Elaine A. Robinson,2023-10-31 The first principle of ministry leadership is love love that emerges from life rooted in God We  
might have decent skills for leading a human institution or getting people involved in church but truly transformative  
ministry calls us to lead God s people into the depths of spiritual life those places where love is activated fully Before we can  
help others though we must first cultivate this love in ourselves In *Leading with Love* Elaine Robinson helps ministry  
professionals recognize that healthy leadership requires a deeper spirituality that enlivens us to move beyond rigid dualistic  
frameworks Only through life in Christ can we cope with and creatively address the challenges of ministry in an era  
characterized by a lack of trust in institutions and the anxieties of global pandemic political division and uncertainty about  
the future Robinson provides practical tools for cultivating spiritual practices that lead ministers into the world as agents of  
faith hope love and justice With its thematically targeted chapters and questions for reflection readers will finish Robinson s  
book feeling refreshed and equipped for the good work of love that lies ahead      *Defining Love* Thomas Jay Oord,2010-06-01  
Some scientific studies suggest that human beings are innately selfish and that Christian virtues like self sacrifice are a  
delusion In this intriguing volume esteemed theologian Thomas Jay Oord interprets the scientific research and responds from  
a theological and philosophical standpoint providing a state of the art overview of love and altruism studies He offers a  
definition of love that is scientifically theologically and philosophically adequate As Oord helps readers arrive at a clearer  
understanding of the definition recipients and forms of love he mounts a case for Christian agape and ultimately for a loving
