Congress. House. Select Committee on Children, Youth, and Families, 1986 **Positive Parenting for Bipolar Kids** Mary Ann McDonnell, Janet Wozniak, 2009-06-23 The Definitive Resource on How to Identify Treat and Thrive with a Bipolar Child More than three million American children suffer from some form of bipolar disorder a life impairing illness that can cause wild mood swings and even episodes of rage But as a parent can you tell the difference between a temperamental moody child and one facing serious mental illness Where do you turn if your child's tantrums and meltdowns are wreaking havoc For families as well as professionals here is the only book on early onset bipolar disorder written by pediatric specialists who combine clinical care and research Drawing from their professional experience and sharing stories of families in their practices child psychiatrist Janet Wozniak and psychiatric nurse Mary Ann McDonnell guide you in how to Navigate the diagnosis tangle to ensure accurate identification of the disorder Communicate effectively with doctors teachers and counselors Find allies and choose a treatment team Help your family cope From medication to coping strategies this accessible book offers the most up to date information as well as inspiration encouragement and invaluable wisdom for all involved The Smart Love Parent Martha Heineman Pieper, William Joseph Pieper, 2005 Should you feed your baby whenever she wants or put her on a schedule Do you impose consequences on children who don't do their homework or clean up their room or do you help them with chores and homework Should you respond to the difficult adolescent with tender love or tough love Parents are faced every day with a multitude of decisions and they worry about making the right choices The Smart Love Parent offers a breakthrough method to parenting created and tested by the husband and wife team of Dr Martha Heineman Pieper and Dr William J Pieper The

Piepers offer a new understanding of the entire sweep of child development allowing you to view the process of growing up through your child's eyes. Their patient and caring approach avoids the extremes of permissiveness and of the old reward and punishment style of parenting that turns parents into disciplinarians. By offering a relaxed and realistic timetable for your child's development they identify some previously unrecognized developmental milestones and show you how to help your child reach them through guiding not punishing. If you understand your child's point of view you can better know how to love her and how to respond to her actions. The Smart Love Parent helps parents cultivate a child's inner happiness which is the best means of ensuring your child will grow up well behaved, responsible, self-confident and able to reach his or her fullest potential. Cognitive and Rational-Emotive Behavior Therapy with Couples Ann Vernon, 2012-12-09 The book addresses the problems that couples experience through the life cycle. Each chapter includes an up to date review of the literature pertinent to the topic with a focus on practical interventions which are generally based upon but not limited to cognitive and rational emotive behavioral principles. Case studies or vignettes further illustrate application of principles. Worksheets, checklists or other resources that would be useful in working with couples are also included where relevant. This book presents interventions based upon research theory and most of all on practice. And is relevant to marriage and family therapists, mental health counselors, psychologists and psychiatrists, nurse practitioners, family law experts, social workers and relationship coaches. In addition it can serve as a textbook for students in marriage and family therapy.

Parenting and Child Development Abdul Khaleque, 2021-03-08 This research based book covers the core components of modern parenting and child development across multi ethnic and cross cultural contexts in Asia, Africa, Europe and North and South America with a focus on the United States. Parenting and Child Development Across Ethnicity and Culture is based on a cohesive framework that links physical, psychological, social, cognitive and emotional aspects of children's lives to their experiences of parental behavior. This book covers the fundamentals of parent child relationships including the theoretical perspective of parenting, positive and negative parenting behaviors and changing patterns of parenting from infancy through adolescence. Explored are parent child relationships and their implications for children's health, well being and quality of life in different family forms including parenting in drug addicted families, homeless families, cohabiting families, single parent families and LGBT families around the world. Using an array of theories with relevant empirical findings, the practical implications for child development both within the United States and across the globe are highlighted. Also included is specific information about tools and techniques for measuring intimate relationships and intervention strategies for relationship problems.

The Routledge International Handbook of Disability and Global Health Lieketseng Ned, Minerva Rivas Velarde, Satendra Singh, Leslie Swartz, Karen Soldatić, 2024-05-31 This handbook will raise awareness about the importance of health and well being of people with disabilities in the context of the global development agenda.
