## Love Devotion:

**Becoming Two in Love** Roland J. De Vries, 2013-07-25 This book draws Soren Kierkegaard and Luce Irigaray into conversation on the nature and ethics of sexual difference While these two initially seem like doubtful dialogue partners the conversation between them yields a rich and compelling account of intersubjectivity between man and woman an account that moves beyond the limited and tired debate over egalitarianism vs complementarianism Through engagement with Irigaray and Kierkegaard this book develops a constructive theological ethics of sexual difference that focuses on an epistemological and subjective gap that sets man and woman at a decisive distance from each other They are a mystery to each other Yet it is also an ethical framework that allows woman and man to encounter one another in ways that respect the independence subjectivity and becoming of each Above all this is a theological ethics of sexual difference that centers on Jesus Christ who is defined as the middle term in every relationship and whose love command defines the encounter between man and woman in difference

**Awakening Through Love** John Makransky, 2007-07-17 Mother Theresa The Dalai Lama Nelson Mandela Gandhi Some admire such figures from afar and think How special they are I could never be like that But as John Makransky teaches the power of real and enduring love lies within every one of us Awakening Through Love teaches how to enjoy a life imbued with that love through Buddhist methods for cultivating genuine caring and appreciation for others Makransky is a fully qualified guide to this practice a professor of Buddhism and Comparative Theology at Boston College and a father of two he is also a close student and colleague of Lama Surya Das who provides the foreword here Above all he radiates an earnest and genuine caring both in person and on the page Rooted in Buddhism s Dzogchen tradition Makransky asserts that love is part of the very nature of our being and that if we can clear away the delusions that obscure our true nature love will flow to and from us effortlessly Awakening Through Love imparts meditations for both gradual cultivation and direct insight Makransky also provides a uniquely convincing and moving presentation of the role of a teacher or benefactor in deepening our spiritual path Part of the brilliance of Awakening Through Love is that it finds what is universal in Buddhist ideas and practices and renders them usable for a general audience with many references to ways that Christians and others can adapt the methods to their own traditions Peppered with inspiring contemporary stories the book will leave readers feeling more open more inspired and more engaged

Valentines number one topic For me its a question of flat out prevention to heal the heart emotionally via a softening process designed to protect the precious pump Accumulation of blockage is what causes arterial malfunction Deprived of emotional oxygen our own hearts cannot dilate freely Regular exercise may prevent an attack and insure loves longevity Superman has nobody doesnt need a seat belt nor even a plane Are you flying solo Be a friend Find a lover No man is an island A centuries old someone pointed out Friendship doubles our joy and divides our grief When needed good friends give major doses of encouragement on short notice as do family supporters when trouble finds us A circle of wagons is a supreme conductor for immediate shelter against stray enemy arrows The John Wayne strong silent type I dont need anybody and men dont show love mentality isnt macho man but flat out stupid In this writers paraphrase Samuel Johnson admonished If a man does not renew his friendships and make new acquaintances he finds himself playing alone as he grows too soon old and too late smart One must keep friendships in constant repair Has your friendship grown distant worn thin been allowed to slip away Do a bit of friendship repair with a welcome oil change and a few new points and plugs Invite a friend or lover to do lunch Whatever it takes fix it Whatever it needs mend it Whenever it bleeds move on to a more worthy and willing recipient of your hearts affections An old Scottish proverb states He who ceases to be your friend never was a good one In other words with friends like you who needs enemies While youre at it start at home with your significant other Maintain this key friendship when it warrants home improvement Remember your mate reads you like a book which ought not be a mystery novel Perhaps you need to uncover the tinfoil to let her read the introduction and to truly reveal your heart by allowing her not just to scan but to study all its pages A woman who is allowed this look see inside her mates heart is the one who becomes and remains your life long best friend partner and home companion A Promise Keeper fueled by faith fired with compassion and true to God achieves unconditional passions for love of life love of wife of relatives and friends co workers and parishioners and has love to spare even for enemies So turn the other cheek The other kiss may be love saving To have a friend is to be one its the beginning of relationships that lead to loves paternal filial described as fraternal as in Philadelphia city of brotherly love and Eros even if the arrows point in alternate lifestyle directions and sex without love or marriage Agape love of course is the ultimate love of our Creator for his Creation leading to Eternal Love if you will that Father God promises His children To love one another as He loves us is not a request but a command from the Nurturer who furnishes the glue to make it stick Can you buy love Sure if youre shopping for a convenient kind tried and untrue You can only earn respect by modeling love It is o

**International Handbook of Love** Claude-Hélène Mayer, Elisabeth Vanderheiden, 2021-05-04 This handbook is the winner of the William B Gudykunst Award for Outstanding Book in 2023 given by the International Academy of Intercultural Research This handbook includes state of the art research on love in classical modern and postmodern perspectives It expands on previous literature and explores topics around love from new cultural intercultural and transcultural approaches and across disciplines It provides insights into various love concepts like romantic love agape and eros in their cultural

embeddedness and their changes and developments in specific cultural contexts It also includes discussions on postmodern aspects with regard to love and love relationships such as digitalisation globalisation and the fourth industrial revolution The handbook covers a vast range of topics in relation to love aging health special needs sexual preferences spiritual practice subcultures family and other relationships and so on The chapters look at love not only in terms of the universal concept and in private intimate relationships but apply a broad concept of love which can also for example be referred to in postmodern workplaces This volume is of interest to a wide readership including researchers practitioners and students of the social sciences humanities and behavioural sciences In the 1970s through the 90s I was told that globalization was homogenizing cultures into a worldwide monoculture This volume as risky and profound as the many adventures of love across our multiplying cultures are proves otherwise The authors revolutionary and courageous work will challenge our sensibilities and expand the boundaries of what we understand what love is But that s what love does It communicates what is offers what can be and pleads for what must be I know you ll enjoy this wonderful book as much as I do Jeffrey Ady Associate Professor retired Public Administration Program University of Hawaii at Manoa Founding Fellow International Academy for Intercultural Research The International Handbook of Love is far more than a traditional compendium It is a breath taking attempt to synthesize our anthropological and sociological knowledge on love It illuminates topics as diverse as Chinese love one night stands teen romance or love of leaders and many more This is a definitive reference in the field of love studies Eva Illouz author of The End of Love A sociology of Negative relationships Oxford University Press This is not a volume to be read in a single sitting though I almost did due to a protracted hospital stay nor is it romantic or inspirational reading though in some cases I had hoped for more narrative examples and case studies Rather it is a highly diverse scholarly effort a massive resource collection of research papers on love in a variety of contexts personal and professional settings and cultures The work is well referenced providing a large number of resources for deeper exploration We owe our thanks to the authors and editors of this handbook for work well done though that word in the title should not lead readers to suspect that enlightening as it is this book is a vade mecum or practical tour guide that provides ready solutions to the vicissitudes and challenges of our love lives Reviewed by Dr George F Simons on amazon com Please see Claude H l ne Mayer s interview related to the handbook in LeanHealth Talks published by Bernadette Bruckner <https://www.youtube.com/watch?v=VNXA9sWuWo> Please see Claude H l ne Mayer s interview related to the handbook published In Iran News Daily <https://newspaper.irandaily.ir/nid/6941/pid/6/type/0>
