Love For An Enemy:

'Love Your Enemies' John Piper, 1979 **Enemies and How to Love Them** Gerard Vanderhaar, 2013-09-01 This compassionate book describes the making of enemies in our personal social and national lives It goes on to outline a nonviolent approach to resolving enmity wherever it arises It taps the rich resources of Jesus two thousand year old formula Love your enemies with the help of our contemporary understanding of Gandhian active nonviolence The author offers a life changing habit breaking approach of understanding focusing and negotiating as a positive alternative to the usual flight or fight response to enemies The book sketches an informative portrait of the Soviet Union that includes insights into its communist ideology its political structures and the practice of religion in the country The book stresses that the USSR is a nation of real people who are interesting sometimes colorful yet always struggling **On Love and Charity** Saint Thomas Aquinas, 2008-07 Among the great works of Thomas Aquinas the Commentary on the Sentences of Peter Lombard has suffered almost total neglect among translators Such neglect is surprising considering that the massive Commentary more than 4 000 pages in the last printed edition is not only Aquinas s first systematic engagement with all the philosophical and theological topics on which he expended his energy over the span of a short career but is also characterized by an exuberance and elaborateness seldom found in his subsequent writings Although Chenu had already drawn attention decades ago to the importance of studying this youthful tour de force for a fuller understanding of Thomas s more mature work the Commentary on the Sentences has remained a closed book for many modern students of Thomistic and medieval thought because of its relative inaccessibility in English or in Latin The present volume containing all the major texts on love and charity makes available what is by far the most extensive translation ever to be made from the Commentary with the added benefit that the better part of the translation is based on the as yet unpublished critical edition of the Leonine Commission The collection of texts from all four books has a tight thematic coherence that makes it invaluable to students of Thomas s moral philosophy moral theology and philosophical theology In addition the inclusion of parallel texts from Aquinas s first Parisian Commentary as well as from his second Roman attempt at a commentary the recently rediscovered *Lectura Romana* makes this edition all the more valuable for those who wish to track the internal development of Thomas s thinking on these matters The new availability of so many rich passages from the Commentary on the Sentences will encourage and facilitate use of a magnificent resource that deserves to be better known The printed volume is supplemented by a web based document containing a fuller introduction webnotes and a bibliography To reach this supplementary information [click here](#)

ABOUT THE TRANSLATORS Peter A Kwasniewski is associate professor of philosophy and theology at Wyoming Catholic College and editor of *Wisdom s Apprentice Thomistic Essays in Honor of Lawrence Dewan O P* Thomas Bolin O S B is a monk at the Monastero di San Benedetto in Norcia Italy Joseph Bolin is adjunct professor of philosophy at the International Theological Institute in Gaming Austria and adjunct instructor of Latin for the Austrian Program of the Franciscan University

of Steubenville PRAISE FOR THE BOOK The present volume contains by far the most extensive English translation from the Scriptum to date The translators of On Love and Charity have aimed to give a translation which is neither too literal nor too liberal trying to find the golden mean between an unintelligibly Latinised or an enjoyable but unfaithful English version This impressive volume will be of a great help for those wishing to study Aquinas and the issue of love in more depth B Toth Ephemerides Theologicae Lovanienses

Love for the Enemy Matthew Dilger, 2017-02-27 Love for the Enemy is a story about a young man's journey in life The stories told explain the reasoning behind the decision made but then explain biblically as to why the decision made was against what God wanted It brings awareness to the truth about God's love and his forgiveness and helps us understand what God wants for us in our everyday lives It shows us how we all battle with our inner feelings of lust and oftentimes lose With Love for the Enemy we can identify with the stories told and appreciate the honesty of the writer

Love Your Enemies Sharon Salzberg, Robert Thurman, 2023-08-01 Coping with anger and pain is more challenging than ever in these times and more necessary Two acclaimed Buddhist teachers offer strategies and wisdom in a book that's been called possibly the most inspiring and liberating meditation on love ever written When people and circumstances upset us how do we deal with them Often we feel victimized We become hurt angry and defensive We end up seeing others as enemies and when things don't go our way we become enemies to ourselves But what if we could move past this pain anger and defensiveness Inspired by Buddhist philosophy this book introduces us to the four kinds of enemies we encounter in life the outer enemy people institutions and situations that mean to harm us the inner enemy anger hatred fear and other destructive emotions the secret enemy self obsession that isolates us from others and the super secret enemy deep seated self loathing that prevents us from finding inner freedom and true happiness In this practical guide we learn not only how to identify our enemies but more important how to transform our relationship to them Love Your Enemies teaches us how to break free from the mode of us versus them thinking develop compassion patience and love accept what is beyond our control embrace lovingkindness right speech and other core concepts First published in 2013 Love Your Enemies is more than ever required reading for navigating our world Throughout authors Sharon Salzberg and Robert Thurman draw from ancient spiritual wisdom and modern psychology to help you find peace within yourself and with the world Includes new prefaces from both authors

Love of Enemies William Klassen, 2002-05-22 Love of enemies search for peace In the current international political atmosphere where hope is in short supply these days within and outside the church William Klassen these twin themes hardly seem compatible Klassen maintains however that the two are not only consistent but also have coexisted from ancient times to the present due in large part to the Jesus movement Examining the Hellenistic and Hebrew backgrounds of the two themes Klassen illuminates old familiar texts as well as some that have been previously ignored He shows how people today can strive for peace both by following the examples of the twentieth century figures before them and be returning as warriors of peace to long neglected biblical resources
