out of a major travelling exhibition for being overtly sexual a year later he publicly attacked Sydney artists and critics for having failed the test of integrity Finally in 1966 67 Brown became the only Australian artist to have been successfully prosecuted for obscenity Brown spent the last 28 years of his life in Melbourne where his reputation for radicalism and nonconformity was cemented with his multiplicity of styles exploration of themes of sexuality and transgressive commitment to the ideal of street art and graffiti Against a background of the counter culture and the social and political upheavals of the 1960s and 1970s Brown s art and remarkable life of personal and creative struggle is without parallel in Australian art
