Love In The Time Of War A Remembering:

Love in a Time of War Lara Marlowe, 2021-10-28 The Irish Times bestseller A gripping tale of savagery and courage Noam Chomsky Fascinating and captivating Irish Times A beautiful book Full of pain and longing but also joy adventure and excitement Janine di Giovanni A superb account of the life and work of the best reporter I have ever known Patrick Cockburn When Lara Marlowe met Robert Fisk in 1983 in Damascus he was already a famous war correspondent She was a young American reporter who would become a renowned journalist in her own right For the next twenty years they were lovers husband and wife and friends occasionally angry and estranged from one another but ultimately reconciled They learned from each other and from the people in the ruined world they reported from Lebanon torn apart by a vicious civil war as well as Israeli and Syrian occupations Iran where they were the only journalists to interview the Middle East's chief hostage taker and dispatcher of suicide bombers the Islamist revolt that claimed up to 200 000 lives in Algeria the disintegration of former Yugoslavia and two US led wars on Iraq This is at once a portrait of a remarkable man the story of a Middle East broken by its own divisions and outside powers and a moving account of a relationship in dark times *Love in the Time of War* Harriette S. Sherman, 2000 Consists mainly of correspondence between husband and wife L and H Sherman with some correspondence between friends and family and editorial comment discussing hardships and happiness during the war years

Love in the Time of War Gordon Dykstra, 2025-04-09 In the middle of a deep depression two teenagers fell in love and against all odds planned a life together Just when the depression retreated somewhat and their plans could be realized they were swept aside by the dangers and cruelties of a world war The treacherous invasion of the Netherlands by the armed forces of Nazi Germany in 1945 wrecked their plans for a peaceful life Instead their plans were thrown asunder and their lives were taken up in the maelstrom of the resistance to Nazi rule In spite of hopeless times the young couple persevered They married and started a family in the bleakest of times They resisted a dominant autocratic occupation They suffered the loss of two brothers at the hands of treacherous fellow countrymen who did the bidding of the Nazi occupiers Yet the young couple's devotion to their faith to each other and to their fellow countrymen triumphed over five years of evil **The Divine Rebellion: How Civil War Poets Dared to Speak of Love** Pasquale De Marco, 2025-07-26 *The Divine Rebellion* How Civil War Poets Dared to Speak of Love is a groundbreaking exploration of the rich and diverse body of poetry that emerged from the American Civil War This book offers a unique perspective on the conflict examining the ways in which poets responded to the war's horrors and its triumphs its tragedies and its hopes Through the words of these poets we gain a deeper understanding of the Civil War experience from the soldier's perspective to the experiences of women African Americans and others on the home front We also explore the ways in which Civil War poetry continues to resonate with us today offering insights into our own struggles and aspirations as a nation From the soaring rhetoric of Walt Whitman to the poignant lyrics of Emily Dickinson from the powerful voices of Frederick Douglass and Harriet Beecher Stowe to the forgotten voices of

ordinary soldiers and civilians Civil War poetry offers a unique and invaluable window into one of the most tumultuous periods in American history This book is more than just a collection of poems it is a journey through the heart and soul of a nation at war It is a testament to the power of poetry to capture the human experience even in the darkest of times It is a celebration of the resilience of the American spirit and a reminder that even in the midst of war there is always hope The Divine Rebellion is essential reading for anyone interested in American history literature or the power of poetry to change the world It is a book that will stay with you long after you finish reading it If you like this book write a review

THE SAN FRANCISCO: A Love Story in a Time of War Florence Gold,2012-12-01 It was a time of war But it was also a time of exploration and excitement especially in San Francisco always one of the most romantic cities in the world Young couples separated by circumstances beyond their control relied upon V mail instead of E mail to communicate their passions Instead of Hip Hop there was the Hop House There and the USO were the places to go to dance flirt and maybe find a special sweetheart This universal love story by Florence Gold speaks of sweetness and sorrow alienation and forgiveness in a more innocent but no less perilous time in our world history

We Remember with Reverence and Love Hasia R Diner,2009-04-01 Winner of the 2009 National Jewish Book Award in American Jewish Studies Recipient of the 2010 Guggenheim Fellowship in Humanities Intellectual Cultural History It has become an accepted truth after World War II American Jews chose to be silent about the mass murder of millions of their European brothers and sisters at the hands of the Nazis In this compelling work Hasia R Diner shows the assumption of silence to be categorically false Uncovering a rich and incredibly varied trove of remembrances in song literature liturgy public display political activism and hundreds of other forms We Remember with Reverence and Love shows that publicly memorializing those who died in the Holocaust arose from a deep and powerful element of Jewish life in postwar America Not only does she marshal enough evidence to dismantle the idea of American Jewish forgetfulness she brings to life the moving and manifold ways that this widely diverse group paid tribute to the tragedy Diner also offers a compelling new perspective on the 1960s and its potent legacy by revealing how our typical understanding of the postwar years emerged from the cauldron of cultural divisions and campus battles a generation later The student activists and new Jews of the 1960s who in rebelling against the American Jewish world they had grown up in a world of remarkable affluence and broadening cultural possibilities created a flawed portrait of what their parents had or rather had not done in the postwar years This distorted legacy has been transformed by two generations of scholars writers rabbis and Jewish community leaders into a taken for granted truth

Time Enough for Love Robert A. Heinlein,1987-08-15 The capstone and crowning achievement of the Future History series from the New York Times bestselling Grand Master of Science Fiction Time Enough for Love follows Lazarus Long through a vast and magnificent timescape of centuries and worlds Heinlein s longest and most ambitious work it is the story

of a man so in love with Life that he refused to stop living it and so in love with Time that he became his own ancestor

War and Memory at the Time of the Fifth Crusade Megan Cassidy-Welch, 2019-07-01 In this book Megan Cassidy Welch challenges the notion that using memories of war to articulate and communicate collective identity is exclusively a modern phenomenon *War and Memory at the Time of the Fifth Crusade* explores how and why remembering war came to be culturally meaningful during the early thirteenth century By the 1200s discourses of crusading were deeply steeped in the language of memory crusaders understood themselves to be acting in remembrance of Christ's sacrifice and following in the footsteps of their ancestors At the same time the foundational narratives of the First Crusade began to be transformed by vernacular histories and the advent of crusading romance Examining how the Fifth Crusade was remembered and commemorated during its triumphs and immediately after its disastrous conclusion Cassidy Welch brings a nuanced perspective to the prevailing historiography on war memory showing that remembering war was significant and meaningful centuries before the advent of the nation state This thoughtful and novel study of the Fifth Crusade shows it to be a key moment in the history of remembering war and provides new insights into medieval communication It will be invaluable reading for scholars interested in the Fifth Crusade medieval war memory and the use of war memory **War and**

Remembrance Herman Wouk, 2010-01-30 A masterpiece of historical fiction and a journey of extraordinary riches New York Times Book Review *War and Remembrance* stands as perhaps the great novel of America's Greatest Generation These two classic works capture the tide of world events even as they unfold the compelling tale of a single American family drawn into the very center of the war's maelstrom The multimillion copy bestsellers that capture all the drama romance heroism and tragedy of the Second World War and that constitute Wouk's crowning achievement are available for the first time in trade paperback **LOVE IN WAR TIME** PEDRO ARTURO ROJAS ARENAS, 2023-07-14 Here is a reading of the Colombian and South American reality with its clashes over the application of methods and practices based on essentially materialist ideologies which occurred in the 50s 60s and 70s with the author Pedro Arturo Arenas experiencing many of the social challenges concepts and spirituality of that time *Love in times of war* offers a panoramic photograph of the transformations that took place in Latin America especially from the end of the 1950s onwards a period of great social changes and full of illusions many of which ended up dragging entire populations into especially youth to embark on a quest for collective justice but which in the end led to immense frustrations and tragic results in some countries The unrestricted exercise of doctrines and dogmas both on the left and on the right finally produced an increase in social and economic disparities evident in many parts stimulating and intensifying class struggles such as the emergence of resistance movements peasant and working class urban guerrillas and other forms of violence without achieving their goals Without adequately responding to the aspirations of collective justice such ideologies deepened the abyss between poverty and wealth producing even more greater apathy hopelessness and disillusionment in the hearts of the impoverished and anguished masses in countless parts of the planet

The search for a more just social order continued to lead Pedro Arenas through tortuous paths and intellectual clashes until after a long and arduous journey he found himself disenchanted with the political practice of members of supposed socialist organizations realizing then the limitations of ethical and spiritual nature of the cited movements especially in the daily interrelationships of the members of these organizations that in turn ignored or despised the evident religiosity of the Colombian peasants With the new possibilities a new world opened before his eyes when he reunited with his old friend Gabriel Branco through whom he learned about the Bah teachings Upon investigating the subject more deeply he was led to conclude that such teachings constituted an incomparable social and spiritual project of a magnitude never before imagined Leaving behind his past as a union and political activist Pedro Arturo was now seeking new horizons of understanding reaching the conclusion that social and political transformations are incomplete unless they advance concomitantly with a deep spiritual transformation and that the way to establish a new order in human affairs requires the use of new means and methods From those new teachings emerged the understanding that conflict resolution can take place through methods of consultation and dialogue that humanity cannot continue to be sacrificed for the maintenance of certain outdated postulates that the sole purpose of legal norms as well as political and economic theories is the protection of the common interests of all peoples that love for the homeland although legitimate needs to give way to a broader loyalty that is to love for humanity as a whole and as a consequence for the concept of world citizenship That all kinds of prejudices need to be abandoned that new institutions need to be erected that the recognition of ethnic climatic historical idiomatic and traditional diversity thoughts and customs can help to promote a broader loyalty a greater aspiration that contemplates the uniqueness of humanity that the maintenance of order can be sustained by a single code of international law by an Executive and a Parliament and a World Supreme Court that the Cause of Peace can be achieved through a binding treaty with inviolable and clearly defined clauses fruit of a broad global consensus Inspired by these principles and a clear vision Pedro Arenas rose to promote these teachings traveling and supporting local Bah activities and institutions in Colombia where he learned about the exciting experience and fieldwork of the Rural University FUNDAEC and the Ruh Institute Served as a Bah pioneer in El Salvador Central America during a period of great uncertainty and conflict between the army and the FFLN collaborated in activities to promote the Institute of Bah training in indigenous areas on the borders of Brazil Colombia and Peru as well as dedicated a brief period of his life in the archipelago of Cape Verde on the African coast and later now back to Brazil in the region of Northeast where he established himself as a Bah pioneer working as a professor linked to the Rio Grande do Norte State University Finally Pedro Arturo dedicates the last chapters and some accompanying texts to remembering relatives and friends both from the oldest and most recent times dedicating to them lines of recognition affection and high esteem all as a reflection and demonstration of his love and ample thanks to the Beloved of his heart Bah u ll h for guiding him and enabling him to reach a height of achievement and joy The whole story is told with the enthusiasm of one who was an active

protagonist and is testimony to the personal transformations experienced by the author under the influence of Bah u ll h s Revelation This young Colombian seeker like many others of his age and generation was galvanized by the overwhelming strength and foresight of the Bah teachings and still continues untiring in his efforts in the challenging task of contributing each in a humble way and according to his abilities in the construction of that new order advocated by Bah u ll h Forms of Prayers for Domestic and Private Use in Time of War William Charles Edmund Newbolt,1914 R.O.E Hate & Love Remi Okwu Esho,2017-11-13 Roe was a boy that was living with the rule of his country a rule that was his father a rule that lost his life fighting for his country As Roe lost his family was slavered by orcs orc that took of him orc that took him as slave orc that training him to defend himself Roe was in the middle of war until for some reason the war was stop leaving the middle world in totally peace A peace that was Roe chance to win his freedom again back a freedom that only was given once a hundred years Roe that was only was thirteen years old only Roe that was as the weaker Roe that was trained by the orc and supernatural human demons and orc that were fear through the underworld and the middle world **Love, War, and Betrayal** Margaret McCulloch,2014-07-02 Ernie Tennyson a southern Georgia farm boy is on the verge of becoming a mana dangerous time for a teenager in 1967 Before he knows it he has been drafted and is on his way to serve his country in Vietnam On his first mission he is brutally stabbed by the Viet Cong and left to die in the jungle where a young woman named Anna Ming finds him and rescues him Despite her best efforts to conceal his presence and their growing love from her father Ernie is captured by the North Vietnamese and imprisoned His time in the camp is so traumatic that he returns home to the United States a profoundly wounded man Stripped of his memory the soldier fights to readjust to civilian life Promised to another man Anna Ming must now conceal another secret the baby she carries Her enraged father sends her to China where she gives birth to a stillborn baby girl When Anna finally reaches Ernie by phone he doesnt know who she is Ernie is further confused when a Vietnamese woman named Laquan shows up and claims she is his wife forming an unwelcome presence in his life After a tragic accident brings his memory back he sends the romantic imposter back to Vietnam and tries to find Anna Shortly after Annas father tells Ernie that she is dead the old man is murdered With the help of Annas grandmother can Ernie solve the murder and finally marry the woman he loves Faith and Love in the Midst of War Jimmy R. Hammond MSCJ-PA,2021-10-22 This book was written as a form of therapy to help recover from combat related stress and post traumatic stress The poems are raw expressions of the feelings from seeing the unromantic side of war while learning to walk in faith with the love of my wife Mary *Remember Love* Ellen C. Edson,2009-11-02 Thirty year old April Chambers lived in Seattle Washington She missed her husband James a World War II flyer He had to keep his flights secret even from her A phone call from Dallas Texas changed their lives forever It gave them the news that they had become instant parents of a beautiful young girl However because of a severe vehicular accident this teen ager was recovering from a coma broken bones and lost memories Soon Aprils new daughter became the focus of her life The girls intelligence maturity and zest for

living gradually renewed April's faith in humanity This then is a story of love belief in God or not hardships and a sin that left a blot on April's perfect marriage A recurring dream alarmed April almost as much as the earth shaking news of casualties around the world She nervously watched as this country pulled together to end a war that took a tremendous toll on her and the lives of the strongest men and women in the nation **LOVE AND WAR** Peg Sutherland,2013-10-01 Magdalena Murphy and Clarence Stirling almost got married fifty years ago but one of them left the other stranded at the altar The rest was history The Murphys and the Stirlings were at war Two generations later Sandy Murphy and Drew Stirling just naturally locked horns when they were thrown together over a yogurt campaign which prompted a renewed debate in Tyler over the wedding that never was They were destined to feud it seemed and to love just as passionately as their kin But would they at least make it to the altar **No One Has More Love Than This...** Warren Robinson,2020-02-11 The book is an eyewitness account of the ordinary soldier's experience fighting a determined enemy in a hostile environment far from home while being dishonored and disrespected back home This was a war none of these brave young men wished to fight but they learned to love and rely on each other in a way known only to the combat veteran No one could have imagined these seemingly boyish kids could be motivated to the heights of courage and valor for no other reason than to come to the aid of a comrade in need
