Love And Kisses And A Halo Of Truffles Letters To Helen Evans Brown:

Love and Kisses and a Halo of Truffles James Beard, 2015-05-05 An intimate look into the kitchens and lives of two celebrated American food legends and friends Renowned culinary master James Beard and his dear friend chef Helen Evans Brown shared both a love of food and a keen insight into the changing palate of American diners In this twelve year bicoastal epistolary exchange of three hundred letters Beard and Brown offer not only tidbits of indispensable culinary guidance but also two fascinating perspectives on cooking Whether swapping recipes for dishes like chocolate crepes and roast duck trading descriptions of delicious meals or exchanging stories about their travels Beard and Brown bring their world to vivid life and their letters provide a unique snapshot of a culinary love affair that is guaranteed to delight epicureans of all stripes This charming conversation between two great food loving friends is both a historic gem and a heartwarming witty account of a deep and meaningful relationship that lasted a lifetime *The Man Who Ate Too Much* John Birdsall, 2020-10-06 A Finalist for the 2022 James Beard Foundation Cookbook Award Writing The definitive biography of America's best known and least understood food personality and the modern culinary landscape he shaped In the first portrait of James Beard in twenty five years John Birdsall accomplishes what no prior telling of Beard's life and work has done He looks beyond the public image of the Dean of American Cookery to give voice to the gourmet's complex queer life and in the process illuminates the history of American food in the twentieth century At a time when stuffy French restaurants and soulless Continental cuisine prevailed Beard invented something strange and new the notion of an American cuisine Informed by previously overlooked correspondence years of archival research and a close reading of everything Beard wrote this majestic biography traces the emergence of personality in American food while reckoning with the outwardly gregarious Beard's own need for love and connection arguing that Beard turned an unapologetic pursuit of pleasure into a new model for food authors and experts Born in Portland Oregon in 1903 Beard would journey from the pristine Pacific Coast to New York's Greenwich Village by way of gay undergrounds in London and Paris of the 1920s The failed actor turned Manhattan canap hawker turned author and cooking teacher was the jovial bachelor uncle presiding over America's kitchens for nearly four decades In the 1940s he hosted one of the first television cooking shows and by flouting the rules of publishing would end up crafting some of the most expressive cookbooks of the twentieth century with recipes and stories that laid the groundwork for how we cook and eat today In stirring novelistic detail *The Man Who Ate Too Much* brings to life a towering figure a man who still represents the best in eating and yet has never been fully understood until now This is biography of the highest order a book about the rise of America's food written by the celebrated writer who fills in Beard's life with the color and meaning earlier generations were afraid to examine **Manly Meals and Mom's Home Cooking** Jessamyn Neuhaus, 2012-03-15 A study of what American cookbooks from the 1790s to the 1960s can show us about gender roles food and culture of their time From the first edition of *The Fannie Farmer Cookbook* to the latest works by today's celebrity chefs cookbooks reflect more than just

passing culinary fads As historical artifacts they offer a unique perspective on the cultures that produced them In *Manly Meals and Mom s Home Cooking* Jessamyn Neuhaus offers a perceptive and piquant analysis of the tone and content of American cookbooks published between the 1790s and the 1960s adroitly uncovering the cultural assumptions and anxieties particularly about women and domesticity they contain Neuhaus s in depth survey of these cookbooks questions the supposedly straightforward lessons about food preparation they imparted While she finds that cookbooks aimed to make readers mainly white middle class women into effective modern age homemakers who saw joy not drudgery in their domestic tasks she notes that the phenomenal popularity of Peg Bracken s 1960 cookbook *The I Hate to Cook Book* attests to the limitations of this kind of indoctrination At the same time she explores the proliferation of bachelor cookbooks aimed at the man in the kitchen and the biases they display about male and female abilities tastes and responsibilities Neuhaus also addresses the impact of World War II rationing on homefront cuisine the introduction of new culinary technologies gourmet sensibilities and ethnic foods into American kitchens and developments in the cookbook industry since the 1960s More than a history of the cookbook *Manly Meals and Mom s Home Cooking* provides an absorbing and enlightening account of gender and food in modern America An engaging analysis Neuhaus provides a rich and well researched cultural history of American gender roles through her clever use of cookbooks Sarah Eppler Janda *History Reviews of New Books* With sound scholarship and a focus on prescriptive food literature *Manly Meals* makes an original and useful contribution to our understanding of how gender roles are institutionalized and perpetuated Warren Belasco senior editor of *The Oxford Encyclopedia of American Food and Drink* An excellent addition to the history of women s roles in America as well as to the history of cookbooks *Choice*
