Macroeconomics Arthur O'Sullivan, Steven M. Sheffrin, 2002-07 This modern book has a strong foundation in demand and supply. Its thoughtful coverage of change in demand vs change in quantity demanded also in supply coverage enables learners to better visualize and truly understand the difference between these two fundamental concepts. The activebook is an interactive online digital book that completely takes advantage of multimedia resources to greatly enhance the learning experience. A seven part organization covers an introduction and key principles, the basic concepts in macroeconomics, the economy in the long run, economic fluctuations, money banking and monetary policy, inflation, unemployment and economic policy, and the international economy. For a thorough understanding of the principles of macroeconomics.

Microeconomics Arthur O'Sullivan, Steven M. Sheffrin, 2002-07 This modern book has a strong foundation in demand and supply. Its thoughtful coverage of change in demand vs change in quantity demanded also in supply coverage enables learners to better visualize and truly understand the difference between these two fundamental concepts. Early coverage of comparative advantage and externalities reflects a more modern approach to teaching and understanding the underpinnings of microeconomics. A six part organization covers an introduction and key principles, a closer look at supply and demand, market structures and pricing, spillovers and information, the labor market and economic challenges, and the international economy.
