Madame Butterfly John Luther Long, 2002 These novellas appeared at the height of fin de siècle American fascination with Japanese culture Usually dismissed by critics because of their stereotypical treatment of Asian women they have been paired here to show how they defined and redefined contemporary misconceptions of the Orient *Madame Butterfly* Jan van Rij, 2001 The true and tragic tale behind the popular opera **Madama Butterfly** Burton, Fisher D. Grace, Melinda Boyd, 2006-01-01 Best known as the story from the 1904 Puccini opera the compelling modern myth of Madame Butterfly has been read watched and re interpreted for many years This volume examines the Madame Butterfly narrative in a variety of cultural contexts literary musical theatrical cinematic historical and political Madama Butterfly/Madam Butterfly Giacomo Puccini, 2018-01-01 Madama Butterfly is one of the most popular operas of all time despite its disastrous premiere after which it was immediately withdrawn and revised This guide explores how and why the libretto was softened to suit the tastes of European opera goers and the different variants are set out side by side Professor Jean Pierre Lehmann introduces the story and shows how the theme of a Japanese girl deserted by a heartless foreigner became a classic Since John Luther Long's novella on which the opera was based is included as well it is possible to judge how successful Puccini was in catching its essence in his hauntingly beautiful score Contents Images of the Orient John Pierre Lehmann Tribulations of a Score Julian Smith Madame Butterfly John Luther Long Madama Butterfly Libretto by Giuseppe Giacosa and Luigi Illica after the book by John Luther Long and the play by David Belasco Madam Butterfly English version based on that of R H Elkin Starcrossed Brian Burke-Gaffney, 2003-01-01 Giacomo Puccini's opera Madame Butterfly has enjoyed tremendous popularity in Europe and America since its debut in 1904 and has also inspired a global level debate about whether the tragic heroine Cho Cho san is based on a real life model As the setting of the opera Nagasaki holds answers to this mostly ill informed debate and yet has remained virtually silent on the topic in large part because the story of Madame Butterfly was created by and for Westerners and evokes cultural stereotypes that are absurd if not repugnant to many Japanese This book delves into the history of Nagasaki and into the literature from which the opera springs based on a wide variety of primary sources in both Japanese and Western languages It looks at the controversy about the identity of the opera's heroine and presents compelling evidence that in fact there was no real life Cho Cho san Penetrating beyond the discussion of Madame Butterfly as a work of art Burke Gaffney discusses the opera in the context of its importance as a window on Japan's changing relationship with Europe and America from the seventeenth century through the post World War II period and as a vehicle for persisting misconceptions about Japan in particular and Asia in general Finally the book looks at the present state of Nagasaki sites related to the development of Madame Butterfly and demonstrates that despite the cultural disparities evoked by the opera buried in the history of Nagasaki are many untold tales of true international romance and cooperation Madame Butterfly John Luther Long, 1903

**Butterfly's Sisters** Yoko Kawaguchi, 2010-11-30 In this fascinating and wide ranging book Yoko Kawaguchi explores the Western portrayal of Japanese women and geishas in particular from the mid nineteenth century to the present day She argues that in the West Japanese women have come to embody certain ideas about feminine sexuality and she analyzes how these ideas have been expressed in diverse art forms ranging from fiction and opera to the visual arts and music videos Among the many works Kawaguchi discusses are the art criticism of Baudelaire and Huysmans the opera Madama Butterfly the sculptures of Rodin the Broadway play Teahouse of the August Moon and the international best seller Memoirs of a Geisha Butterfly's Sisters also examines the impact on early twentieth century theatre drama and dance theory of the performance styles of the actresses Madame Hanako and Sadayakko both formerly geishas  
**The Melancholy of Race** Anne Anlin Cheng, 2000-11-30 In this groundbreaking interdisciplinary study Anne Anlin Cheng argues that we have to understand racial grief not only as the result of racism but also as a foundation for racial identity The Melancholy of Race proposes that racial identification is itself already a melancholic act a social category that is imaginatively supported through a dynamic of loss and compensation by which the racial other is at once rejected and retained Using psychoanalytic theories on mourning and melancholia as inroads into her subject Cheng offers a closely observed and carefully reasoned account of the minority experience as expressed in works of art by and about Asian Americans and African Americans She argues that the racial minority and dominant American culture both suffer from racial melancholia and that this insight is crucial to a productive reimagining of progressive politics Her discussion ranges from Flower Drum Song to M Butterfly Brown v Board of Education to Anna Deavere Smith's Twilight and Invisible Man to The Woman Warrior in the process demonstrating that racial melancholia permeates our fantasies of citizenship assimilation and social health Her investigations reveal the common interests that social legal and literary histories of race have always shared with psychoanalysis and situates Asian American and African American identities in relation to one another within the larger process of American racialization A provocative look at a timely subject this study is essential reading for anyone interested in race studies critical theory or psychoanalysis
