had lived through the recent French Revolution and the Terror Imprisoned during the Revolution or branded as emigrés upon their return to Paris their mature adult lives were spent in the shadows of the Napoleonic wars in which they shifted political loyalties as the specter of Napoleon's powers grew from First Consul to Emperor of Europe The looming threat of war ignited the depths of their passions and inspired their intellectual analysis of love happiness and suicide Their evolving concept of love was a romantic all consuming passion which gripped the lovers in fatal embraces This book's analysis of their love letters and romantic novels reveals the emerging political landscape of the period through extended metaphors of love and patriotism

Fred & Nettie's Love Letters Suzanne Fister Levine, 2016-12-06 Creative non fiction based upon the romance actual love letters between two Kentuckians from 1900-1904 Before radio television and autos they carried on their romance separated by 100 miles a full day's round trip by train and not manageable by buggy or horseback Times and love were fraught with danger They faced deadly plagues putrid water systems horrific accidents violence murders and vicious political turmoil that included the assassinations of Kentucky Governor William Goebel and U S President William McKinley Women had no vote few rights and were blocked from many occupations Men were expected to be sole financial providers reliably smart brave and stable Life's choices thwarted dreams as both yearned for a bit of sweetness to make life bearable About the only reliable things they had were local daily newspapers and US Postal Service mail delivery 365 days a year 366 in leap years including Sundays and holidays Their letters engendered curiosity this book

The Love Letters of William and Mary Wordsworth William Wordsworth, Mary Wordsworth, 2009 The Love Letters of William and Mary Wordsworth collects 31 letters that William Wordsworth exchanged with his wife Mary during the early years of their marriage These letters fifteen from William to Mary and sixteen from her to him were written during William's absences from home in 1810 and 1812 and offer an entirely new way of looking at the poet and his married life Reproduced here with an informative introduction and headnotes by Beth Darlington that set each missive in biographical context the letters cover a wide range of topics village life Regency politics poetry and painting London gossip rural manners their five children domestic activities and family anecdotes Yet along with these everyday incidents and practical concerns there are tender passages in which the Wordsworths ardently declare their love for each other and reveal a profound happiness in their marriage The William Wordsworth who emerges from this correspondence is a figure more relaxed more accessible and indeed more human than he has been pictured Mary emerges as a woman of keen intelligence energy and imagination Revealing how thoroughly Wordsworth shared his inner and passionate life with Mary this volume puts to rest the notion that theirs was a marriage of convenience
