with *The Ghost Ship* a sweeping historical epic of adventure on the high seas *The Barbary Coast 1621* A mysterious vessel floats silently on the water It is known only as the Ghost Ship For months it has hunted pirates to liberate those enslaved by corsairs manned by a courageous crew of mariners from Italy and France Holland and the Canary Islands But the bravest men on board are not who they seem And the stakes could not be higher If arrested they will be hanged for their crimes Can they survive the journey and escape their fate A sweeping and epic love story ranging from France in 1610 to Amsterdam and the Canary Islands in the 1620s *The Ghost Ship* is a thrilling novel of adventure and buccaneering love and revenge stolen fortunes and hidden secrets on the high seas *The Power and Patronage of Marguerite de Navarre* Barbara

Stephenson,2017-07-05 Although Marguerite de Navarre s unique position in sixteenth century France has long been acknowledged and she is one of the most studied women of the time until now no study has focused attention on Marguerite s political life Barbara Stephenson here fills the gap delineating Marguerite s formal political position and highlighting her actions as a figure with the opportunity to exercise power through both official and unofficial channels Through Marguerite s surviving correspondence Stephenson traces the various networks through which this French noblewoman exercised the power available to her to further the careers of political and religious clients as well as her struggle to protect the interests of her brother the king and those of her own family and household The analysis of Marguerite s activities sheds light on noble society as a whole *Mason* Patrick Ryan,2004-12 Set in the real world of modern day the first half of this work traces the journey to individual salvation It focuses on faith overcoming obstacles salvation treachery brutality through journeyman like adventures Mason and Samantha show their struggle to gain valor and integrity through transportation and geography loss of paradise and redemption in their journey to salvation It is the power of common man to triumph over environment and destiny The second half explores man s choices between duty to survive and crime Driven by bad luck and a difficult social system it focuses on weak morals opportunism money and greed Through the Bainbridge and Montgomery families we see two women who marry for money and push their husbands to commit murder or at least hasten death for money There is no genuine passion between spouses and children are used as pawns to dominate and control relationships Mason s social commentary in the second half of the novel shows that the optimism of wealth through a thousand indignities ends in an awareness of current social justice Those who allow their spiritual forces to control their being for self aggrandizement will end in tragic consequences while those who can reconcile intellect ambition and remain loyal to self and others are rewarded
