Love And Evil:

The Passion of Love in the Summa Theologiae of Thomas Aquinas Daniel Joseph Gordon, 2023-05-19 This book is an introduction to three questions on love according to St Thomas Aquinas Summa Theologiae I II qq 26 28 These three questions reflect on the nature of love q 26 the causes of love q 27 and the effects of love q 28 It is thus an introduction to the entire phenomenon of love both as a bodily passion and an act of the will The purpose is to present the Thomistic and broadly scholastic account of human and divine love from a philosophical and theological perspective It aims to be a theological and philosophical study of the topic useful both for a graduate professional audience as part of an undergraduate or graduate course and perhaps for the educated reader The thesis of the book is that contrary to contemporary conceptions not all loves are created equal Some loves perfect us and some loves corrupt us The worth of a love depends on its object and end St Thomas thus presents an objective and teleological account of human and divine love that is of philosophical and theological interest The method is broadly exegetical presenting a careful reading of the text and supplying the philosophical and theological background which the text of Aquinas assumes The scope of the work is limited to three questions ST I II qq 26 28 References to interpretative disputes of Aquinas and references to further resources in the secondary literature will be mostly limited to the footnotes making the body of the text accessible to more readers Love and the Soul Robert Sardello, 2011-06-28 With economies in peril war in the Middle East genocides global warming and a host of other grim phenomena the world has never seemed so besieged The solution says Robert Sardello lies with the individual In this timely thoughtful book he explains how the soul can engage with the outer world to produce radical change Because we think of the world as a vast mechanism and behave as mechanical objects in it the results are devastation and dysfunction The key is to learn to identify with the plight of the Earth by developing a true sense of individual imagination and conscious awareness of inner purpose and beauty in conjunction with the soul of the world Sardello shows how to achieve this awareness and bring what is inside out into the world inspiring balance and stability Using the Grail legend and the myth of Sophia known as the Soul of the World as well as writings by Jung James Hillman and Rudolf Steiner Love and the Soul helps readers imagine a revitalized Earth by exploring the significance of grieving the transformative power of radical receptivity the creative power of dreaming and a new basis for community **Chapters XVII-XX** Emanuel Swedenborg, 1912 **The Philosophy of Parochialism** Radomir Konstantinovic, 2021-10-07 Available for the first time in English an essay with important insights on the sources of totalitarianism intolerance and racism **Love & Light** Clayton Tylor, 2017-05-20 This book examines Swedenborg's spiritual experiences of Heaven and Hell from an esoteric perspective as a feeling the language of angels and spirits To perceive this spiritual feeling begins the regeneration process that develops an inner perception of celestial love as spiritual light When we can perceive love and light as a feeling as it expresses through our physical senses we can start to affect our own psycho spiritual development to evolve from a sensual to a spiritual feeling of conjugal love As we examine

love and light as a spiritual feeling through heaven and hell we too begin to experience a deeper spiritual awareness which can initiate a personal communication with the Divine as a Conjugal Love experience With creative self expression as our goal we can take regeneration into our own hands to speed up our own evolution while we transmute the forces that block the spiritual feeling of the Brotherhood of Mankind and thereby together manifest the feeling of Heaven on Earth *The World's Best Essays* David Josiah Brewer,1900 **The Apocalypse Explained According to the Spiritual Sense** Emanuel Swedenborg,2024-08-25 Reprint of the original first published in 1840 *The Apocalypse Revealed* Emanuel Swedenborg,1791 **The Apocalypse Revealed, Wherein are Disclosed the Arcana There Foretold, Which Have Heretofore Remained Concealed** Emanuel Swedenborg,2024-03-18 Reprint of the original first published in 1875 **The Apocalypse, Or Book of Revelations, Explained According to the Spiritual Sense; in which are Revealed the Arcana which are There Predicted, and Have Been Hitherto Deeply Concealed. Translated Into English from a Latin Posthumous Work of ... Emanuel Swedenborg [by William Hill] and Revised by the Translator of the Arcana Cœlestia [i.e. John Clowes]. (To which is Subjoined a Summary Exposition of the Internal Sense of the Prophetical Books of the Word of the Old Testament, and of the Psalms of David.) goal is death why is torture necessary By understanding how and why mass violence occurs and the reasons for its variations The Macabresque aims to explain why so many seemingly normal or ordinary people participate in mass atrocity across cultures and why such egregious violence occurs repeatedly through history **The Wesleyan-Methodist Magazine** ,1882

Weaver,1892 *The Poem of Life* Jose Mendoza "The Gardener",2013-10 Dear Reader Life love and hope have a story and each story has an explanation The answer to the questions we might encounter in the journeys of our lives lies beneath the story behind the question This is the pattern to find a truthful explanation regarding anything in life This is a poetic self help book written by an ordinary gardener who came to America as a teenager searching for refuge and a better future When reaching his destiny he not only fulfilled his dream but also found something even greater that will bless our hearts The Poem of Life is life itself telling us its story and love itself teaching us how to love It is a forgotten treasure chest full of patterns to help us understand our complicated world It is one of the most intelligent insights into humanity The gift of life is to be a human being and our gift is even greater when we act like humans **God's Poetic and Creational Word** Joseph
