Love That Binds The:

The Bond of Love Marjorie A. Cuffy, 2017-07-26 This book is meant to open up the world of ideas to a new mode of thinking and looking at the planet. The pages of this book reveal the existential values that are at interplay within the universe. It depicts the elements that are required for a book on love to address. And in so doing includes each facet that brings love into unison with the teachings of divine conception. It begs you to deny the teachings of the past and will teach you to master the ways of God. It urges you to revert to the simplicity of a spiritual and divine relationship bringing all to wholeness and love. It asserts the ethos that love is all there is and flows through all things to create the bond of love.

Being God's Beloved Adrian D. van Breda, 2014-10-21 Many of us struggle to come to grips with the idea that God loves us. We may know it and believe it in our heads but getting that into our hearts and into our lives is not easy. Sometimes what we have learned about God makes it even harder to really know that we are God's beloved. Being God's Beloved will lead you through forty reflections on what it means to be beloved of God combining deep spirituality, thoughtful Bible study and warm pastoral care. The reflections lead you on a journey from before creation through the Old Testament into the life and ministry of Jesus Christ and on to the presence of the Holy Spirit. It tells the great love story of God for the Creation over thousands of years. Providing fresh insights into well known passages making thoughtful use of word studies and inviting us to think creatively about God in relation to the world, this book will immerse you in an awareness of God's love. *The Odyssey of Love* Paul Krause, 2021-07-08 Tolle Lege take up and read. These words from St Augustine perfectly describe the human condition. Reading is the universal pilgrimage of the soul. In reading we journey to find ourselves and to save ourselves. The ultimate journey is reading the Great Books. In the Great Books we find the struggle of the human soul, its aspirations, desires and failures. Through reading we find faces and souls familiar to us even if they lived a thousand years ago. The unread life is not worth living and in reading we may well discover what life is truly about and prepare ourselves for the pilgrimage of life.

An Introduction to Christianity Samuel R. Todd Jr., 2012-08-24 For those who are new to the Christian faith or outside it, this book raises questions asked over and over: questions like Is there a God? How do you know? Who is man? What is the point of life? Hasn't modern science disproved the Bible? If God is good, why is there suffering in the world? What's so special about Jesus? Why do I feel lonely when I have so many friends? What does it mean to be a Christian? Why is the Church so full of hypocrites? Love my neighbors? I don't even like them! What happens to us when we die? What happens to all the good people who are not Christians? With well organized discussions, thoroughly documented references and clearly written answers to these questions, Sam Todd guides you to understand both the Christian vision of life and way of life. *The Incarnation, and other sermons* John Cheyne Macintosh, 1887 *Dimensions of Love* Aaron Rowe, 2019-03-29 This poetry is a collection of all of the thoughts and ideas that I have written over the past 10 years. All of this means the world to me and I hope you all enjoy what you read. *The Love of Neighbour in Ancient Judaism* Kengo Akiyama, 2018-06-05 In *The Love of Neighbour* in

Introduction Destinations and Destiny: a Guided Journey to Love and Life Carolin Pereira PhD,2021-10-17 Have you ever been triggered by a place or person so much it turned your world upside down Everyone experiences hard times What if throughout these times you could anchor yourself in a deep love within In Destinations and Destiny A Guided Journey to Life and Love author Carolin Pereira assures you that even in dark times you are divinely guided and are never alone In fact she insists we all share deep connections with souls who have loved us across lifetimes You might have met a person who felt at once so familiar as if you've known each other forever Pereira describes the nature of these soul connections and why we experience them She helps you understand the journey of the soul through lifetimes so you can be more prepared to live life from a soul perspective Destinations and Destiny A Guided Journey to Life and Love introduces principles and tools to heal old wounds and consciously create life through our actions and thoughts by connecting to your soul and purpose The Complete Works of Saint John of the Cross of the Order of Our Lady of Mount Carmel, 2 Joan de la Creu,1864 The Complete Works of Saint John of the Cross of the Order of Our Lady of Mount Carmel Saint John of the Cross,1864 **The complete works of Saint John of the Cross, of the Order of Our Lady of Mount Carmel** John [de Yepes] (of the Cross, St.),1864 **God and the Goddesses** Barbara Newman,2016-01-14 Contrary to popular belief the medieval religious imagination did not restrict itself to masculine images of God but envisaged the divine in multiple forms In fact the God of medieval Christendom was the Father of only one Son but many daughters including Lady Philosophy Lady Love Dame Nature and Eternal Wisdom God and the Goddesses is a study in medieval imaginative theology examining the numerous daughters of God who appear in allegorical poems theological fictions and the visions of holy women We have tended to understand these deities as mere personifications and poetic figures but that Barbara Newman contends is a mistake These goddesses are neither pagan survivals nor versions of the Great Goddess constructed in archetypal psychology but distinctive creations of the Christian imagination As emanations of the Divine mediators between God and the cosmos embodied universals and ravishing objects of identification and desire medieval goddesses transformed and deepened Christendom's concept of God introducing religious possibilities beyond the ambit of scholastic theology and bringing them to vibrant imaginative life Building a bridge between secular and religious conceptions of allegorized female power Newman advances

such questions as whether medieval writers believed in their goddesses and if so in what manner She investigates whether the personifications encountered in poetic fictions can be distinguished from those that appear in religious visions and questions how medieval writers reconcile their statements about the multiple daughters of God with orthodox devotion to the Son of God Furthermore she examines why forms of feminine God talk that strike many Christians today as subversive or heretical did not threaten medieval churchmen Weaving together such disparate texts as the writings of Latin and vernacular poets medieval schoolmen liturgists and male and female mystics and visionaries God and the Goddesses is a direct challenge to modern theologians to reconsider the role of goddesses in the Christian tradition **The Complete Works of Saint**

A Nonviolent Theology of Love Sharon L. Baker Putt,2021-02-02 The impetus behind the ease with which the church has periodically justified violent behavior lies in its conceptual image of God as a violent deity This book emerges out of a passion to think differently albeit biblically about the character of God and articulates a theological construction of a nonviolent God an alternative to any image of God that seems to condone human violence It calls the church to rethink theology as something other than what might be termed redemptive violence and encourages Christians to reinterpret Scripture and traditional theological beliefs in ways that are more faithful to the God disclosed in Jesus of Nazareth Students of theology need a fresh glimpse of the love mercy and redemptive power of God through Jesus As it follows the structure of the Apostles Creed through the various theological topics this book reminds Christians to share in God s desires for peace and love and to recommit themselves to the call of God to be ministers of reconciliation and lovers of both neighbors and enemies even while at times responding to violence with nonviolent resistance
