Love And Loss:

Love and Loss Colin Murray Parkes, 2013-05-13 Loving and grieving are two sides of the same coin we cannot have one without risking the other Only by understanding the nature and pattern of loving can we begin to understand the problems of grieving Conversely the loss of a loved person can teach us much about the nature of love Love and Loss the result of a lifetime's work has important implications for the study of attachment and bereavement In this volume Colin Murray Parkes reports his innovative research that enables us to bring together knowledge of childhood attachments and problems of bereavement resulting in a new way of thinking about love bereavement and other losses Areas covered include patterns of attachment and grief loss of a parent child or spouse in adult life social isolation and support The book concludes by looking at disorders of attachment and considering bereavement in terms of its implications on love loss and change in a wider context Illuminating the structure and focus of thinking about love and loss this book sheds light on a wide range of psychological issues It will be essential reading for professionals working with bereavement as well as graduate students of psychology psychiatry and sociology

Love and Loss Betty Hibod, 2025-10-06 Many books have been written as histories recounting events that shaped the life of a group society nation or civilization or as biographies recounting events and achievements relating to one person's life and work Many books have been written putting forth ideas philosophies and words of wisdom to live by Some of these we call holy books or scripture Fewer books have been written like this one which go behind the scenes of history lay bare the feelings behind the philosophies and document the painful and joyful inner path along which historical events and philosophical ideas emerge This book is intensely even shockingly personal not clinical or abstract or detached It is an intimate detailed sensual and sometimes disturbing account of a life lived on the cusp that bridges time and eternity Its focus is narrow it does not reveal much at all about anyone's visible public life or accomplishments but it explores in great depth the invisible contents of minds hearts and souls The scriptures and scriptural commentaries of most religions describe a path to salvation or bliss and provide instructions or guideposts for moving along the path but they are still only theoretical hypothetical mythical or metaphorical accounts This book seeks to show how the theories and hypotheses play out pragmatically in real time and space how the myths come alive in flesh and spirit how the metaphors become the very things they symbolize How does daily life look from inside someone in the throes of awakening How does she know who or what she is How is her destiny revealed How do seemingly ordinary mundane events become miracles This book begins to answer those questions

[Songs of Love and Loss in Ancient Times](#) Pasquale De Marco, 2025-05-14 Journey through the timeless tapestry of love and loss in this captivating exploration of human emotion across cultures and centuries From the ancient echoes of Sappho's love poems to the poignant tragedies of Shakespeare's Romeo and Juliet stories of love and loss have resonated with readers and listeners throughout history In this book we delve into the depths of these universal emotions examining their profound impact on the human experience Love in its myriad

forms has inspired countless works of art literature and music each expressing the unique and universal aspects of this powerful force From the passionate love of Dante and Beatrice to the enduring love of Odysseus and Penelope love has been celebrated and cherished as the driving force behind human existence Yet alongside love s triumphs lie the inevitable shadows of loss and heartbreak The death of a loved one the end of a relationship or the loss of a cherished dream can leave us feeling bereft and alone Throughout history people have sought solace and meaning in the face of loss through art literature and storytelling The ancient Greeks and Romans wove tales of tragic love and loss into their myths and legends while medieval troubadours composed songs of unrequited love and longing In the Renaissance poets like Petrarch and Shakespeare explored the complexities of love and loss in their sonnets and plays capturing the bittersweet essence of these emotions As the centuries passed love and loss continued to inspire writers and artists of all kinds The Romantic poets of the 19th century such as William Wordsworth and Percy Bysshe Shelley found beauty and solace in nature s embrace while Victorian novelists like Charles Dickens and Charlotte Bront delved into the depths of human suffering and loss In the 20th century modernists like James Joyce and Virginia Woolf experimented with new forms of storytelling to explore the complexities of love and loss in a rapidly changing world Today in the 21st century love and loss remain as relevant and universal as ever Contemporary writers and artists continue to explore these timeless themes in their work reflecting the ever changing nature of love and loss in an increasingly interconnected and globalized world From the poignant love stories of contemporary fiction to the heart wrenching songs of modern musicians love and loss continue to touch our lives and inspire us to seek meaning and connection in a world often filled with uncertainty This book invites you on a journey through the ages exploring the diverse and profound ways in which love and loss have been expressed throughout history Delve into the timeless tales of love and loss that have captivated hearts and minds for centuries and discover the enduring power of these emotions to shape our lives and inspire our creativity If you like this book write a review on google books

Verse of Love and Loss M. Iliev, 2003 *Verse of Love and Loss* is a selection of poems spanning ten years in Mikhail Iliev's life Distinct clusters of imagery and emotion as well as formal indicia like rhythm rhyme and diction characterize the time and space in which each poem was created Thus a series of impressions coalesce into a picture of Iliev's poetic development and emotional gait throughout these years Reading *Verse of Love and Loss* is similar to feeling head over heels in love and waking every night with terror in your heart It is like being lost in a dark cold wood with no living thing around and feeling utterly happy With melancholy and mischief the small and the sublime a silly apple and grand elation culminate in a nearly Eastern presentiment There is no love without loss no laughter without sadness no there without here *Verse of Love and Loss* is the ode to the great failure of logic in the face of feeling the triumph of a life of dreaming over the dreaming of life

Love and Loss: Divorce Poetry Poet Laureate Jean Elizabeth Ward, 2008 2007 revision of the author's original 2006 book about Love Loss Divorce Remarriage Love and Loss again and several examples given Prose and Japanese Senryu Poems worked into this book A final chapter of Disfunctional poems written by Poet Laureate Jean Elizabeth Ward with a desire only that the reader may in some way relate as we all are children of God with all of our mistakes hopefully to learn from them as life is a learning process Remember Divorce is a damned rotten shame forgive and begin again as Love Covereth
