Broken Water Paula Martin Morell,2004 Beautifully written with striking imagery broken water revolves around a mother Elizabeth and her 28 year old daughter Ellie Through the interweaving of their stories we see that Elizabeth sadly and tragically denies truth while Ellie is unable and sometimes unwilling to see all the things that would connect her to others and herself As the cycle progresses Ellie is slowly opening up to the possibility of these connections as she approaches her own truth her own rebirth The effects of these characters and their lives ripple throughout the stories affecting all of the family members on different levels Six of the ten stories have been published independently in literary journals and magazines Now the stories are brought together in the cycle the way that they were conceived and created While the stories resonate on their own in the cycle they now reverberate as they illuminate the characters themes and imagery on a whole new level
