical approaches to the study of Roman sculpture in one reference volume while simultaneously complementing textbooks and other publications that present well known works in the corpus The contributors to this volume address metropolitan and provincial material from the early republican period

Art in the Lives of Ordinary Romans John R. Clarke, 2006-04-17 Art in the Lives of Ordinary Romans is superbly out of the ordinary John Clarke s significant and intriguing book takes stock of a half century of lively discourse on the art and culture of Rome s non elite patrons and viewers Its compelling case studies on religion work spectacle humor and burial in the monuments of Pompeii and Ostia which attempt to revise the theory of trickle down Roman art effectively refine our understanding of Rome s pluralistic society Ordinary Romans whether defined in imperialistic monuments or narrating their own stories through art in houses shops and tombs come to life in this stimulating work Diana E E Kleiner author of *Roman Sculpture* John R Clarke again addresses the neglected underside of Roman art in this original perceptive analysis of ordinary people as spectators consumers and patrons of art in the public and private spheres of their lives Clarke expands the boundaries of Roman art stressing the defining power of context in establishing Roman ways of seeing art And by challenging the dominance of the Roman elite in image making he demonstrates the constitutive importance of the ordinary viewing public in shaping Roman visual imagery as an instrument of self realization Richard Brilliant author of *Commentaries on Roman Art Visual Narratives and Gesture and Rank in Roman Art* John Clarke reveals compelling details of the tastes beliefs and biases that shaped ordinary Romans encounters with works of art both public monuments and private art they themselves produced or commissioned The author discusses an impressively wide range of material as he uses issues of patronage and archaeological context to reconstruct how workers women and slaves would have experienced works as diverse as the Ara Pacis of Augustus funerary decoration and tavern paintings at Pompeii Clarke s new perspective yields countless valuable insights about even the most familiar material Anthony Corbeill author of *Nature Embodied Gesture in Ancient Rome* How did ordinary Romans view official paintings glorifying emperors What did they intend to convey about themselves when they commissioned art And how did they use imagery in their own tombstones and houses These are among the questions John R Clarke answers in his

fascinating new book Charting a new approach to people's art Clarke investigates individual images for their functional connections and contexts broadening our understanding of the images themselves and of the life and culture of ordinary Romans This original and vital book will appeal to everyone who is interested in the visual arts moreover specialists will find in it a wealth of stimulating ideas for further study Paul Zanker author of *The Mask of Socrates The Image of the Intellectual in Antiquity* *Ancient Rome* Matthew Dillon, Lynda Garland, 2015-06-26 In this second edition *Ancient Rome* presents an extensive range of material from the early Republic to the death of Augustus with two new chapters on the Second Triumvirate and The Age of Augustus Dillon and Garland have also included more extensive late Republican and Augustan sources on social developments as well as further information on the Gold Age of Roman literature Providing comprehensive coverage of all important documents pertaining to the Roman Republic and the Augustan age *Ancient Rome* includes source material on political and military developments in the Roman Republic and Augustan age 509 BC AD 14 detailed chapters on social phenomena such as Roman religion slavery and freedmen women and the family and the public face of Rome clear precise translations of documents taken not only from historical sources but also from inscriptions laws and decrees epitaphs graffiti public speeches poetry private letters and drama concise up to date bibliographies and commentaries for each document and chapter a definitive collection of source material on the Roman Republic and early empire Students of ancient Rome and classical studies will find this new edition invaluable at all levels of study *An Obscure Portrait* Mati Meyer, 2007-12-31 Recent discussions on Byzantine art have been dominated by the question of representing realia Among these however the way works of art reflect the daily life of women have not received much space or attention The present book studies various images representing women's status and her performative tasks and their significance from the fourth century to the fall of the Empire through analysis of archaeological evidence and works of art It addresses a wide range of questions some pertaining both to pictorial traditions and to their late antique antecedents others peculiar to changing and evolving Byzantine culture and mentality The first chapter deals with the imagery of childbearing starting with conception and concluding with the care given to the new born and the mother The second chapter investigates motherhood imagery breastfeeding child care and child mother intimacy and the portrayal of women as caretakers and managers of the household preparing food bringing water carding and weaving or working side by side with their husbands The third chapter is dedicated to representations of women holding positions outside the house midwives maidservants wet nurses and mourners Images of women engaged in disreputable occupations dancers musicians prostitutes and courtesans complete this chapter The fourth chapter discusses images of women portrayed in the metaphorical margins looking out from the gynaikeion the women's apartments or at their private toilette it also deals with representations of women who stray from the societal mainstream concubines adulteresses women consenting to sexual acts or being coerced into them considered symbolically as belonging to the margins of society The book concludes with a discussion of the degree to which the visual material reliably

reflects reality and changing attitudes toward women between Late Antiquity and late Byzantium and further to what extent it reveals embedded perceptions and conceptions of women constructed by canonic regulations and imperial law popular beliefs and accepted customs The book aims to lift a veil from known and less known works of art and to present the rarely described picture of the daily life of women in Byzantine art over a very wide chronological span of time in an effort to expand our knowledge of women in Byzantium and their realia

Material Approaches to Roman Magic Adam Parker, Stuart McKie, 2018-04-30 This second volume in the new TRAC Themes in Roman Archaeology series seeks to push the research agendas of materiality and lived experience further into the study of Roman magic a field that has until recently lacked object focused analysis Building on the pioneering studies in Boschung and Bremmer's 2015 *Materiality of Magic* the editors of the present volume have collected contributions that showcase the value of richly detailed context specific explorations of the magical practices of the Roman world By concentrating primarily on the Imperial period and the western provinces the various contributions demonstrate very clearly the exceptional range of influences and possibilities open to individuals who sought to use magical rituals to affect their lives in these specific contexts something that would have been largely impossible in earlier periods of antiquity Contributions are presented from a range of museum professionals commercial archaeologists university academics and postgraduate students making a compelling case for strengthening lines of communication between these related areas of expertise

Masculinity and Dress in Roman Antiquity Kelly Olson, 2017-05-08 In *Masculinity and Dress in Roman Antiquity* Olson argues that clothing functioned as part of the process of communication by which elite male influence masculinity and sexuality were made known and acknowledged and furthermore that these concepts interconnected in socially significant ways This volume also sets out the details of masculine dress from literary and artistic evidence and the connection of clothing to rank status and ritual This is the first monograph in English to draw together the myriad evidence for male dress in the Roman world and examine it as evidence for men's self presentation status and social convention

The Autonomy of Pleasure James A. Steintrager, 2016-02-16 What would happen if pleasure were made the organizing principle

for social relations and sexual pleasure ruled over all Radical French libertines experimented clandestinely with this idea during the Enlightenment In explicit novels dialogues poems and engravings they wrenched pleasure free from religion and morality from politics aesthetics anatomy and finally reason itself and imagined how such a world would be desirable legitimate rapturous and potentially horrific Laying out the logic and willful illogic of radical libertinage this book ties the Enlightenment engagement with sexual license to the expansion of print empiricism the revival of skepticism the fashionable arts and lifestyles of the Ancien R gime and the rise and decline of absolutism It examines the consequences of imagining sexual pleasure as sovereign power and a law unto itself across a range of topics including sodomy the science of sexual difference political philosophy aesthetics and race It also analyzes the roots of radical claims for pleasure in earlier licentious satire and their echoes in appeals for sexual liberation in the 1960s and beyond

Sex, Knowledge, and Receptions of the Past Kate Fisher, Rebecca Langlands, 2015 Sex how should we do it when should we do it and with whom How should we talk about and represent sex what social institutions should regulate it and what are other people doing Throughout history human beings have searched for answers to such questions by turning to the past whether through archaeological studies of prehistoric sexual behaviour by reading Casanova s memoirs or as modern visitors on the British Museum LGBT trail In this ground breaking collection leading scholars show that claims about the past have been crucial in articulating sexual morals driving political legal and social change shaping individual identities and constructing and grounding knowledge about sex With its interdisciplinary perspective and its focus on the construction of knowledge the volume explores key methodological problems in the history of sexuality and is also an inspiration and a provocation to scholars working in related fields historians classicists Egyptologists and scholars of the Renaissance and of LGBT and gender studies inviting them to join a much needed interdisciplinary conversation

The Freedman in Roman Art and Art History Lauren Hackworth Petersen, 2011-09-19 In this study Lauren Petersen critically investigates the notion of freedman art in scholarship

Written in the Flesh Edward Shorter, Hannah Chair in the History of Medicine and Professor of Psychiatry Edward Shorter, 2005-01-01 Presents a history of sexual desire a provocative chronicle of the changing nature of what people yearn to do sexually This work demonstrates that desire is hardwired into the brain expressing itself in remarkably similar ways in men and women adolescent and adult and in gays lesbians and straights alike

Sex Acts in Early Modern Italy Allison Levy, 2017-07-05 Emphasizing the peculiar the perverse the clandestine and the scandalous this volume opens up a critical discourse on sexuality and visual culture in early modern Italy Contributors consider not just painted conventional representations of sexual activities and eroticized bodies but also images from print media drawings sculpted objects and painted ceramic jars In this way the volume presents an entirely new picture of Renaissance sexuality stripping away layers of misconceptions and manipulations to reveal an often misunderstood world Sex acts is interpreted broadly from the acting out or performing of one s or another s sex to sexual activity including what might be considered now or then peculiar

practices and preferences and a variety of possibly scandalous scenarios While the contributors come from a variety of disciplinary backgrounds this collection foregrounds the visual culture of early modern sexuality from representations of sex and sexualized bodies to material objects associated with sexual activities The picture presented here nuances our understanding of Renaissance sexuality as well as our own
