More Than Words: The Making of the Macquarie Dictionary Pat Manser, 2021-02-23 The Editorial Committee of the dictionary of Australian English led by Arthur Delbridge were adamant that their dictionary was to be descriptive. It was an important point of difference from traditional dictionary policy. This dictionary would give an account of Australian English as it was heard and written. We wanted it all spoken written technical polite rude. The speech of labourers the jargon of merchants swearwords Australianisms as well as the basic core of English vocabulary. The idea for a dictionary of Australian English was conceived in the 1960s but it wasn't until 1981 that the first edition of the Macquarie Dictionary was published. More Than Words tells the story of how the dictionary was brought to life during this period from identifying the need for a genuinely Australian dictionary to the long road towards publication and explores how the dictionary has evolved over the years since then      New Trends in Lexicography Olga Karpova, Faina Kartashkova, 2010-02-19 The present book contains a collection of works developing new trends in theoretical and practical lexicography devoted to manifold description of lexis. All papers are divided into two main sections. Part I Systemic and Cross cultural Relations of Words in the Dictionary presents analysis of cultural issues and phraseology with special reference to English dictionaries for general and specific purposes. The main focus is given to the principles of lexicographic presentation of non equivalent lexis idioms clichés nominations of
