My Amazing Journey with Koko A Love Story Rosemary J. Campobasso,2019-06-02 There were two souls in the universe waiting to be united One individual was in Rhode Island and the other was in Massachusetts One was a tiny toy poodle and the other was a compassionate human being Both were struggling with challenges in their lives before the union Neither one knew they were going to meet someday The human being had a vision to the universe to find a toy poodle Perhaps the tiny poodle also had a vision to the universe to find a loving home The tiny poodle was a scrubby stray found on a hot day under a

car with hair so long and badly matted he could not even move He weighed three pounds The human read about the tiny poodle and went to the shelter where they cleaned him up so well that he looked so beautiful Five people were interviewed but the compassionate human was the lucky one chosen or they were lucky to find each other They brought each other peace comfort and love in a true loving bond It was meant to be They awakened each other s souls and had such an amazing journey together that will touch your heart
