Love At All Ages:

Love in the Third Age Don Champman, 2015-11-06 *Love in the Third Age* is set in the beautiful present day Willunga Basin of South Australia at a time in Bruce River's life when his youthful vitality has drained from his body and all he is left with is the memory. An overweight divorced out of love aged care worker Bruce is about to turn sixty and coming face to face with the burning question to do or to decline. Bruce's life is presented as a roller coaster ride of battles with a bad back, impotence and diminishing career prospects while at the same time telling the comic stories of his online love life and his nearest and bitterest. Some of his friends are in their third age and going through similar confronting experiences. His clients and mother are in their fourth age and having a tough time. His much younger ex girlfriend hasn't even thought about getting older and is bent on revenge against him and won't take any prisoners. Other characters are equally challenged by aging but flying brilliantly above the mess. At times Bruce is torn apart as he must witness the struggles of those aging before his very eyes. He is gripped by the writing on his own wall, battered and bruised by a cunning woman scorned yet determined to find a way through the rest of his life that will bring purpose, dignity, lasting love and some kind of inner peace. If you're approaching, experiencing or even worn down by aging, *Love in the Third Age* may just turn all that around and give you many moving and funny moments to laugh at both on your own and with others. *Tony Pastor's Complete Budget of Comic Songs* Tony Pastor, 1864 *The Teenage Body Book* Kathy McCoy, Charles Wibbelsman, 1999 An updated manual for teenagers and their parents offers clear and comprehensive information about all aspects of mental and physical health for adolescents, discussing diets, sex, drugs, peer pressure and much more.
