Jean Maalouf

Love Is Not Blind:

Love is not blind Anuroop Sebastian,2019-02-15 Anuroop Sebastian explores the theme of e truee vs counterfeit or e fake e love and explains how the reader can identify the real thing by following the example of Jesus In John 2 24 Jesus rejects the praises of a certain group of people Their praises appear to be genuine but Jesus knows that they are simply flattering Him Yet when Mary pours expensive perfume on His feet he accepts her love John 12 1 8 Jesus had the ability to discern the true nature of others by listening to their hearts instead of listening to their words or following their actions The author will show how the Bible gives readers the wisdom to recognize their true friends and safeguard themselves from toxic relationships

LOVE, SEX, AND STUPIDITY Edward Esiri Company,2024-02-12 There is no better way to present and explain the subject Love Sex Lust and Morality to young inquisitive minds than with true life stories especially of the five young people in this book whom I met at different periods in time many years ago and for the sake of their privacy I have intertwined their stories into one unfortunate teen party and the new girl that came to their school With the dialogue driven narrative style of each of the stories of our five friends NGOZI SARAH ALEX TIMOTHY and BISI every reader will be able to connect with the characters and their emotions Through their journeys we explore the themes of temptation morality abusive toxic relationships rebellion and the consequences of our actions Their stories also serve as a reminder that even in the face of darkness there is hope WE SHALL ALSO LEARN THE TRUTH AND ANSWER TO QUESTIONS LIKE What signs show that I am in lust and not in love Is love more than just a feeling Does Pornography affect the mind Condoms do they really work STDs how do they operate What are the signs of a toxic abusive relationship and so much more *Love Is . . .* Les and Leslie Parrott,2009-12-15 For those who want to grow in the art of loving well Reflections on 1 Corinthians 13 featuring 16 different translations and paraphrases of the Bible s beloved Love Chapter The Love Hypothesis Rubleena Behera & Mayank Samantray, The Love Hypothesis is compiled by Rubleena Behera and Mayank Samantray which is among most of the enthusiastic anthology books ever outlined It visualizes the current morale love tales which is indeed a twist of the abomination It symbolizes the real nomination from a strange cross to an unstoppable passionate and realistic love story Objectives of this anthology is genuinely clear because The Love Hypothesis is made on the basis of limited evidences and facts as a starting point for further investigation of Love itself where facts end research starts One of the best proverbs in our history mentioned There is no difference between a wise man and a fool when they fall in love As it says no matter how much we are fond of being ourselves in the end when we are being fond of someone s presence who brings out our personality like a Five Years Old Kid Drop a hearty mention of our content to your stories tagging in Instagram wordsgenix_publication what s your apparent review about that topic or co author draft which might justify the same situation occurred with you or you want to clarify your feelings to your partner Let s find out different sites of our co authors draft **The Origin of**

Humanness in the Biology of Love Humberto Maturana Romesín, Gerda Verden-Zöller, 2012-02-21 The central concern of this book is us human beings The authors basic question is How is it that we can live in mutual care have ethical concerns and at the same time deny all that through the rational justification of aggression The authors answer this basic question indirectly by providing a look into the fundamentals of our biological constitution concentrating on what they term emotioning that is the flow of emotions in daily life that guides the flow of the systemic conservation of a manner of living Maturana and Verden Zöller claim that the fundamental emotion that gave rise to humans as sapient languaging beings was love and that this remains our fundament even when other emotions become socially prevalent On Love, Family, and the State:

Philosophical-sociological Essay Олег Арин / Алекс Бэттлер, 2021-07-08 The problems of love family and state are topics that are widely discussed both in the West and in Russia This essay however differs from all previous research work in that Alex Battler elevated the well known words love family and marriage to the level of concepts This enabled the author to correlate them to the conception of force and progress he had substantiated in the book *Dialectics of Force Ontology* and ultimately to define the regular connection between the destruction of marriage and the collapse of a state within the context of the law of entropy growth or the law of death *The Routledge Handbook of Phenomenology of Emotion* Thomas Szanto, Hilge Landweer, 2020-04-22

The emotions occupy a fundamental place in philosophy going back to Aristotle However the phenomenology of the emotions has until recently remained a relatively neglected topic The Routledge Handbook of Phenomenology of Emotion is an outstanding guide and reference source to this important and fascinating topic Comprising forty nine chapters by a team of international contributors this handbook covers the following topics historical perspectives including Brentano Husserl Sartre Levinas and Arendt contemporary debates including existential feelings situated affectivity embodiment art morality and feminism self directed and individual emotions including happiness grief self esteem and shame social emotions including sympathy aggressive emotions collective emotions and political emotions borderline cases of emotion including solidarity trust pain forgiveness and revenge Essential reading for students and researchers in philosophy studying phenomenology ethics moral psychology and philosophy of psychology The Routledge Handbook of Phenomenology of Emotion is also suitable for those in related disciplines such as religion sociology and anthropology

Awakening to the Power of Peace—Love—Joy—Gratitude Jean Maalouf, 2019-08-09 Humankind is at the present time reaching a critical point in history A disaster of apocalyptic proportions could erupt at any time I know not with what weapons World War III will be fought predicted Albert Einstein but World War IV will be fought with sticks and stones What we are to do in order to prevent such catastrophic events We are to change the way we think insists philosopher Maalouf We are to see people and things in different ways We are to see with God's eyes We are to witness the birth of a new consciousness For philosopher Jean Maalouf who holds two Ph D's and who has published more than forty books one needs to go beyond the symptoms he affirms and find the root causes of our crises His new book *Awakening to the Power of Peace*

Love Joy Gratitude goes straight to the very core of our crises and points the way to their solutions The truth is that the battlefield is not primarily on the land where people confront and kill each other The true battlefield is where decisions are made in the people s minds hearts and souls This is also where solutions should be found Dr Maalouf invites us to change the way we perceive reality so that a new way of living can emerge If we don t learn to love one another and to live together in peace we will continue to kill each other and we will perish together We are interconnected We are interdependent What we think about how we see things and what we say and do and the way we live our life matter greatly We ly all of us together we should live in peace love joy and gratitude
