Bailey & Love's Essential Operations in Hepatobiliary and Pancreatic Surgery Ashley Dennison, Guy Maddern, Jia Fan, 2024-11-15 Bailey Love's Essential Operations in Hepatobiliary and Pancreatic Surgery provides step by step explanations of both the core operations and more complex procedures Written by acknowledged experts and trainers from around the world and with abundant diagrams and figures to explain the operative steps this new resource will enable hepatobiliary and pancreatic surgeons to increase their skills in this demanding and technically challenging field Over 70 easy to read chapters cover the entire range of HPB surgery Essential management principles and technical points are included preferred operative techniques are described and alternative options discussed The practice of HPB surgery requires familiarity and expertise with a wide range of technologies and these are described and integrated within the text The text is enhanced by clear colour images ensuring that best practice in HPB surgery is made clear and accessible for a global audience As surgical trainees around the world continue to be faced with the reduction in training time surgical skills need to be increasingly codified so that trainees can reach a high level of proficiency as quickly as possible This manual ensures that surgeons will be able to access the core information that they need quickly and with ease and in the process increase their clinical judgement their experience and their technical skills

Even Greater Mistakes Charlie Jane Anders, 2021-11-16 In her short story collection Even Greater Mistakes Charlie Jane Anders upends genre cliches and revitalizes classic tropes with heartfelt and pants wettingly funny social commentary The woman who can see all possible futures is dating the man who can see the one and only foreordained future A wildly popular slapstick filmmaker is drawn against his better judgment into working with a fascist militia against a background of social collapse Two friends must embark on an Epic Quest To Capture The Weapon That Threatens The Galaxy or else they'll never achieve their dream of opening a restaurant The stories in this collection by their very outrageousness achieve a heightened realism unlike any other Anders once again proves she is one of the strongest voices in modern science fiction the writer called by Andrew Sean Greer this generation's Le Guin At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
