Among the Colours James Gregory Randall,2025-03-08 Among the Colours is a tangle of human lives It follows the affair between Sir Frederick Banting a co discoverer of insulin and Blodwen Davies a young journalist exploring the mysterious circumstances of Tom Thomson s death Time and circumstance brought the two together She fell in love with him the hero who saved the lives of diabetics the world over and he welcomed her attention Headlines rocked the nation when Banting accused his wife Marion Robertson of an affair she did not have and sued for divorce With the courts siding in his favour Banting soon forgot his promises to Davies and chased after the other youthful skirts that caught his eye Fred Banting and Tom Thomson shared a passion for painting The one found life in art the other escaped in his Blodwen Davies brought the two together Never forgetting the lesson she learned the hard way having been abandoned by a married man she made a career of writing travelogues for newspapers magazines and histories of Canada and the

Mennonites of Ontario Before Banting diabetics were treated with starvation diets to reduce their blood sugar and their lives were hardly worth living Before Thomson Canadian art was mostly derivative Before Davies women were treated like chattel Then they were accorded rights as persons under the law James Gregory Randall unravels a tale that needs to be told Stories from the past inform the present They place human life on a continuum that is generations long situating day to day circumstances within the cadence of a grander narrative Among the Colours finds hope in the long view **Xenograffiti R. Reginald**,1996-01-01 In this new retrospective collection spanning almost forty years Pilgrim Award and Collector s Award winning fantasy novelist critic and bibliographer Robert Reginald contributes forty five essays on writers of fantastic literature including such major and minor figures as Piers Anthony Edwin Lester Arnold Margaret Atwood John Kendrick Bangs Leslie Barringer John Bellairs Arthur Byron Cover Lindsey Davis Alexander de Comeau Daphne du Maurier R Lionel Fanthorpe H Rider Haggard Charlotte Haldane Edward Heron Allen Eleanor M Ingram Vernon Knowles Katherine Kurtz Andrew Lang Fritz Leiber Bruce McAllister Ward Moore Robert Nathan Sir Henry Newbolt William F Nolan John Norman Keith Roberts Michael Reaves Brian Stableford and George Zebrowski Also included is a comprehensive bibliography and history of the publications of Starmont House Inc and FAX Collector s Editions a selection of reviews and obituaries a bibliography and detailed index This unique literary collection will prove of interest both to students and researchers alike This second edition features fifteen new pieces including the author s earliest published critique 1968 and a number of original autobiographical reflections on his life and career penned shortly after his heart attack in 2003 **Opera in the British Isles, 1875-1918** Paul Rodmell,2016-05-13 While the musical culture of the British Isles in the long nineteenth century has been reclaimed from obscurity by musicologists in the last thirty years appraisal of operatic culture in the latter part of this period has remained largely elusive Paul Rodmell argues that there were far more opportunities for composers performers and audiences than one might expect an assertion demonstrated by the fact that over one hundred serious operas by British composers were premiered between 1875 and 1918 Rodmell examines the nature of operatic culture in the British Isles during this period looking at the way in which opera was produced and consumed by companies and audiences the repertory performed social attitudes to opera the dominance of London s West End and the activities of touring companies in the provinces and the position of British composers within this realm of activity In doing so he uncovers the undoubted challenges faced by opera in Britain in this period and delves further into why it was especially difficult to make a breakthrough in this particular genre when other fields of compositional endeavour were enjoying a period of sustained growth Whilst contemporaneous composers and commentators and later advocates of British music may have felt that the country s operatic life did not measure up to their aspirations or ambitions there was still a great deal of activity and even if this was not necessarily that which was always desired it had a significant and lasting impact on musical culture in Britain *Arvor's School Days* Jonathan Ferrier,2013-11-15 Arvor is a dragon He is actually a very nice dragon who would much

rather play on his guitar or work on his science project than fly around breathing out fireballs You see Arvor is a pupil at Caderbrith the well known school for dragons on Cader Idris in Wales Arvor is also a little clumsy and quite small compared to the other dragons so they don't want him on their team when they play Egger This means Arvor has a bit of time to do other things like stay out of trouble It's just that sometimes he's in the wrong place at the right time Join Arvor and his friends Will Percy and Cedric on their adventures at Caderbrith the boarding school for dragons The Cyclopedic Review of Current History ,1892
