Harvey,2011-05-14 When you reach the twilight of your existence look back on your life and realize you have accomplished all your desires you have to share your fulfillment with the world your children your family your dearest friends and everyone who contributed to your well being If the saying Practice makes perfect goes I hope it applies to me This is my second attempt at writing a book a sequel to my first one I do not consider myself a literary writer far from it As a matter of fact in my school years not only couldn't I put two and two together but composition was my second weakest subject As English is not my mother language it's a double challenge I have many times used dictionaries to prove my point At an early age playing with my dolls I would tell them all kinds of stories so you can say that I am more of a storyteller This is my fairy tale as close to the truth as can be told however to protect the anonymity of the characters their names have been changed Enjoy **Two**

As One Forever Beverly V. Thomas,2022-10-12 Two as One Forever A Better You a Better Marriage was birthed from Beverly's trials and tribulations in her marriage Twice married to the same husband after a lengthy divorce she had to find the way to avoid a second divorce With a reminder from God That's your husband she set her thoughts and ways on letting go of her own way of doing and embraced every aspect that God can fix anything Beverly stepped out on faith with a belief that if she put God first in her marriage He would take her to a place of joy and contentment Even that place where storms roar and peace remain Beverly wants to give guidance and encouragement to couples experiencing difficult times in marriage This self help tool will share what marriage is to be by the design of God It is giving clear and precise guidance on how to overcome the many obstacles that marriages face on a daily basis Learn of the freedom of forgiveness and how faith is your victory Experience growth with the dos and don'ts of communication skills how to compromise and move from a stagnant place in your marriage to accomplish real results and get understanding of what the bedrock of your marriage reveals At the very moment of I do two become one due to the commitment and covenant made As time goes on the unification of two lose focus with deliberate intention of embracing the values of one another This book will express the importance of a self effort needed to enjoy the fruits of a successful union Allowing the differences of one another is the uniqueness of a beautiful blending Enjoying what God has put together is where this book will help you to find peace within give hope of endurance and be strong for a healthy marriage Find out what love really is about **The Boudoir** ,1903-11 *Created Words*

Dreaming Matthew Caldwell,2001-11 True life stories thoughts feelings Written in poetic description and beauty Impulsive written creations of the world around us *Sybelle, and Other Poems* L. B. Adams,1862 **The dual land, a collection of verses from many sources for those who have been, who are, and who may be bereaved** Dual land,1900 *Love and Spirit* Thomas R. Martin,2015-10-22 Who is God What must we come to know in order to know God What is the kingdom of Heaven What sums up God's law that all the prophets spoke to What is the source of the universe and all that exists What

binds us to God and to one another Why did He come into our world What gives us eternal life What is the great beginning and the ultimate end Is there something truly universal that we can come to know answering all of these questions Love and Spirit says there is presenting one word that could explain everything It lives in the hearts of all people waiting to be discovered nurtured and understood love The Gift of Love Vladimir Berzonsky,1985 Love is a gift from God a sacred grace that invites us indeed challenges us to respond with whatever capability we have within us to love God one another and his creation With these words Fr Vladimir Berzonsky penetrates the sublime yet mysterious passages from the Song of Songs I Corinthians and other books of the Bible which speaks of love Much has been written in recent years about the difference between erotic love called agape which i both Christ like and Christian but it is the former type of love according to Berzonsky that conditions us for the latter The Gift of Love suggests that we learn to love in stages developing an ever greater power to become godlike in our affections increasing our capacity to care less fo self and becoming filled with concern for God and all he made The fifty seven reflections in this book are written and intended to read separately yet all deal with the underlying theme of love as expressed in the Bible **Harper's New Monthly Magazine** Henry Mills Alden,1851 Harper s informs a diverse body of readers of cultural business political literary and scientific affairs *Harper's New Monthly Magazine* ,1853 Important American periodical dating back to 1850 *Holy Manuscripts* Jay John Sturges-Nagy,2014-08-22 This book represents all the writing of Us over the past several years and Our Love for You We Went a a wild journey in Love and wanted You to have this Keep Our Love With You JE MDNA with CHARON Track the writings over the Tour it is like Acts of God Thank You God for being with Us **Vladimir Solov'ev and the Knighthood of the Divine Sophia** Samuel Cioran,2006-01-01 Vladimir Solov ev and the Knighthood of the Divine Sophia tells how at the turn of the century an intimate alliance of philosophers poets and theologians discovered the incarnation of their aspirations for a spiritually transformed world in the symbol of Sophia the Divine Wisdom of God Under her various aliases as the Divine Feminine the Wisdom Clothed in the Sun and the Beautiful Lady this feminine archetype usurped the traditional role of Christ as the mediator between heaven and earth She was however primarily the inspiration of the Russian philosopher poet Vladimir Solov ev 1853 1900 who created of her the cornerstone for both his metaphysical and aesthetic systems This spiritual courtship of the Divine Sophia deeply patterned the literary works and interrelationships not only of such prominent symbolist writers as Aleksandr Blok and Andrej Belyj but brought to light religious eccentrics like Anna Schmidt in a scandalous fashion Sophia s influence ranged far beyond the narrower confines of literature and eventually provoked one of the most fascinating debates within the modern migr Russian Orthodox Church through the offices of Sergej Bulakov an apparent student of Solovev s Sophiology **FEELING -A BOOK ABOUT NUANCES OF HUMANITY** ANJANA, I m excited to introduce my book Feeling A Tapestry of Human Connection a collection of short stories and poems that explores the profound emotional bonds we share with our families With a word count of 7 839 Feeling delves into the intricate web of

love conflict forgiveness and acceptance that shapes our relationships with family members Through poignant narratives and evocative verses *Feeling* offers adult readers a relatable and heartwarming exploration of the enduring impact of family Each story and poem captures the nuances of these connections from the comforting warmth of childhood memories to the complexities of navigating family dynamics in adulthood I believe *Feeling* would be a perfect fit for your publisher s genre collection appealing to readers who cherish the unique and powerful bonds with their families Thank you for your time and consideration I have attached a synopsis for your review and look forward to hearing from you soon *The Magazine of Poetry and Literary Review* Charles Wells Moulton,1892 *Words I Love to Recite* Charles Santiago,2024-02-15 The experience of the afterlife is normally considered to take place after death Death is seen as a wall of partition between those living and those departed Dead and gone are words often used to describe the departed The writer of these poems was at his wife s bedside when she took her last breath Anyone observing the horror and desperation the author expressed at that moment would have concluded that he truly believed his wife was dead and gone In fact he did believe she was dead and gone A grief counselor suggested to the new widower that he keep a journal of his experience He started keeping a journal which from the start was a dialogue between him and his departed wife The prose dialogue soon became peppered with poems The widower began to notice that there were sometimes correlations between what was written in the poems and his daily experience The poems and his daily experience became for the new widower proof enough that the afterlife can be experienced this side of the grave *In the Moment* Ken Krizan,2016-06-22 This anthology of writings has been compiled over the last fifty years and is of incidents and people in the author s life experiences in the moment **Love/imperfect** Christopher T. Leland,2011 New short stories from Christopher T Leland that explore love in all of its forms and complexities Whether it is romantic parental or platonic we all aspire to find perfect love even though we know love is notoriously imperfect Depending on the lover and the beloved love can be unrequited blind feigned cowardly confused and even murderous In this compelling new collection Christopher T Leland explores the notion of such imperfect love in eighteen stories as characters struggle to understand both love s essential strangeness and its shifting meaning over time While each story points to the tremendous task of understanding the human heart each also suggests that the notion of loving even at its most violent and terrible is a gift In the moment of murder the nameless narrator of *Traveler* loves his victim just as estranged friends and former lovers Esther and Tim still somehow love each other in *Reprise* Young husband and wife Del and Dora love each other despite the pressures of war meddling families and childbirth in *How the Coe Boys Got Their Names* as Gogan loves his uncle even though the uncle s violence becomes too much to bear in *Last Frontier* Even the horrified father of *Swim* grants to his mad son an opportunity to control his own destiny while the sentimental father of *Peach Queen* offers to his son a talisman of their bond Leland s deftly crafted characters and narratives find their power in the thrilling space between love and uncertainty distress and even terror Fans of short fiction will enjoy the profound and

intriguing stories in Love Imperfect **Raj & Priya: A Love Unfinished** Dr. TEZZ,2025-08-13 Raj Priya A Love Unfinished is a heart touching tale of two souls who meet connect deeply and fall in love only to be separated by life s cruel turns Set against a backdrop of emotional vulnerability societal expectations and quiet resilience the novel explores how love lingers even in silence in absence and in pain Inspired by real emotions and lived experiences this novel delves into the enduring ache of first love the complexities of letting go and the hope that keeps us alive when everything else falls apart It is not just a story it is a mirror to every reader who has ever loved lost and still remembered
