*Insiders and Outsiders* Francis B. Nyamnjoh, 2013-07-04 This study of xenophobia and how it both exploits and excludes

Using the examples of Sub-Saharan Africa's two most economically successful nations, it meticulously documents the fate of immigrants and the new politics of insiders and outsiders. As globalization becomes a palpable reality, citizenship, sociality, and belonging are subjected to stresses to which few societies have devised a civil response beyond yet more controls.
