Love From A Poetic Point Of View:

Love from a Poetic Point of View R. D. McManes, 2001 The poetry contained in these pages is written from the heart of a poet expressing eternal love for his beloved wife Is it mushy you ask You bet it is but if you are a romantic at heart and enjoy poetry than this book will definitely fit the bill A/AS Level English Literature A for AQA Student Book Russell Carey, Anne Fairhall, Tom Rank, 2015-11-12 Created specifically for the AQA A AS level English literature A specification for first teaching from 2015 this print student book is suitable for all abilities providing stretch opportunities for the more able and additional scaffolding for those who need it Helping bridge the gap between GCSE and A level the unique three part structure focuses on texts within a particular time period and supports students in interpreting texts and reflecting on how writers make meaning **Renaissance Rewritings** Helmut Pfeiffer, Irene Fantappiè, Tobias Roth, 2017-09-25 Rewriting is one of the most crucial but at the same time one of the most elusive concepts of literary scholarship In order to contribute to a further reassessment of such a notion this volume investigates a wide range of medieval and early modern literary transformations especially focusing on texts and contexts of Italian and French Renaissance literature The first section of the book Rewriting gathers essays which examine medieval and early modern rewritings while also pointing out the theoretical implications raised by such texts The second part Rewritings in Early Modern Literature collects contributions which account for different practices of rewriting in the Italian and French Renaissance for instance by analysing dynamics of repetition and duplication verbatim reproduction and free reworking textual production and authorial self fashioning alterity and identity replication and multiplication The volume strives at shedding light on the complexity of the relationship between early modern and ancient literature perfectly summed up in the motto written by Pietro Aretino in a letter to his friend the painter Giulio Romano in 1542 Essere modernamente antichi e anticamente moderni **The Variorum Edition of the Poetry of John Donne, Volume 4.2** John Donne, 2021-11-02 This volume the ninth in the series of The Variorum Edition of the Poetry of John Donne presents newly edited critical texts of 25 love lyrics Based on an exhaustive study of the manuscripts and printed editions in which these poems have appeared Volume 4 2 details the genealogical history of each poem accompanied by a thorough prose discussion as well as a General Textual Introduction of the Songs and Sonets collectively The volume also presents a comprehensive digest of the commentary on these Songs and Sonets from Donne s time through 1999 Arranged chronologically within sections the material for each poem is organized under various headings that complement the volume s companions Volume 4 1 and Volume 4 3 Love's Shadow Paul A. Bové, 2021-01-12 A case for literary critics and other humanists to stop wallowing in their aestheticized helplessness and instead turn to poetry comedy and love Literary criticism is an agent of despair and its poster child is Walter Benjamin Critics have spent decades stewing in his melancholy What if instead we dared to love poetry to choose comedy over Hamlet s tragedy or to pursue romance over Benjamin s suicide on the edge of France of Europe and of civilization itself Paul A Bov challenges young lit critters to throw away their shades and

let the sun shine in Love's Shadow is his three step manifesto for a new literary criticism that risks sentimentality and melodrama and eschews self consciousness The first step is to choose poetry There has been since the time of Plato a battle between philosophy and poetry Philosophy has championed misogyny while poetry has championed women like Shakespeare's Rosalind Philosophy is ever so stringent try instead the sober cheerfulness of Wallace Stevens Bov's second step is to choose the essay He praises Benjamin's great friend and sometime antagonist Theodor Adorno who gloried in writing essays not dissertations and treatises The third step is to choose love If you want a Baroque hero make that hero Rembrandt who brought lovers to life in his paintings Putting aside passivity and cynicism would amount to a revolution in literary studies Bov seeks nothing less and he has a program for achieving it
