David R. L. Stevens

Love Marriage:

Gospel Love, Marriage and Divorce Randall Lamb, 2020-03-05 The centrality of God in all things is not a novel concept to Christianity at least not in theory For centuries it would appear that the Church has somehow allowed herself to remove the God centered gospel definition from marriage and has subsequently fashioned a culturally subjective definition of love marriage and divorce that has left God in many respects far from the center This book however will pay less attention to our own domestic legacies of love marriage and divorce It is more so about the church covenants conditions true fidelity perseverance God centered joy authenticity fraud legalism and apostasy It is a journey into the kingdom of God wherein the visible and invisible church along with love marriage and divorce all seem to collide with the gospel of glory and grace

LOVE, MARRIAGE, and THE BABY CARRIAGE David R. L. Stevens, 2011-01-14 **The Modern Family in Japan** Chizuko Ueno, 2009 This award winning book brings together Chizuko Ueno's groundbreaking essays on the rise and fall of the modern family in Japan Combining historical sociological anthropological and journalistic methodologies Ueno who is arguably the foremost feminist theoretician in Japan delineates in vivid detail how the family has been changing in form and function in the last hundred years In each chapter Ueno introduces the reader to a different facet of modern Japanese family life ranging from children who fantasize about being orphans to the elderly who confront pre senescence The central focus is on the housewife her history her ever changing responsibilities her ways of surviving mid life crisis This is an indispensable book for students and scholars seeking to understand modern Japan *International Handbook of Love* Claude-Hélène Mayer, Elisabeth Vanderheiden, 2021-05-04 This handbook is the winner of the William B Gudykunst Award for Outstanding Book in 2023 given by the International Academy of Intercultural Research This handbook includes state of the art research on love in classical modern and postmodern perspectives It expands on previous literature and explores topics around love from new cultural intercultural and transcultural approaches and across disciplines It provides insights into various love concepts like romantic love agape and eros in their cultural embeddedness and their changes and developments in specific cultural contexts It also includes discussions on postmodern aspects with regard to love and love relationships such as digitalisation globalisation and the fourth industrial revolution The handbook covers a vast range of topics in relation to love aging health special needs sexual preferences spiritual practice subcultures family and other relationships and so on The chapters look at love not only in terms of the universal concept and in private intimate relationships but apply a broad concept of love which can also for example be referred to in postmodern workplaces This volume is of interest to a wide readership including researchers practitioners and students of the social sciences humanities and behavioural sciences In the 1970s through the 90s I was told that globalization was homogenizing cultures into a worldwide monoculture This volume as risky and profound as the many adventures of love across our multiplying cultures are proves otherwise The authors revolutionary and courageous work will challenge our sensibilities and expand the boundaries of what we understand what

love is But that's what love does It communicates what it offers what can be and pleads for what must be I know you'll enjoy this wonderful book as much as I do Jeffrey Ady Associate Professor retired Public Administration Program University of Hawaii at Manoa Founding Fellow International Academy for Intercultural Research The International Handbook of Love is far more than a traditional compendium It is a breath taking attempt to synthesize our anthropological and sociological knowledge on love It illuminates topics as diverse as Chinese love one night stands teen romance or love of leaders and many more This is a definitive reference in the field of love studies Eva Illouz author of The End of Love A sociology of Negative relationships Oxford University Press This is not a volume to be read in a single sitting though I almost did due to a protracted hospital stay nor is it romantic or inspirational reading though in some cases I had hoped for more narrative examples and case studies Rather it is a highly diverse scholarly effort a massive resource collection of research papers on love in a variety of contexts personal and professional settings and cultures The work is well referenced providing a large number of resources for deeper exploration We owe our thanks to the authors and editors of this handbook for work well done though that word in the title should not lead readers to suspect that enlightening as it is this book is a vade mecum or practical tour guide that provides ready solutions to the vicissitudes and challenges of our love lives Reviewed by Dr George F Simons on amazon com Please see Claude H l ne Mayer's interview related to the handbook in LeanHealth Talks published by Bernadette Bruckner <https://www.youtube.com/watch?v=yVNXA9sWuWo> Please see Claude H l ne Mayer's interview related to the handbook published in Iran News Daily <https://newspaper.irandaily.ir/nid/6941/pid/6/type/0>

Love, Marriage, Jealousy Sándor Forbát, 1938 Arranging Marriage Marian Aguiar, 2018-01-02 The first critical analysis of contemporary arranged marriage among South Asians in a global context Arranged marriage is an institution of global fascination an object of curiosity revulsion outrage and even envy Marian Aguiar provides the first sustained analysis of arranged marriage as a transnational cultural phenomenon revealing how its meaning has been continuously reinvented within the South Asian diaspora of Britain the United States and Canada Aguiar identifies and analyzes representations of arranged marriage in an interdisciplinary set of texts from literary fiction and Bollywood films to digital and print media to contemporary law and policy on forced marriage Aguiar interprets depictions of South Asian arranged marriage to show we are in a moment of conjugal globalization identifying how narratives about arranged marriage bear upon questions of consent agency state power and national belonging Aguiar argues that these discourses illuminate deep divisions in the processes of globalization constructed on a fault line between individualist and collectivist agency and in the process critiques neoliberal celebrations of culture as choice that attempt to bridge that separation Aguiar advocates situating arranged marriage discourses within their social and material contexts so as to see past reductive notions of culture and grasp the global forces mediating increasingly polarized visions of agency

Transitioning to Adulthood in Asia: School, Work, and Family Life Wei-Jun Jean Yeung, Cheryl Alipio, Frank F. Furstenberg, Jr., 2013-03-07 In the past decade or so scholars in the United States have

identified the emergence of a new distinct stage of life as adolescence has become protracted and most young people of recent generations take longer to achieve economic and psychological autonomy than they did a half century ago This new life stage in between adolescence and adulthood when young people are in a semiautonomous state has come to be known as early adulthood Main characteristics of this new life stage include a later entry into the work force a longer period of time living in the natal home and a delayed age at marriage and childbearing These trends not only have profound implications for young adults well being and intergenerational relationships but also challenge social institutions such as family schools labor markets and many youth serving institutions

Marriage and Sacrament Michael G. Lawler,1993 At a time in human history when women and men are more concerned about interpersonal relationships and when there is an extensive questioning of the specific relationship between a woman and a man in marriage Marriage and Sacrament offers an understanding of how to live out the Christ meaning and Church meaning of that relationship so that by living martially and sacramentally couples can reveal to the world and to the Church the deeper meaning of all human love The book examines the relationship among love marriage and sacrament it examines the meanings of the sacrament of marriage its biblical basis its history and what happens when it comes to an end it examines sexual love indissoluble love fruitful love and ecumenical love in relationship to both marriage and sacrament Marriage and Sacrament is an indispensable resource for pastoral ministers and ministry students as well as all who contemplate or are now partners in marriage
