Economics Today Roger LeRoy Miller, 2003-06 Economics Today The Macro View has long led the field in offering students and instructors a dynamic application rich approach to teaching and learning macroeconomics The book is based on the belief that students learn more when they are involved and engaged The 12th edition features all new examples that have been selected to grab and hold students attention These examples serve one basic purpose to drive home the application of the theory just presented One of the keys to the success of Economics Today The Macro View is that it is suitable for many teaching styles Instructors who wish to stress theory can do so Those who wish to stress applications and examples can do that Those who wish to

incorporate technology into the class can do so with ease using MyEconLab

Exploring Macroeconomics Robert Sexton, 2010-01-13 EXPLORING MACROECONOMICS Fifth Edition is not a traditional encyclopedic text filled with technical details. Rather, it is an engaging, modern, back-to-basics book designed to promote macroeconomic literacy and help students appreciate how macroeconomics affects their everyday lives. This reader-friendly text includes innovative learning tools, a visually appealing design, and captivating content to encourage students to read the chapters eagerly and help them master the material more easily. In addition, a comprehensive study guide included with every copy helps students reinforce their learning and better prepare for course assignments and exams. Packed with examples from current events and pop culture, EXPLORING MACROECONOMICS succeeds like no other text in making macroeconomics less intimidating and achieving the author's primary goal: conveying the real-world relevance of macroeconomics and inspiring in students the same excitement he felt when taking his first macroeconomics class. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
