Ninan,2018-09-12 Since there can be nothing outside of God the creation forms the body of God who appears in a person the Primal Person Adam Kadamon who has the body inclusive of all dimensions including material dimension I have tried to explain the existence of different types of angels as beings created by God in the various dimensions of creation which are the different organs of the Adam Kadamon Just as we have an infinite series of life forms on earth from Amoebae to Man in the material kingdom we should expect infinite variations life forms in other dimensions This will explain the various forms of angels Just as man is a being who is created with Divine dimension within I presume that there are angelic beings with similar or more complex Divine dimensional existence in all other planes These are therefore Sons of God Sons of God reflect God and are beings with free will which will explain the fall of the Angels and introduces the Demonology as part of Angelology      *Cross-Examination* Jordan Moar,2024-10-23 Mr Moar has put immense amounts of research into the question of whether or not God exists and His relationship with the Bible itself He provides a unique and apparently undebatable proof of the existence of the New Testament Trinity in the Old Testament itself Using various Scriptures and known history he provides excellent proofs of the fact that Christ s crucifixion had been prophesied literally centuries beforehand in several Scriptures He also uses the ancient Jewish Talmud and the similarly ancient Greek Magical Papyri to demonstrate a fact that is now well established among Jesus researchers that Christ was a magician so powerful that according to the Talmud He had been able to strongly influence the entire nation of Israel itself In addition Mr Moar provides a unique and very powerful proof of Christ s empty tomb at the time of His purported resurrection Finally Mr Moar uses his knowledge of psychology to show that you will probably be happier as a Christian than otherwise Thus reading Mr Moar s book can literally be a life changing experience
