A Compilation of My LOVE POEMS R. O. N. S. KING,2010-04-16 This book is a Compilation of most of my poems and saved for posterity This is Volume One with Volume Two to follow **The Art of Love** Peter L. Allen,2015-09-30 Two major French medieval literary works that claim to teach their readers the art of love are virtually torn apart by the contradictions and conflicts they contain In Andreas Capellanus s late twelfth century Latin *De amore* the author instructs his friend Walter in the amatory art in the first two books but then harshly repudiates his own teachings and love itself in a third and final book

In Jean de Meun's encyclopedic continuation of the Romance of the Rose written in French in the 1270s a succession of allegorical figures alternately promote and excoriate the lover's amatory pursuits Jean's romance moreover virtually rewrites the dream vision of Guillaume de Lorris which it claims simply to extend and ends with the depiction of a sexual act that seems to throw the book's whole structure into confusion The more closely one reads this work Peter L Allen contends the harder it is to understand them Didactic heavy handed and problematic they teach would be lovers how to behave in order to have others accomplish their desires yet they also contain vociferous passages that dissuade their protagonists from the practice of this art which they claim leads not only to earthly destruction but also to eternal damnation Readers from the Middle Ages to the present have been troubled by the fact that these texts are both radically self contradictory and fundamentally at odds with the accepted morality of medieval Christian Europe And for decades scholars have tried to determine how these two works are related to what is often referred to as courtly love In The Art of Love Allen persuasively argues that the De amore and the Romance of the Rose are central to the courtly tradition Allen contends that their conflicts and contradictions are not signs of confusion or artistic failure but are instead essential clues which show that the medieval works follow the disruptive structural model of Ovid's first century elegiac Ars amatoria Art of Love and Remedia amoris Cures for Love Andreas's and Jean's works no less than Ovid's teach not the art of love for practicing lovers but the literary art of love poetry and fiction Based squarely on Ovid's poems which were among the most widely read classical texts in medieval Europe the De amore and the Romance of the Rose use the classical tradition in a particularly assertive fashion and suggest a way for fantasies of love to exist even against a background of ecclesiastical prohibition **HIS LOVE. HER**

FANTASY Adrian Gabriel Dumitru, Annie P David, His love Her fantasy understanding what love is about As friends as a man but also as a woman we try to define the undefined from a love story Dreaming about love and being in love the path from the fantasy to the love story itself is just a matter of luck or maybe where you find yourself on the timeline of your own life Maybe is the perfect time for you to explore what love is about or maybe other things are important at the moment and the love story can only be a future project Exploring what love is about in our minds as a fantasy or in the real life as a real love story is depending only and only if we are ready or not But what is the difference between fantasy and reality when even the Bible is saying that everything we see is just an illusion Well i believe that the fantasy is only the beginning of defining what we want and the love story is the experiment itself Is it too much to name a love story an experiment Well exploring as a fantasy or as reality is letting your soul understand what love is about And sometimes is even a life lesson The moment when you jump into the fairy tale the real fantasy and you understand the meaning of love the fact that love is about giving and not about receiving that is the moment when you also understand what life is about Accepting your partner just as he she is just as accepting all the people from our lives is the moment of awakening Me Adrian and my dear Annie are only trying to define the unseen path from fantasy to the love story itself And also let you know that this path is leading you to point when your

thinking will be totally redefined Life itself is about love Seeing what love is about is understanding the meaning of life If the love chapter started for you even if it s just a fantasy of reality you should be happy The awakening will come to you

Fragments of Desire Steve Travis,2015-12 A compilation of poetry lyrics and short stories by Top Entertainer of the Essex Shores Steve Travis *Love Poems* Reginald Chauncey Robbins,1912 [Lacan on Love](#) Bruce Fink,2017-09-05 Quintessentially fascinating love intrigues and perplexes us and drives much of what we do in life As wary as we may be of its illusions and disappointments many of us fall blindly into its traps and become ensnared time and again Deliriously mad excitement turns to disenchantment if not deadening repetition and we wonder how we shall ever break out of this vicious cycle Can psychoanalysis with ample assistance from philosophers poets novelists and songwriters give us a new perspective on the wellsprings and course of love Can it help us fathom how and why we are often looking for love in all the wrong places and are fundamentally confused about what love really is In this lively and wide ranging exploration of love throughout the ages Fink argues that it can Taking within his compass a vast array of traditions from Antiquity to the courtly love poets Christian love and Romanticism and providing an in depth examination of Freud and Lacan on love and libido Fink unpacks Lacan s paradoxical claim that love is giving what you don t have He shows how the emptiness or lack we feel within ourselves gets covered over or entwined in love and how it is possible and indeed vital to give something to another that we feel we ourselves don t have This first ever commentary on Lacan s Seminar VIII Transference provides readers with a clear and systematic introduction to Lacan s views on love It will be of great value to students and scholars of psychology and of the humanities generally and to analysts of all persuasions *The Erotic Word* David M. Carr,2005-02-24 Historically the Bible has been used to drive a wedge between the spirit and the body In this book David Carr argues that it can and should do just the opposite Sexuality and spirituality Carr contends are intricately interwoven when one is impoverished the other is warped [A Child Fantasy and Other Poems](#) Nelson Rich Tyerman,1884 [Top 21 Love Poems To Make Anyone Fall In Love With You](#) James Dazouloute,2019-09-15 When it comes to Poetry you might ask What s In A Word Well Beloved a word is the most powerful weapon that has ever existed in the entire universe and a Word is so so powerful and invincible that even God The Creator had to use it to speak Let There Be Light And then continue on to create the entire universe including you and me On top of that you have been told many times that you were given the power over life and death in the tongue where everything you speak takes power over life and death not only in your life but in the life of everyone you speak your words to Such as a child who you tell that he or she is worthless and that kid ends up growing up with self esteem issues Or a grown up whom you verbally abuse and that person ends up having psychological problems long after you are gone So as you are starting to realize the power of words is invincible and just imagine if you USE WORDS TO SPEAK LOVE IN YOUR RELATIONSHIP <https://www.JamesDazouloute.net> For More
