Unveiling Mysteries In Sexual Intercourse Timothy P. Ngwana, 2009-01-05 Sex education for long has been a taboo subject in our societies Most parents are always shy to give their children any little information they know about sexual intercourse Many schools give that which they know but in a wrong way Instead they somehow condone to students indulging in sexual intercourse as an adventure The church that could give the truth gives it poorly This lack of communication has given the enemy the opportunity to manipulate people through sex that leads to their doom I say lack of communication because despite the education many have acquired so far sexually related diseases and disasters have led and are still leading many people quickly to their graves and many married couples do not enjoy God's ordained purpose of sexual intercourse in their homes We cannot afford to ignore this knowing that sex is one of the fundamental issues of life Amongst the ten major stimulus of the body scientifically it has been proven that sexual drive is the greatest Due to too many sexual disasters in our societies today many people may ask why is it that God created sexual intercourse Let me tell you Any thing created by God is for the good of man but only becomes bad when misused Through this book I will attempt to wipe away indulgence in ignorance from you by unveiling God's purpose for sexual intercourse There is a mystery about sexual intercourse that many people have not yet known God says my people are destroyed for lack of knowledge Reading this book will clear that ignorance and you will not enter into sexual activities for the sake of adventure or experiment You will also know the consequences of wrong sexual relationships and the solutions to liberate yourself if you are in such bondages This book is a product of many years of experience and research

Naughty Girls and Gay Male Romance/Porn: Slash Fiction, Boys' Love Manga, and Other Works by Female "Cross-Voyeurs" in the U.S. Academic Discourses Carola Katharina Bauer, 2013-06-01 Despite the fact that there actually exists a large number of pornographic and romantic texts about male homosexuality consumed and produced by American women since the 1970s the abnormality of those female cross voyeurs is constantly underlined in U S popular and academic culture As the astonished public reactions in the face of a largely female heterosexual audience of Brokeback Mountain 2005 and Queer as Folk 2000 2005 have shown a woman's erotic romantic interest in male homosexuality is definitely not as accepted as its male counterpart men consuming lesbian porn In the academic publications on female cross voyeurs the application of double standards with regard to male female cross voyeurism is even more obvious As Karen Hellekson and Kristina Busse note in their Introduction to Fan Fiction and Fan Communities in the Internet 2006 slash fiction fan fiction about male homosexual relationships mainly produced and consumed by women has stood in the center of fan fiction studies so far despite being merely a subgenre of it The reason for this seems to be an urge to explain the underlying motivations for the fascination of women with m m romance or pornography within the academic discourse a trend which

differs completely from the extremely under theorized complex of men interested in lesbians It is this obvious influence of conventional gender stereotypes on the perception of these phenomena that provokes me to examine the way in which the works of female cross voyeurism and their consumers producers are conceptualized in the U S scholarly accounts In many ways this thesis explores unknown territories and respectively tries to take a closer look at academic problems that have not been adequately addressed yet
