The KARMIC CHARADE Adrian Gabriel Dumitru, Ugly events are always karmic and simple represent life lessons unfortunately too difficult to be digested I had times into my life when all was collapsing around myself All all I could not believe it I was living a non ending nightmare I was waking up and first thing i was doing was to ask myself what the hell is going to happen to me again Bottomline it was horrible And i could not stand it anymore But unfortunately i could not stop those ugly energetic waves around myself I was meditating asking myself why I was even praying saying God stop it Please I beg you I felt annoyed frustrated and even cursed but i could not see any way out of this I was in fact trapped into a storm of ugly energies which were ruining my soul On and on and on So i ve started to feel that i hate God for what was doing to me but i could not accept that all was actually a karmic storm having the purpose to remind me of all the stupid things i ve done into my past Today i see a friend of mine living such a scenario He s actually not a real friend but we have a good connection I see him living a similar scenario with what happened to me His businesses are collapsing He has huge legal problems He even lives with the impression that he is under the observation of the secret services All his life it s a nightmare But i also know his past and all the stupid things he had been done Which in fact are very similar with the mistakes i ve done Today he s annoyed frustrated and feel cursed Same as i ve felt He cannot handle anymore And i also see at him a very weird thing i was thinking too into my tough times He believes he was a good actor on the stage of life and even a positive character Seeing all like a total nonsense instead of understanding deeper his past i believe that speaking with the Universe he asks Why are you doing this to me God Why Why this charade But all it s actually a karmic charade A flux of extremely powerful energies looking like ugly events having the only purpose to destroy him I look at him and i smile I continue listening to him and i laugh And you might say that i am a bad person laughing of my friend Or that i am even evil But i am laughing not of him but of me Today i see in his story my own story and the way i was playing into those times I somehow start to understand the meaning of a karmic storm And i also understand their whole meaning Yes those powerful ugly energies destroy us but not the soul as we might believe No All it s actually destroying that ugly character i was interpreting and my friend was interpreting And we hated the Universe for that defining the karmic storm as a curse But it was a blessing So i continue laughing of my friend laughing in fact of how idiot i could be Cause i really thought the Infinite Intelligence lost its compass but us the humans were in fact doing that consciously and unconsciously by such a long long time *Beyond the Gilded Veil*
