Mad Tell It Like It Is:

Telling It Like It Is Paul Bowden, 2011-05-13 Telling It Like It Is is a collection of quotations that either give good advice or are useful truths Of course there will be quotations that you disagree with or don't identify with but with about 700 pages how could it be otherwise Taken as a whole though the book tries to present a coherent view of life that has honesty and integrity and is true Ultimately however you must decide for yourself whether each quote strikes a chord with you and whether all the quotes taken together present a picture of human affairs and behavior that you recognize and agree with Whatever your final opinion you will find this collection of quotations both fascinating and provocative Telling It Like It Is J.W. finds friendship with a motley assortment of fellow patients a would be Napoleon a wise ex firefighter and a man obsessed with battling imagined devils But there s nothing imaginary about the young nurse found sexually assaulted and brutally murdered late one night after lights out The police suspect an inmate while patients whisper about visions of a white shrouded angel But the striking and mysterious prosecuting attorney who arrives to investigate has her own chilling theory about the grim telltale signature left on the victim s body a string of unsolved sex killings and a very real devil who by chance or design has come to turn a madhouse into a slaughterhouse Now with the past creeping back to haunt his thoughts and nothing but a pencil and the bare walls of his bleak apartment Francis surrenders to the overwhelming need to tell the story of those nightmarish days But because the crime was never solved it s a story doomed to remain unfinished Until like Francis s long buried recollections the killer resurfaces with a vengeance A tour de force narrative journey through the eerily unpredictable mind of an utterly unusual hero The Madman s Tale will keep even the most astute thriller reader uncertain unnerved and unable to resist the tantalizing twists and turns of this fiendishly suspenseful shadow show *Love Me Slender* Thomas N.
