Getting God Wrong G. S. Kohler,2023-10-06 Reading a tone of voice into printed words especially the personal experience of an email or text can disconnect two people even friends Having one friend reinterpret the way another heard the words with their own tone of voice may lead them into discovering how Jesus seems to hear God differently even though he read the same Bible In Getting God Wrong the reader is invited into a conversation on how they taught themselves to misunderstand the One who loves them best Instructions is the same word that gets translated commandments and guidance is the same word sometimes translated law This shift of translations can affect one s emotional engagement with the ideas People have told themselves for centuries that God marched the people of Israel out of four hundred years of slavery out into the desert to tell them Now you ll be my slaves and live under my commandments What if God used a different tone of voice and not the one people usually hear as they read Getting God Wrong suggests that God wants people to hear his heart as clearly as Jesus lived it out in front of them Jesus is God s tone of voice

God Isn't Mad at You Georgina Packer,2008-10-22 The Bible says in Jeremiah 29 13 You will seek Me and find Me when you seek Me with all your heart This is such a simple invitation to a relationship that will only bring life and peace into ones life However too many times today we find people seeking after men or women instead of the One who can supply their every need It is good to listen to good teaching from Gods Word but in the end it is we who must decide for ourselves about our lives Any other way will certainly lead us in a path away from God He wants a personal relationship with

each and every one of us He wants to bless and deliver us from situations which are pulling us down He wants to pick us up when we fall and restore us into a right relationship with Him He is the God Who is more than able to supply all that we could ever ask for or desire It is His purpose for us to realize the love He has for us above all else Many of the things which come into our lives are of our own doing and have nothing to do with God It is our poor choices or a wrong path that we have taken which leads us into situations which it seems that there is no deliverance from But God is the God Who is bigger than any situation and He is more powerful than any bad choice that we have made The only requirement is for us to trust Him and surrender all to Him In 1 Peter 5:7 it reads casting all your care upon Him for He cares for you I heard someone say once I don't know what the future holds but I know Who holds the future We can rest in the promises of God and learn of Him and we will have success even when it seems an impossibility for a situation to turn around So when we seek Him we can claim the promise in Jeremiah 29:11-13 For I know the thoughts that I think toward you says the Lord thoughts of peace and not of evil to give you a future and a hope Then you will call upon Me and go and pray to Me and I will listen to you And you will seek Me and find Me when you search for Me with all your heart So let's believe in a Father whose grace will carry us through any obstacle and let's believe in a Saviour Who wants to perform miracles the same way He did when He walked this earth He is as near as the mention of His Name Jesus

Lamb, 2022-11-22 The God of the Bible is emotional But for some Christians the idea of God experiencing deep emotions can be confusing and problematic In this rich study Biblical scholar David Lamb examines seven divine emotions arguing for the goodness of God's emotions so that we might better know and reflect the beauty of emotion to the world

they realize something much bigger is happening Something unthinkable the genesis of a new age And that means only one thing for mankind Annihilation
