Weerapana, Peter Schuwalow, 2013 *Macroeconomics Principles and Practice* is a top tier academically challenging text that complements Cengage Learning's suite of Economics titles. This is Cengage Learning Australia's first adaptation of Taylor's *Macroeconomics* under the authorship of Bruce Littleboy. Littleboy adapts Taylor's revised reflections on the global financial crisis and how businesses are recovering. Examples of current events from Australia and New Zealand help explain how discussions on the role of the government can affect the economy. *Macroeconomics Principles and Practice* is concerned with concepts, intuition and understanding which sets it apart from competitor texts. Short run approach is introduced first but there is an early introduction of the long run with Taylor's Spending Allocation Model appearing towards the end.
