**Love Affair** Richey Novak PH.D., 2015-06-01 This is an essay about love one of the most powerful but elusive emotions in the human repertoire of feelings Only a fool would attempt to define it yet we all know what it is and whether or not it is at hand in a given situation The following is my attempt to delineate it in terms of my experience [The Dreyfus Affair in French Society and Politics](#) Eric Cahm, 2014-07-15 The Dreyfus affair remains one of the most famous miscarriages of justice in modern times Eric Cahm s study does justice to the human drama whilst also throwing light on the wider society and politics of the Third Republic in the traumatic years after the Franco Prussian War This wide ranging survey the only short modern account in English anchors the Affair in its full social and political context Organised round a narrative of events it offers portraits of all the main characters substantial extracts from key sources in fresh translations a comprehensive bibliography and a detailed chronology [Our Love Affair With Dance](#) Karen McKinlay Kurnaedy, 2022-01-04 The creation of this work is an invitation to step into the world of the dancer and vicariously experience the passion and motivation for the dance arts This book s focus centers on the power and spirituality of the dance told through the life stories of two dance artists Magda and Gertrud Hahn This work additionally invites the reader to celebrate the sublime and nuanced inner and outer experiences achieved through dancing Foremost in these pages you will accompany two sisters who faced many challenges throughout their lives but were sustained and inspired by their love of dance The Hanova School of Modern Studies in Body Sculpture and the Classical Dance occurred throughout the twentieth century on three continents around the world and may be largely forgotten but a record of the Hahn sisters lives may be seen as one of many important personal narratives to be

read in order to understand the history and formation of the modern dance we enjoy today      **The Love Affair as a Work of Art** Dan Hofstadter, 2015-01-27 This series of entwined biographical sketches recounts how in the Romantic Era love affairs often illicit were transformed into novels memoirs and published correspondences We make the intimate acquaintance of great writers like Mme de Sta l Chateaubriand George Sand and Anatole France who however fall gradually under the suspicion of pursuing their amorous entanglements for good material The tale ends with a moving account based on unpublished sources of the strange intense friendship of Marcel Proust and Jeanne Pouquet the girl who became the model for Gilberte in Swann s Way Disenchanted yet compassionate this book explores how our affections may be exalted and at times betrayed by our desire to refashion them as stories      The French Fetish from Chaucer to Shakespeare Deanne Williams, 2004-11-18 What was the impact of the Norman Conquest on the culture of medieval and early modern England Deanne Williams answers this question by contending that not only French language and literature but the idea of Frenchness itself produced England s literary and cultural identity Examining a variety of English representations of and responses to France and the French in the work of Chaucer Caxton Skelton Shakespeare and others this book shows how English literature emerged out of a simultaneous engagement with and resistance to the pervasive presence of French language and culture in England that was the legacy of the Norman Conquest Drawing upon theories of gender and postcoloniality this book revises traditional notions of English literary history by inserting France as a primary element in English self fashioning from Chaucer s Prioress to Shakespeare s Henry V      Dimensions of Love: Flatland, Laura Middleton, The Love-Affairs of the Condés (Flatland: A Romance of Many Dimensions by Edwin Abbott Abbott/ Laura Middleton; Her Brother and her Lover by Anonymous/ The love-affairs of the Condés (1530-1740) by H. Noel Williams) Edwin Abbott Abbott, Anonymous, H. Noel Williams, 2024-06-22 Book 1 Embark on a mind bending journey through mathematical dimensions with Flatland A Romance of Many Dimensions by Edwin Abbott Abbott Edwin Abbott Abbott s satirical novella takes readers to a two dimensional world inhabited by geometric shapes exploring societal hierarchy and challenging perceptions Prepare for a unique and thought provoking exploration of spatial dimensions and societal norms Book 2 Uncover the mysteries of love and family dynamics in Laura Middleton Her Brother and her Lover by Anonymous This anonymous work delves into the complexities of relationships weaving a tale that intertwines the lives of siblings and the nuances of love With a touch of mystery the narrative unfolds to reveal the intricacies of passion loyalty and familial bonds Book 3 Step into the captivating world of historical romance with The Love Affairs of the Cond s 1530 1740 by H Noel Williams H Noel Williams traces the love affairs of the Cond family over several centuries offering readers a glimpse into the passionate entanglements of one of France s noble houses This historical exploration combines romance and intrigue against the backdrop of political and societal upheavals      *The Romance of History* Scott L. Bills, E. Timothy Smith, 1997 A collection of articles and essays reflecting the varied professional interests of diplomatic historian Lawrence Kaplan Drawn largely from

Kaplan's former students now scholars in their own right there are also contributions from senior colleagues The Romance of an Elderly Poet Alexander Meyrick Broadley, 1913 The Danger of Romance Karen Sullivan, 2018-03-07 The curious paradox of romance is that throughout its history this genre has been dismissed as trivial and unintellectual yet people have never ceased to flock to it with enthusiasm and even fervor In contemporary contexts we devour popular romance and fantasy novels like *The Lord of the Rings* *Harry Potter* and *Game of Thrones* reference them in conversations and create online communities to expound passionately and intelligently upon their characters and worlds But romance is unrealistic critics say doing readers a disservice by not accurately representing human experiences It is considered by some to be a distraction from real literature a distraction from real life and little more Yet is it possible that romance is expressing a truth and a truth unrecognized by realist genres The Arthurian literature of the Middle Ages Karen Sullivan argues consistently ventriloquizes in its pages the criticisms that were being made of romance at the time and implicitly defends itself against those criticisms *The Danger of Romance* shows that the conviction that ordinary reality is the only reality is itself an assumption and one that can blind those who hold it to the extraordinary phenomena that exist around them It demonstrates that that which is rare ephemeral and inexplicable is no less real than that which is commonplace long lasting and easily accounted for If romance continues to appeal to audiences today whether in its Arthurian prototype or in its more recent incarnations it is because it confirms the perception or even the hope of a beauty and truth in the world that realist genres deny
