Artificial Intelligence* Steven Spielberg 2001 Naremore offers provocative analyses of each of Kubrick's films considering his emphasis on the absurdity of combat as in *Paths of Glory* 1957 and *Full Metal Jacket* 1987 the failure of scientific reasoning as in *2001: A Space Odyssey* 1968 and the fascistic impulses in masculine sexuality as in *Dr. Strangelove* 1964 and *Eyes Wide Shut* 1999 He argues that while Kubrick was a voracious intellectual and a life long autodidact the fascination of his work has less to do with the ideas it espouses than with the emotions it evokes Combining close readings with new insights into the production histories and cultural contexts of key films Naremore provides a concise yet thorough discussion

that will be useful to students of Kubrick's filmmaking and cinephiles who seek a deeper insight into the work of this perfectionist genius Revised throughout this new edition also includes a fully updated bibliography of critical writings on Kubrick's cinema *Standard Novels* ,1844 *Century Illustrated Monthly Magazine ...* ,1921 *China's Millions* ,1922

Ghost of Tom Joad Robert Lee Maril,2002-09-01 In Oklahoma eighth poorest state in the nation poverty is a pressing social problem Even so Robert Lee Maril s Waltzing with the Ghost of Tom Joad is the first comprehensive analysis of poverty in the state Skillfully combining ethnography with statistical analysis Maril portrays the lives of poverty stricken Oklahomans many of them children minorities and the elderly Exploring myths about the poor and discussing the facts behind these myths Maril discusses the real causes of poverty in the state especially low wage labor He concludes by presenting a public policy agenda that would benefit the poor directly and in so doing improve the lives of all Oklahomans From the Foreword by Robert McCormick Why did my grandparents and many Oklahomans of their generation escape from poverty while many others did not The reasons are not clear Nor do we have easy explanations for those present day Oklahomans fighting the same struggle Robert Lee Maril s compelling account shows the plight of hundreds of thousands who remain poor even though conditions in the state have vastly improved Blaming the victim is not an option for intelligent and caring Oklahomans The question before

us today is what will we do as citizens to reduce the level of poverty in our state From my vantage point as someone who has fought for increased opportunities for Oklahomans I have seen a common thread that runs through story after story of individuals who make the move from poverty to prosperity that thread is access to and support for education Inherent inequalities in economic and family backgrounds often dissipate before doors that education routinely opens One wonders in reading Dr Maril s accounts of Oklahomans in poverty how different their stories might have been had someone cared enough to see to it that their underlying condition of poverty did not interfere with their opportunity to get an education
