**Underground Girls of Kabul** Jenny Nordberg, 2015-07-14 An investigative journalist uncovers a hidden custom in Afghanistan that will transform your understanding of what it means to grow up as a girl An astonishingly clear picture of this resourceful if imperfect solution to the problem of girlhood in a society where women have few rights and overwhelming restrictions The Boston Globe In Afghanistan a culture ruled almost entirely by men the birth of a son is cause for celebration and the arrival of a daughter is often mourned as misfortune A bacha posh literally translated from Dari as dressed up like a boy is a third kind of child a girl temporarily raised as a boy and presented as such to the outside world Jenny Nordberg the reporter who broke the story of this phenomenon for the New York Times constructs a powerful and moving account of those secretly living on the other side of a deeply segregated society where women have almost no rights and little freedom The Underground Girls of Kabul is anchored by vivid characters who bring this remarkable story to life Azita a female parliamentarian who sees no other choice but to turn her fourth daughter Mehran into a boy Zahra the tomboy teenager who struggles with puberty and refuses her parents attempts to turn her back into a girl Shukria now a married mother of three after living for twenty years as a man and Nader who prays with Shahed the undercover female police officer as they both remain in male disguise as adults At the heart of this emotional narrative is a new perspective on the extreme sacrifices of Afghan women and girls against the violent backdrop of America's longest war Divided into four parts the book follows those born as the unwanted sex in Afghanistan but who live as the socially favored gender through childhood and puberty only to

later be forced into marriage and childbirth The Underground Girls of Kabul charts their dramatic life cycles while examining our own history and the parallels to subversive actions of people who live under oppression everywhere Afghanistan, Pakistan and Strategic Change Joachim Krause, Charles King Mallory, IV, 2014-01-03 The region encompassing Afghanistan and Pakistan Af Pak region is undergoing a fundamental strategic change This book analyses the nature of this strategic change in order to seek possible future scenarios and to examine policy options It also undertakes a critical review of the basic elements of the Western strategic approach towards dealing with regional conflicts in all parts of the world with special emphasis on the Af Pak region Dealing with the political developments in one of the most volatile regions in the world Afghanistan and Pakistan the volume focuses on Western strategic concerns The withdrawal of ISAF by 2014 will change the overall political setting and the work addresses the challenges that will result for Western policymakers thereafter It examines the cases of Afghanistan and Pakistan separately and also looks at the broader region and tries to identify different outcomes This book will be of much interest to students of Central and South Asian politics strategic studies foreign policy and security studies generally **The Afghan Campaign** Steven Pressfield, 2006-07-18 BONUS This eBook edition contains an excerpt from THE PROFESSION A Thriller by Steven Pressfield On sale June 2011 2 300 years ago an unbeaten army of the West invaded the homeland of a fierce Eastern tribal foe This is one soldier's story The bestselling novelist of ancient warfare returns with a riveting historical novel that recreates Alexander the Great's invasion of the Afghan kingdoms in 330 b c In a story that might have been ripped from today's combat dispatches Steven Pressfield brings to life the confrontation between an invading Western army and fierce Eastern warriors determined at all costs to defend their homeland Narrated by an infantryman in Alexander's army The Afghan Campaign explores the challenges both military and moral that Alexander and his soldiers face as they embark on a new type of war and are forced to adapt to the methods of a ruthless foe that employs terror and insurgent tactics An edge of your seat adventure The Afghan Campaign once again demonstrates Pressfield's profound understanding of the hopes and desperation of men in battle and of the historical realities that continue to influence our world The Afghan War of 1879-80 Howard Hensman, 2008 This text is a first hand account of the Afghan War by an embedded journalist Recounted in dramatic and unparalleled detail Hensman brings to life the bitter conflict of the Afghan Wars as only a man on the ground could do Afghan War of 1879-80 ... *Afghanistan: Minorities, conflict and the search for peace* Peter Marsden, 2001-11-01 The US led air strikes on Afghanistan that began on 7 October 2001 are only the latest episode in a conflict that has lasted 20 years This conflict has left Afghanistan's infrastructure devastated and its people at the bottom of the UN's Human Development Indices This new Report situates Afghanistan in its regional and international context It explains the political social religious and ethnic factors underlying the country's recent history debunking some of the simplistic and stereotyped views of the country and its population The Report also gives a detailed picture of the interaction between domestic conditions and foreign interests that

led to the rise and dominance of the Taliban It describes the impact of prolonged conflict on the people of Afghanistan and the way in which the conflict has become ethnicized It ends with a set of Recommendations to prevent the escalation or perpetuation of the conflict      *The Afghan War of 1879-80* Howard Hensman,2019-11-29 In *The Afghan War of 1879 80* Howard Hensman presents a meticulous chronicle of a tumultuous period defined by geopolitical conflict and imperial ambition Written in an accessible yet scholarly tone Hensman employs a blend of narrative and analytical prose to explore the complexities of British military engagements in Afghanistan during the Second Anglo Afghan War The text is enriched with firsthand accounts and critical insights that reflect not only the military strategies employed but also the socio political ramifications of the conflict positioning it within the broader context of Victorian imperialism Howard Hensman a keen observer and participant in the events he describes offers a unique perspective shaped by his firsthand experiences His background as a British soldier and journalist provides authority to his analyses as he deftly weaves together eyewitness testimonies and historical documents to construct a vivid portrayal of the war Hensman s insights into the motivations and challenges faced by both British forces and Afghan combatants illustrate the intricacies of colonial encounters making his work an essential contribution to the study of military history Readers interested in military history colonial studies or the dynamics of 19th century geopolitics will find *The Afghan War of 1879 80* to be an invaluable resource Hensman s thorough research and engaging narrative style invite readers to not only understand the historical events but to engage with the moral complexities of war and imperialism      **The Afghan's Knife** Robert Armitage Sterndale,1883      **The EU's Afghan Police Mission** Great Britain: Parliament: House of Lords: European Union Committee,2011-02-16 This report finds that the EU s Police Mission in Afghanistan risks failing in an area where the EU should be showing leadership The Committee found that the Afghan National Police force is in a dire state due to high attrition and illiteracy rates and corruption The mission must pay greater attention to the most basic of policing skills not least reading and writing if it is to succeed The EU is undertaking a vital task in Afghanistan but it must address the reasons why the mission is failing before it is too late Reasons include too few staff the small target of 400 people has never been met demonstrating lack of EU commitment and meaning that the mission cannot cover many important parts of the country the EU and NATO are not working together properly insufficient attention has been paid to the Afghan judiciary where there are problems of capacity and corruption levels which risk making police reform unproductive and seriously limiting prosecution levels The Committee is also concerned that the timetable for building up Afghanistan s ability to police itself does not coincide with the departure of foreign combat troops      **The Church Missionary Gleaner** ,1856      **The Church Missionary Gleaner 1858** Anonymous,2025-08-18 Reprint of the original first published in 1859 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage      *Church missionary gleaner [afterw.] C.M.S. gleaner [afterw.] The Church missionary outlook [afterw.] The*

The UK's foreign policy approach to Afghanistan and Pakistan Great Britain: Parliament: House of Commons: Foreign Affairs Committee, Richard Ottaway, 2011-03-02 In this report the Foreign Affairs Committee calls on the British Government to use its influence to persuade the US to engage more fully and swiftly with the process of political reconciliation in Afghanistan if the US wishes to disengage its forces there Although the current international emphasis favours intense military pressure aimed at defeating the insurgency it is clear that military pressure alone is not enough to bring security and stability to Afghanistan The evidence presented to the Committee has suggested that the current full scale and highly intensive ISAF counter insurgency campaign is not succeeding The Committee question the fundamental assumption that success in Afghanistan can be bought through a strategy of clear hold and build The distinction between al Qaeda and the Taliban is crucial to generating appropriate policy responses in Afghanistan The Committee says that despite the significant resources that have been invested in Afghanistan and the enduring wholehearted and admirable commitment and sacrifices of British personnel the UK has not yet achieved its stated goals There is also evidence that the core foreign policy justification for the UK's continued presence in Afghanistan namely that it is necessary in the interests of UK national security may have been achieved some time ago given the apparently limited strength of al Qaeda in Afghanistan The security rationale behind the UK Government's decision to announce the 2015 deadline for the unconditional withdrawal of UK combat forces remains unclear and there are a number of potential risks inherent in such an approach The Afghan Frontier George Campbell, 1879 George Campbell 1824-92 had a long career as an administrator in India where he first went in 1843 in the service of the East India Company He eventually rose to become lieutenant governor of Bengal 1871-74 Campbell wrote several books about India where he established a reputation as an administrator who while paternalistic and authoritarian was genuinely interested in the welfare of the Indian people Campbell left India in 1874 to return permanently to England He joined the Liberal Party and in 1875 was elected to Parliament as the member for Kirkcaldy The *Afghan Frontier* published in 1879 early in the Second Anglo Afghan War of 1878-80 is a short book containing Campbell's sweeping critique of the errors and inconsistencies that in his view marked British policy with regard to Afghanistan After a brief overview of the situation before the war the military and political situation in the spring of 1879 and the history geography and ethnography of the country Campbell presents his argument that the British should accept a compromise accord with the

new Afghan leader Abd al Rahman Khan and withdraw from the country Campbell's philosophy is summed up in the concluding sentences of the book I am myself all for economy peace and quiet at home and would only seek to hold India so long as we can do so without being forced into ambitious projects beyond the Indian border That was my view in 1849 and that is my view in 1879

**The Afghan War of 1879-80: Being a Complete Narrative of the Capture of Cabul, the Siege of Sherpur, the Battle of Ahmed Khel, the Brilliant March to Candahar, and the Defeat of Ayub Khan, with the Operations on the Helmund, and the Settlement with Abdur Rahman Khan** Howard Hensman, 2020-09-28

The Treaty of Gundamak had for its chief object the direct representation of the British Government at the Court of the Amir Yakub Khan and in pursuance of the terms of the Treaty Sir Louis Cavagnari K C B C S I was received at Cabul as Resident on July 24th 1879 Mr William Jenkyns of the Indian Civil Service accompanied him as secretary to the Mission An escort of twenty five sowars and fifty sepoy of the Guides Corps was the only means of protection at the Embassy's command implicit faith being placed in the Amir's promise to guard the lives of his guests Lieutenant Hamilton was in command of the escort and Dr Kelly surgeon of the Guides was the medical officer attached to the Mission Including servants and followers there were in all some 200 souls gathered in the Residency in the Bala Hissar from July 24th until the outbreak of the Herat regiments on the morning of September 3rd It would be out of place to describe at length the course of events which culminated in the Massacre but from the tone of Sir Louis Cavagnari's letters there can be no doubt the Amir was never anxious to carry out to the strict letter the terms of the Gundamak Treaty Taking the official diary sent weekly from Cabul to the Indian Government it appears that every outward honour was paid to the Embassy upon its arrival but that Yakub Khan was so suspicious of his Ministers and Nobles that he told off men to watch the Residency These spies furnished the names of all who visited Cavagnari without the Amir's knowledge Then came rumours of petty chiefs having been punished for their friendship to the British during the late campaign although one of the main points of the Treaty was directed against this very contingency The Amir always avoided reference to this subject and as Sir Louis Cavagnari could not obtain direct evidence of the amnesty clauses being departed from no redress could be obtained Apart from palace intrigues which are always rife in Cabul there seemed no direct element of discord at work in the capital until the troops from Herat reached Sherpur Cantonment on August 5th These regiments had not shared in the humiliation of the defeats suffered by the Cabul soldiery at Ali Musjid and the Peiwar Kotal they taunted their comrades in arms with cowardice and boasted of their own prowess and their turbulence soon assumed a dangerous form A ressalidar major of one of our cavalry regiments Nakshband Khan an old and tried soldier was spending his furlough at his village of Aoshahr two miles from Cabul and he seems first to have caught the alarm When the Herat regiments marched or rather swaggered through the streets of Cabul with bands playing many of the soldiers abused the Kafir elchi ambassador by name calling out to the populace Why has he come here and showing too clearly that their passions were dangerously excited Nakshband Khan learned from a fellow countryman in

the ranks that the soldiers had been ordered so to shout in the streets Full of this news he went to our Envoy and warned him of the coming storm Sir Louis Cavagnari was a man notorious for his disregard of personal danger he was brave to a fault and this turbulence among the Afghan soldiery scarcely shook his composure Never fear was the answer to the Rissaldar keep up your heart dogs that bark don t bite But these dogs do bite there is real danger urged Nakshband Khan The reply was characteristic of the man he had taken up his post and nothing could break down his determination to remain at all hazards he quietly said They can only kill the three or four of us here and our death will be avenged

**Operations in Afghanistan** Great Britain: Parliament: House of Commons: Defence Committee,2011-07-17 This report looks at operations in Afghanistan since 2006 and makes further recommendations for the anticipated draw down of forces UK Forces were deployed in Helmand Province in Afghanistan for three years from 2006 without the necessary personnel equipment or intelligence to succeed in their mission Mistakes were made as a result of a failure in military and political coordination The decision to move UK Armed Forces into the South of Afghanistan in early 2006 was not fully thought through The Committee is concerned that the MoD did not anticipate that the presence of the Armed Forces in Helmand might stir up a hornets nest especially as much of the intelligence was contradictory Senior military advisers should have drawn attention to the need for force levels to be sufficiently robust to cope with an unpredictable conflict The Committee is disturbed that the Secretary of State was told that commanders on the ground were content with the support they were being given in Helmand when clearly they were not After only a matter of months in Helmand the nature of the UK Mission changed with serious strategic implications The MoD did not respond quickly enough to changes in Taliban tactics The MoD should prioritise the protection of personnel The Government s room for manoeuvre regarding the number of troops that could be withdrawn from Afghanistan as part of an immediate transition is necessarily limited More emphasis needs to be placed on capacity building within the political system if long term success is to be achieved
