Mad World

Keith Sharp

Mad World:

Producer of Controversy Jennifer Frost, 2017-10-27 With films ranging from *High Noon* to *Guess Who's Coming to Dinner* Stanley Kramer 1913-2001 was one of the most successful and prolific director-producers of his day. But even as critics praised his courage in taking on such issues as nuclear war, racism, fascism, and the battle between science and religion, others condemned his work as emptily pretentious and hollow, falsely sentimental, overproduced. Whether Kramer was one of the great filmmakers of all time (Kevin Spacey at the Golden Globe Awards) or one of Hollywood's worst directors (preeminent film critic Andrew Sarris in *The Village Voice*) he had a strong and undeniable influence on American culture during the Cold War. *Producer of Controversy* is the first book to take a close-up look at Kramer's career, films, and liberal politics in an effort to explain his contributions and historical significance. Kramer learned filmmaking within the old studio system, but over a career spanning forty years he did much to shape the independent moviemaking that emerged after World War II. Jennifer Frost pays particular attention to four of his key message movies: *The Defiant Ones*, *On the Beach*, *Inherit the Wind*, and *Judgment at Nuremberg* to show how Kramer's controversial films opened up public debate about the most important issues of his time among average filmgoers as well as professional critics, political commentators, and public figures. In this context she for the first time fully documents the Hollywood Right's attacks on Kramer in the 1950s, details his resistance to the anticommunist Red Scare, and the Hollywood blacklist, exposes his role as a cultural diplomat with the Soviet Union, and reveals his important contribution to the liberal and radical politics of the 1960s. Her book is at once an absorbing work of cultural history and a thoroughgoing reassessment of Stanley Kramer's place in the pantheon of American filmmakers.

Following Reason Mark Manolopoulos, 2019-03-01 Throughout history, humanity has regularly followed anti-rational figures and forces: demagogic rulers, perverted deities, exploitative economic systems, and so on. Such leadership and followership have wrought all kinds of oppression and conflict. What if this pattern could be altered? What if society were led by Reason instead? Prompted by Cicero's exhortation to follow reason as leader, as though it were a god, *Following Reason: A Theory and Strategy for Rational Leadership* explores this intriguing and potentially transformative possibility. Manolopoulos uniquely blends leadership psychology with a deep understanding of philosophical reasoning theory to show how leaders can bravely reimagine and reconstruct society. The book retraces leadership missteps in history and proposes a more logic-centric theory of leadership built on compelling philosophical axioms and arguments. *Following Reason* emphasizes the weight of philosophy and cognition in leadership and advocates for a diverse network that can create, uphold, and implement a blueprint for a better global society. This wide-ranging and timely book is ideal for leadership, management, and philosophy students at undergraduate and graduate levels.

A Critical Companion to Terry Gilliam Ian Bekker, Sabine Planka, Philip van der Merwe, 2022-11-11 *A Critical Companion to Terry Gilliam* provides a fresh, up-to-date exploration of the director's films and artistic practices, ranging from his first film *Monty Python and the Holy Grail* (1975) to his recently released and latest film *The*

Man Who Killed Don Quixote 2018 This volume presents Gilliam as a director whose films weave together an avant garde cinematic style imaginative exaggeration and social critique Consequently while his films can seem artistically chaotic and thus have the effect of frustrating and upsetting the viewer the essays in this volume show that this is part of a very disciplined creative plan to achieve the defamiliarization of various accepted notions of human and social life *Brass Diva* Caryl Flinn, 2009-02-25 A comprehensive biography of the life and career of American star of stage and film musicals Ethel Merman that chronicles her childhood family early film appearances and success in the entertainment industry *Edward Dmytryk* Fintan McDonagh, 2021-07-21 Edward Dmytryk was one of the so called Hollywood Ten jailed for contempt of Congress for refusing to testify before the House Un American Activities Committee in 1947 Finding himself blacklisted after his prison sentence and unable to operate under a pseudonym he took the step of testifying and naming names to the Committee His career resumed to considerable commercial success but also to prolonged and bitter criticism from the left and persistent mistrust from the right Acknowledged as one of the key figures in the development of the film noir genre having directed one of its first films *Murder My Sweet* Dmytryk has otherwise frequently been sidelined in critical studies because of the controversy This book is the first to critically evaluate each of the dozens of films he made between the 1930s and the 1970s including *The Young Lions* *Crossfire* and *The Caine Mutiny* among many others *Sidney Poitier* Aram Goudsouzian, 2011-01-20 In the first full biography of actor Sidney Poitier Aram Goudsouzian analyzes the life and career of a Hollywood legend from his childhood in the Bahamas to his 2002 Oscar for lifetime achievement Poitier is a gifted actor a great American success story an intriguing personality and a political symbol his life and career illuminate America's racial history In such films as *Lilies of the Field* *In the Heat of the Night* and *Guess Who's Coming to Dinner* Poitier's middle class mannered virtuous screen persona contradicted prevailing film stereotypes of blacks as half wits comic servants or oversexed threats His screen image and public support of nonviolent integration assuaged the fears of a broad political center and by 1968 Poitier was voted America's favorite movie star Through careful readings of every Poitier film Goudsouzian shows that Poitier's characters often made sacrifices for the good of whites and rarely displayed sexuality As the only black leading man during the civil rights era Poitier chose roles and public positions that negotiated the struggle for dignity By 1970 times had changed and Poitier was the target of a backlash from film critics and black radicals as the new heroes of blaxploitation movies reversed the Poitier model In the 1970s Poitier shifted his considerable talents toward directing starring in and producing popular movies that employed many African Americans both on and off screen After a long hiatus he returned to starring roles in the late 1980s More recently the film industry has reappraised his career and Poitier has received numerous honors recognizing his multi faceted work for black equality in Hollywood As this biography affirms Poitier remains one of American popular culture's foremost symbols of the possibilities for and limits of racial equality *The Magnificent '60s* Brian Hannan, 2022-06-06 Hollywood in the 1960s walked a tightrope between boom and bust Yet the decade spawned many

of the greatest films ever made saw the advent of the spy thriller the revival of science fiction and horror and represented the Golden Era of the 70mm roadshow Blockbusters like Lawrence of Arabia and The Sound of Music shared marquees with low budget hits such as Lilies of the Field and Easy Rider New stars emerged Steve McQueen Sidney Poitier Barbra Streisand Sean Connery Faye Dunaway Clint Eastwood and Dustin Hoffman Veteran directors like Billy Wilder and William Wyler were joined by the post war generation of Robert Aldrich and Stanley Kramer and the new wave of Stanley Kubrick and John Schlesinger This book explores a period when filmmakers embraced revolutionary attitudes to sexuality violence and racism and produced a bewildering list of critically acclaimed classics that remain audience favorites **Movie Roadshows** Kim R. Holston,2013-01-01 This work examines a film distribution system paralleling the rise of early features and persisting until 1972 when Man of La Mancha was the final roadshow to require reserved seating Synonymous with Hollywood's star studded premieres roadshows were longer and cost more than regular features making the experience similar to attending the legitimate theater Roadshows often epic in subject matter played selected usually only one theaters in major urban centers until demand decreased De rigueur by the 1960s were musical overtures intermissions entre acte and exit music and souvenir programs for sale in the lobby Throughout the text are recollections by people who attended roadshows including actor John Kerr and actresses Barbara Eden and Ingrid Pitt The focus is on roadshows released in the United States but an appendix identifies international roadshows and films forecast but not released as roadshows Included are plots contemporary critical reaction premiere dates production background and methods of promotion i.e. the ballyhoo HMM Dallas Music and Entertainment Memorabilia Auction Catalog #688,2008-02 *Performing Maternity in Early Modern England* Kathryn R. McPherson,2016-12-05 Performing Maternity in Early Modern England features essays that share a common concern with exploring maternity's cultural representation performative aspects and practical consequences in the period from 1540-1690 The essays interrogate how early modern texts depict fertility conception delivery and gendered constructions of maternity by analyzing a wealth of historical documents and images in conjunction with dramatic and non-dramatic literary texts They emphasize that the embodied repeated and public nature of maternity defines it as inherently performative and ultimately central to the production of gender identity during the early modern period *Music Express* Keith Sharp,2014-04-14 The rise of the Canadian music industry along with anecdotes and exclusive photos of international rock and pop stars from the perspective of Canada's foremost music magazine from the 70s to the 90s *Stars and Silhouettes* Joceline Andersen,2020-10-13 Extensive account of the cameo's production history and how audiences affirm their mastery of celebrity culture Stars and Silhouettes The History of the Cameo Role in Hollywood traces the history of the cameo as it emerged in twentieth century cinema Although the cameo has existed in film culture for over a century Joceline Andersen explains that this role cannot be strictly defined because it exists as a constellation of interactions between duration and recognition dependent on who is watching and when Even audiences of the twenty first century who are

inundated by the lives of movie stars and habituated to images of their personal friends on screens continue to find cameos surprising and engaging Cameos reveal the links between our obsession with celebrity and our desire to participate in the powerful cultural industries within contemporary society Chapter 1 begins with the cameo s precedents in visual culture and the portrait in particular from the Vitagraph executives in the 1910s to the emergence of actors as movie stars shortly after Chapter 2 explores the fan centric desire for behind the scenes visions of Hollywood that accounted for the success of cameo laden Hollywood set films that autocratic studios used to make their glamorous line up of stars as visible as possible Chapter 3 traces the development of the cameo in comedy where cameos began to show not only glimpses of celebrities at their best but also of celebrities at their worst Chapter 4 examines how the television guest spot became an important way for stars and studios to market both their films and stars from other media in trades that reflected an increasingly integrated mediascape In Chapter 5 Andersen examines auteur cameos and the cameo as a sign of authorship Director cameos reaffirm the fan s interest in the film not just as a stage for actors but as a forum for the visibility of the director Cameos create a participatory space for viewers where recognizing those singled out among extras and small roles allows fans to demonstrate their knowledge Stars and Silhouettes belongs on the shelf of every scholar student and reader interested in film history and star studies

Causes of War Stephen Van Evera,1999 What causes war How can military conflicts best be prevented A prominent political scientist here addresses these questions offering ideas that will be widely debated Van Evera s book demonstrates that ideas from the Realist paradigm can offer strong explanations for international conflict and valuable prescriptions for its control
