Love Divine:

Divine Love / Divine Intolerance Darrell J Ahrens, 2009 What to tolerate what not to tolerate This is perhaps the most important question our nation as well as other Western nations must consider today What gives this question its crucial importance is the fact that how it is answered will determine the moral and ethical character of a nation and its people It will determine the integrity and virtue or lack thereof of a nation's religious political educational and sociological institutions and their policies laws beliefs and practices Concerning Western nations and societies it will determine either faithfulness or unfaithfulness to their underlying religious political and historical foundations and heritage In short it will determine the very identity of a nation and people , **Apostolich Hymns and Songs** D. R. Lucas, 2023-11-19 Reprint of the original first published in 1875 Interpreting the Bible and the Qur'an through Love Tareq Hesham Moqbel, 2025-10-16 This book investigates the role of love as an exegetical resource for interpreting the Bible and the Qur'an Through surveying the ways in which love was used to make sense of the Jewish Christian and Muslim Scriptures this book advocates and argues for a hermeneutical approach that reads the Bible and the Qur'an through the lens of love Engaging various exegetical authorities from the Jewish Christian and Muslim traditions Tareq Hesham Moqbel identifies numerous cases of love informed exegesis covering diverse themes and exegetical techniques The exegetical dialogue presented in this book shows that the idea of love takes on greater meaning when studied from the standpoint of comparative exegesis Moreover by analysing this topic through a comparative lens the book argues for a novel conceptualisation of love as an exegetical tool and a reading ethic that connects the Abrahamic scriptural traditions and can be applied beyond them **Love Divine** Jordan Wessling, 2020-06-02 Love Divine provides a systematic account of the deep and rich love that God has for humans While the associated theological territory is vast the objective is to contend for a unified paradigm regarding fundamental issues pertaining to the God of love who deigns to share His life of love with any human willing to receive it Realizing this objective includes clarifying and defending specific conclusions concerning how the doctrine of divine love should be approached what God's love is what role love plays in motivating God's creation and subsequent governance of humans how God's love of humans factors into His emotional life which humans it is that God loves in a saving manner what the punitive wrath of God is and how it relates to God's love for humans and how it might be possible for God to share the intra trinitarian life of love with human beings As the book unfolds the chapters interlock and build upon one another in the effort to trace nodal issues related to God's love as it begins in Him and then spills out in the creation redemption and glorification of humanity a kind of exitus reditus structure that is driven by the unyielding love of God **Talmeez ur Rehman - English Translation with Persian Text** Sultan ul Arifeen Sultan Bahoo, 2021-03-17 The book is crux of Sufism The entire Sufi teachings enclosed in nutshell Sultan Bahoo the great Sufi Saint is teaching the seekers of Allah the lessons of Divine love and the ways to have Divine vision and union He has explained the Sufi terms in a unique manner with a different perspective A seeker of Allah
