Love Genie:

The Love Genie Joanne Webster, 1982-06-01 Jennie Rainbird learns that having a genie grant her every wish can make life too complicated

BILDERFARBEN Frank Luger, 2019-07-23 Bilderfarben German lit Picturescolors is three science fiction novels in one volume The first book starts with Dr Dross at the point of suicide when a mysterious woman Genie Captain of a starship takes him on a cosmic voyage to the limits of the Universe Then they visit the origins of most religions devoid of all myths and legends using time travel An ideology Mirism is proposed so that Man may peacefully evolve into the Cosmic Era The second book continues with turning theory into practice and establish Mirism as a reliable and valid guide with which to resolve conflicts create a world government etc The third book takes a look using time travel at the future to see the Mirist evolution of Mankind into the Cosmic Era Dr Dross now Dr Mir marries his young Arab doctor and they have a son The stories in all three volumes are interspersed with many humorous dialogues and sexy adventures Dr Mir dies and his ashes are scattered in the garden of the hospital where he was born

Love's Paradise Celeste O. Norfleet, 2011-10-18 For historian Sheri Summers Crescent Island is an unspoiled treasure and she hopes to keep it that way If it means shutting down a new beachfront project that could destroy the historic site so be it Sheri can deal with developer Jordan Hamilton's anger But what she doesn't count on is their combustible chemistry P 4 of cover

Surprise Me! Nancy Goodman, 2012-02-13 After all the books I've come across on the subject of dieting I was surprised to find that Nancy Goodman's *Surprise Me* actually opened up some new perspectives for me on the subject of emotional eating This entertaining story combines the thought provoking insights of a self help book with the funny unpredictable characters and situations of a popular novel Diane Tyrrel bestselling author of *THE INN AT HALF MOON BAY* How can a girl figure out if she's choosing the right man to marry Can a craving for food be part of a clue that leads her to her truth Could the unhappy events and fears from her past be a set up for the ultimate surprise party And What if pain was not the curse but the course At *Surprise Enterprise* Genie Burns masterminds off the wall surprise parties in nobody would suspect it locations Here she takes crazy risks but it's all within her plan and under her control Along comes Jeff They slip into a passionate love where she loses all control Meanwhile *Surprise Enterprise* has just been contracted to throw a surprise party wedding by a client who prefers not to reveal his identity As Genie works to get his bride down the aisle her own life begins to take turns Is Jeff the one because he challenges Genie to heal the wounds from her past Or is he the wrong one because he repeats them We'll find out in the end and not a moment before because what's real in life screams *Surprise* If you liked Emily Giffin's *SOMETHING BORROWED* you'll love *SURPRISE ME*

Love's Potion Jackson King Jackson, Monica Jackson, 2005 English professor Kofi Washington prefers sonnets to spells making a living with her teaching talents instead of the supernatural ones she inherited from her mother but when her pregnant unmarried cousin begs Kofi to make handsome medical resident Jaquan Taylor fall in love with her Kofi reluctantly agrees only to be faced with a bewitchment gone disastrously awry Kofi is

determined to make things right despite the fact that Jaquan's honesty is sparking her deepest passions Re-Start Suresh G, The world was always a beautiful place to live in This saying is speculated by the lives other than that of the humans A thought about the world being turned into a materialistic one created solely for the benefit of humans alone for them to love live and perish in glory Every country city culture or kingdom in their pinnacle of decadence there emerges a factor that wipes out all that was affected in due course the factor in itself and paves way for the good kind and the righteous to take over the future Similarly a situation arises when the other lives realize that the world has to be reinstated and there could be a fresh start in order to establish a free and happier world for everyone The book is a work of fantasy fiction from the eyes of the lives other than the humans depicting decadence and the rise of a noble kingdom that served well to all *Simply Synopsis* Michelle Somers,2017-12-06 A step by step guide for crafting a standout synopsis With special focus on romance learn how to construct an engaging and fresh synopsis that contains all vital information while hooking the reader maintaining tension and emotion The Simply Synopsis strategy will help analyze your story allowing you to extract the key elements to include whilst guiding you on how to determine what plot points and events to leave out It helps formulate the building blocks of the synopsis the orientation the major turning points the resolution and the conclusion and then demonstrates how to structure these paragraphs before piecing them together in a way that is engaging and exciting for the reader It covers tone vocabulary point of view and pacing It looks at backstory how and where does this fit into a synopsis Secondary characters and secondary plots yes or no World building how much is enough The Simply Synopsis strategy is simple and straightforward a step by step process that makes the daunting task of synopsis creation much less daunting

Her Two Wishes: MMF Bisexual Romance A. Anders,Alex Anders,2019-08-27 A sheltered princess meets a gorgeous bad boy and his irresistibly sexy best friend Love and heartbreak will cause heroes to rise While danger and tragedy turn friends to lovers in this epic soul mate romance that you won't put down until its HEA ending Jasmine has been having dreams In it a rippling god claims her innocent body and makes it his own That is only a dream however If she wants to be touched by a man in real life she would first have to escape the palace where her father the Sultan has forbid any man from looking her in the eyes But something is telling her that her first love lies beyond the palace walls How could she get there Everything would have to go exactly right Which means that her future would all come down to fate Aladdin hasn't been innocent in a long time Street smart and confident he has an all consuming secret he's attracted to guys That isn't the reason he saves a fellow street rat from being beaten But that is the reason Aladdin looks into the beautiful boy's grateful eyes and quivers for his lustful touch What will Aladdin do when he realizes that his beautiful boy is Jasmine in disguise Will he recognize her as his soul mate Or will the tragedy that tears them apart lead him into the arms of a loyal friend who would do anything to keep Aladdin safe With a powerful sorcerer willing to destroy the kingdom to keep the three separated Aladdin will have to make a sacrifice Will he choose Jasmine or his best friend Or will Jasmine with two wishes of her own come up

with a way for this love triangle to live happily ever after Adventurous days and steamy nights follow in Her Two Wishes an ultra high heat re imagining of a classic fairy tale This bisexual menage romance has twists and turns explicit MF MM and MMF scenes and a not to be missed HEA ending **A Knight This Way Cometh** Cissy Hassell,2008-02 A lively tale of one woman s romantic adventure as she is hurled into a medieval world of knights white chargers and castles then waking up with her very own knight in shining armor in tow hundreds of years in the past Or is she To what measures will a man go to win the heart of the woman he loves **Language and Cognition in Bilinguals and Multilinguals** Annette M.B. de Groot,2011-04-27 Psycholinguistics the field of science that examines the mental processes and knowledge structures involved in the acquisition comprehension and production of language had a strong monolingual orientation during the first four decades following its emergence around 1950 The awareness that a large part of mankind speaks more than one language that this may impact both on the way each individual language is used and on the thought processes of bilinguals and multilinguals and that consequently our theories on human linguistic ability and its role in non linguistic cognition are incomplete and perhaps false has led to a steep growth of studies on bilingualism and multilingualism since around 1995 This textbook introduces the reader to the field of study that examines language acquisition comprehension and production from the perspective of the bilingual and multilingual speaker It furthermore provides an introduction to studies that investigate the implications of being bilingual on various aspects of non linguistic cognition The major topics covered are the development of language in children growing up in a bilingual environment either from birth or relatively soon after late foreign language learning and word recognition sentence comprehension speech production and translation processes in bilinguals Furthermore the ability of bilinguals and multilinguals to generally produce language in the intended language is discussed as is the cognitive machinery that enables this Finally the consequences of bilingualism and multilingualism for non linguistic cognition and findings and views regarding the biological basis of bilingualism and multilingualism are presented The textbook s primary readership are students and researchers in Cognitive Psychology Linguistics and Applied Linguistics but teachers of language and translators and interpreters who wish to become better informed on the cognitive and biological basis of bilingualism and multilingualism will also benefit from it
