Love Happens:

When Love Happens... Manish Kumar, 2017-11-10 True love never dies It is redefined every time you feel it When Nish falls in love little does he know the impact it is going to have on his life Hailing from conservative backgrounds love is nothing less than war with the world for the lover and his beloved Albeit limited communication they still dare to dream of a life together But with the pressure of attaining stability in life he finds it impossible to chase his dreams endlessly An unassuming man from a modest background he fights helplessness and challenges thrown at him by life only to learn precious life lessons His faith in God gives him the strength to move on and find his calling in writing and poetry When Love Happens is a tale of shattered dreams and redemption of fear and fortitude and above all of the indomitable human will

Love: the Most Precious Gift of Life Pejman Aghasi, 2007-08 Love is the only hope It is only because of love that man finds it possible to reach god If there were no love there would be no religion no prayer If there were no love there would be no creativity no music no dance no art no poetry If there were no love there would be no beauty no friendship no happiness no intimacy All that is valuable in life comes through love Love is the source of all that is nourishing and fulfilling Love is the only heavenly phenomenon on this earth Everything else is earthly therefore it is only

through love that one can reach to god and heavenly states of being Without love life becomes dull repetitive and unfulfilling Love The Most Precious Gift of Life shows us that we must live with love because that is the only way to really live The deeper and realer your love is the deeper and more meaningful your life is We must think of love and life as being the same and synonymous If love has so many blessings why do many couples struggle and face so many difficulties in their relationships In the second part of Love The Most Precious Gift of Life the root social and psychological causes of these conflicts are uncovered and a solution for solving each problem is also presented And in doing so it helps us to keep our relationships healthy and intimate and enable us to embrace love and through love reach to our highest potential which is self realization and enlightenment **Love Always.
